Introduction to Biblical Hermeneutics

Interpreting Christ:

Interpreting Jesus Gerald O'Collins SJ, 2002-10-15 Interpreting Jesus draws on traditional teaching and the best scripture scholarship to construct a Christology which centers on the crucifixion and the resurrection of Jesus. The aim is to explore and clarify what Christian belief in the risen Jesus as Son of God and Savior of the world originally meant and now continues to mean. Special features include an excursus on the theological implications of the Shroud of Turin and a return to a theme which contemporary Christology has widely neglected: the blood of Jesus and its redemptive symbolism. The book ends by linking belief in Jesus with the non-Christian world. Father O'Collins has previously written many articles and shorter works on Jesus Christ. This Christology represents a mature climax of those earlier publications. **Interpreting Christ** Ernest Best, 1993 **Interpreting Jesus** Gerald O'Collins, 2002-10-15 Interpreting Jesus draws on traditional teaching and the best scripture scholarship to construct a Christology which centers on the crucifixion and the resurrection of Jesus. Dale Allison Jr has long been recognized as a leading scholar in historical Jesus studies. In Interpreting Jesus he continues to advance the discussion with the expertise and insight for which he is renowned. Within these highly original essays Allison explores questions related to Jesus and women, Jesus and miracles, Jesus and Moses, Jesus and the last things, and method in Jesus scholarship. His sound analysis is particularly timely as scholars reconsider the historical figure of Jesus and the relationships among the canonical gospels. Allison's keen interest in developing fresh perspectives make this book an important contribution to the field. Readers can be grateful that as he puts it, enduring curiosity has kept me pondering the historical Jesus. **Interpreting Jesus** N. T. Wright, 2020-07-14 Draws together the most important articles on Jesus and the gospels by distinguished scholar and author N. T. Wright. Interpreting Jesus puts into one volume the development of Wright's thought on this subject over the last three decades. It collects the essays written for a wide variety of publications that led up to his groundbreaking book Jesus and the Victory of God and it includes such wide-ranging themes as The Biblical Roots of Trinitarian Theology, The History of Eschatology and New Creation in John's Gospel, The Evangelists' Use of the Old Testament as an Implicit Overarching Narrative, and The Public Meaning of the Gospels. Interpreting Jesus displays Wright's engaging prose, his courage to go where few have gone, and his joy to bridge the work of the academy and the church. Here is a rich feast for any serious student of the Bible, especially of the New Testament. Detailed, incisive and exquisitely nuanced exegesis, this collection will

reward you with a clearer deeper and more informed appreciation of the recent advances in Jesus studies and their significance for theology today Many of the included studies have never been published or were made available only in hard to find larger volumes and journals The Historical Christ and the Theological Jesus Dale C. Allison Jr., Dale C.

Allison, 2009-03-09 In this book Dale Allison addresses ongoing historical theological questions concerning Jesus Christ What should one think of the modern quest for the historical Jesus when there is such enduring discord among the experts and when personal agendas play such a large role in the reconstructions How much history is in the Gospels and how much history does Christian theology require that there be How does the quest impinge on conventional Christian beliefs and what might it contribute to contemporary theological reflection From publisher's description **Christ-Oriented Expository**

Preaching Kyooan Lee, 2020-07-24 This book provides an exegetical theological rhetorical paradigm the Christ oriented approach Lk 24:27-44 that facilitates accuracy effectiveness and practicality in preaching the New Testament use of the Old In providing a practical expository model and sermon preparation evaluation principles this work moves beyond the level of theory into the realm of praxis and will thus appeal to practitioners as well as to academics **Christ, Creation, and the**

Vision of God Kari Kloos, 2010-11-11 Why did early Christian authors interpret the biblical theophany narratives as manifestations of Christ And how was this interpretation challenged by Augustine This book explores the theological underpinnings of ancient Christian theophany interpretation tracing its development into two major exegetical strands Patristic exegesis of the theophanies involved polemic and the formation of Christian identity the relationship between vision and spiritual transformation and theological claims about knowing God through creation While the christological interpretation developed within particular early Christian beliefs and logic Augustine challenged it using similar logic and foundational beliefs Through Augustine's reconfigured reading one may see the critical and creative capacity of patristic authors to adapt challenge and transform exegetical traditions *The Self-interpretation of Jesus Christ* George Sidney

B. Barclay, 1999 This volume provides a detailed examination of Paul's use of the phrase Christ in You and highlights its importance for better understanding Paul's eschatological thought Having previously received relatively little scholarly attention the expression Christ in You has often been viewed as synonymous with the phrase in Christ Barclay recognizes a distinction and argues that Paul uses Christ in You specifically to emphasize the proper functioning of faith in life Christ in You indicates that believers have undergone a spiritual transformation fully incorporating Christ into their lives This study will be of value to religious scholars pastors and anyone with an interest in New Testament thought *Christ's Person and*

Life-work in the Theology of Albrecht Ritschl Gerald W. McCulloh, 1990 Examines Albrecht Ritschl's presentation of the person and life work of Christ as Prophet Priest and King As father of modern academic theology Ritschl attempted to present his understanding of the Christian faith through a critical history of the development of doctrine reexamination of the

biblical evidence of belief and exposition of the positive development of doctrine which sought to avoid the critical errors of the past This agenda proved so demanding that few scholars since Ritschl have been able to work competently in all areas of the discipline In this work McCulloh identifies characteristic emphases in Ritschl's thought a definition of religion as a positive historical phenomenon a critique of the place of metaphysics in theology an assertion of the importance of the Bible for understanding the Christian faith a view of the earthly ministry of Jesus as the only meaningful foundation for the knowledge of God and a claim for the active participation of human beings with God in justification and reconciliation McCulloh traces the history of the Munus Triplex title into Jewish messianic ascriptions and finds it to be more deeply involved in the historical transmission of the Christian faith than was acknowledged by Ritschl **That's Just Your**

Interpretation Paul Copan, 2001-11-01 In our relativistic society Christians more than ever are bombarded by tough questions about their faith Author Paul Copan has observed that many of these questions emerge as anti truth claims that are part of today's skeptical mind set Christians defending their faith often hear slogans and questions such as It's all relative Everything is one with the Divine all else is illusion The Gospels contradict each other Why would a good God create hell This book provides incisive answers to slogans related to truth and reality theism pantheism Eastern religion and naturalism and doctrinal issues such as the incarnation and truth of Scripture Each of the twenty two chapters provides succinct answers and summary points for countering the arguments Copan's book is accessible for all Christians who want to defend the plausibility of Christianity in the marketplace of ideas It also includes helpful summary sections additional resources and additional documentation in the endnotes for review and discussion **Engaging the Doctrine of Jesus (and Mary)**

Matthew Levering, 2025-03-10 The six chapters of this book focus upon Jesus conception and birth from a virgin his authoritative teaching his miracles his cross his resurrection and his ascension The purpose of the book is to articulate and defend the truth of these salvific mysteries as presented to us in Scripture In addition to conversing extensively with historical critical biblical scholarship the chapters make recourse to the theological tradition from the church fathers onward with Thomas Aquinas as a touchstone Levering seeks to make a case for believing in Jesus At the same time he shows how each of these mysteries is intimately linked with a truth about Mary the Mother of Jesus thus arguing for the integral relationship of Christology and Mariology Mary enacts the reception of the Lord by God's faithful people the New Adam never chooses to be without the New Eve in God's new covenant family The Christology offered in this book is therefore both attuned to historical studies of Jesus and Second Temple Judaism and at the same time deeply traditional in a contemporary Catholic and ecumenical way **Trinitarian Interpretation in Light of the Identity of YHWH as the Triune God** Alias

K. Eldhose, 2024-01-10 Have you ever wondered how to maintain an understanding of monotheism in light of the Christian understanding of the triune Godhead Have you ever wondered about the identity of YHWH in the Old Testament Have you identified YHWH as the first person of the Trinity as many in the Christian tradition have If so this book is for you Many of

the early Trinitarian heresies stemmed from a misunderstanding of YHWH in the Old Testament especially identifying YHWH as one person and not multiple persons This book addresses issues relating to the identity of YHWH in the Old Testament and makes the bold claim that YHWH is multiple persons in the OT and therefore Father is YHWH Jesus is YHWH and the Holy Spirit is YHWH This conclusion is based on sound exegesis of OT NT passages the early Christian understanding of God in the Old Testament and the New Testament's identification of Jesus in the identity of YHWH If identified thus a Christian reading of the entirety of Scripture will take on new meaning resulting in a robust Trinitarian interpretation of Scripture

Christ's Enthronement at God's Right Hand and Its Greco-Roman Cultural Context D. Clint Burnett, 2021-01-18 Given the dearth of non messianic interpretations of Psalm 110 1 in non Christian Second Temple Jewish texts why did it become such a widely used messianic proof text in the New Testament and early Christianity Previous attempts to answer this question have focused on why the earliest Christians first began to use Ps 110 1 The result is that these proposals do not provide an adequate explanation for why first century Christians living in the Greek East employed the verse and also applied it to Jesus's exaltation I contend that two Greco Roman politico religious practices royal and imperial temple and throne sharing which were cross cultural rewards that Greco Roman communities bestowed on beneficent pious and divinely approved rulers contributed to the widespread use of Ps 110 1 in earliest Christianity This means that the earliest Christians interpreted Jesus's heavenly session as messianic and thus political as well as religious in nature [Interpreting the Bible](#) A. The Oxford Handbook of Early Christian Biblical Interpretation Paul M. Blowers, Peter W. Martens, 2019-05-16 The Bible was the essence of virtually every aspect of the life of the early churches The Oxford Handbook of Early Christian Biblical Interpretation explores a wide array of themes related to the reception canonization interpretation uses and legacies of the Bible in early Christianity Each section contains overviews and cutting edge scholarship that expands understanding of the field Part One examines the material text transmitted translated and invested with authority and the very conceptualization of sacred Scripture as God's word for the church Part Two looks at the culture and disciplines or science of interpretation in representative exegetical traditions Part Three addresses the diverse literary and non literary modes of interpretation while Part Four canvasses the communal background and foreground of early Christian interpretation where the Bible was paramount in shaping normative Christian identity Part Five assesses the determinative role of the Bible in major developments and theological controversies in the life of the churches Part Six returns to interpretation proper and samples how certain abiding motifs from within scriptural revelation were treated by major Christian expositors The overall history of biblical interpretation has itself now become the subject of a growing scholarship and the final part skilfully examines how early Christian exegesis was retrieved and critically evaluated in later periods of church history Taken together the chapters provide nuanced paths of introduction for students and scholars from a wide spectrum of academic fields including classics biblical studies the general history of interpretation the social and

cultural history of late ancient and early medieval Christianity historical theology and systematic and contextual theology Readers will be oriented to the major resources for and issues in the critical study of early Christian biblical interpretation

The Community of the Beautiful Alejandro R. Garcia-Rivera, 2017-07-27 2000 Catholic Press Association Award Winner
The claim has been made that we are gripped today in an aesthetic crisis with considerable theological ramifications Aesthetics which has existed since the first human heart was moved by the influence of the beautiful has played a major role both implicit and explicit in theological reflection In *The Community of the Beautiful* Alejandro Garcia Rivera draws from the North American philosophical tradition and Hispanic theological thought to propose a new aesthetic principle a redemptive building of the community of the beautiful *The Community of the Beautiful* focuses on the premise that religion and beauty go together Yet today hundreds of theological treatises continue to speak solely of the truth of their claims *The Community of the Beautiful* addresses this silence with a proposal about the relationship between God and the beautiful It asks the question How can the finite human creature name the nameless perceive the imperceptible make visible the invisible The answer is what Hans Urs von Balthasar called a theological aesthetics *The Community of the Beautiful* is not simply an analysis of Balthasar's theology there exists a more personal and concrete reason for a reconsideration of the connection between God and the beautiful The experience of a particular living ecclesial tradition the Latin Church of the Americas may be a guide to a world that lost its confidence in the religious dimensions of the beautiful Garcia Rivera recasts the question of theological aesthetics posed above in light of the religious experience of the Latin Church of the Americas so that the question becomes What moves the human heart To answer that question Garcia Rivera draws on along ignored philosophical tradition The philosophical semiotics of Charles Peirce and Josiah Royce enter into dialogue with the theological aesthetics of Hans Urs von Balthasar to describe the traditional transcendentals the True and the Good as communities The final transcendental the beautiful enters into conversation with the semiotic aesthetics of Jan Mukarovsky and the religious experience of the Latin American Church to become the dazzling Vision of the community of the beautiful God's community Chapters are *Pied Beauty A Different Beauty Seeing the Form The Community of the True The Community of the Good The Community of the Beautiful and Lifting up the Lowly* Alejandro R Garcia Rivera a Roman Catholic lay theologian received his doctorate in theology from the Lutheran School of Theology at Chicago and holds degrees in physics from Ohio State University and Miami University The author of numerous articles and winner of a Catholic Press Association award he is assistant professor of systematic theology at the Jesuit School of Theology at Berkeley *Seeking the Asian Face of Jesus* Chris Sugden, 1997
