## **Interpreting The Atonement:**

*Cross Covenant* R. Larry Shelton, 2006-10-01 Seeking a fresh missionally relevant account of Christ's work Larry Shelton analyzes the biblical notion of sacrifice as a gift alongside other theories of atonement He attempts to show a historical movement away from penal substitutionary theologies toward a Trinitarian relational model *Interpreting the Atonement* Robert H. Culpepper, 1966 In this widely praised volume Robert H Culpepper places the doctrine of the atonement at the center of the Christian faith and carries on his discussion of it against the background of a biblical understanding of sin presenting the Old Testament foundations the New Testament witness and various historical interpretations He concludes with a constructive statement of the doctrine that will serve the reader well as a guide to a deeper understanding of Christianity and its practice in today's world I regard this as the ablest and most helpful general work on the doctrine of the atonement that is currently available The treatment is judiciously balanced between the biblical historical and reconstructive aspects of the subject W Boyd Hunt Southwestern Baptist Theological Seminary Comprehensive and balanced in its approach Biblically grounded A solid helpful study I John Hesselink Western Theological Seminary Robert H Culpepper served as a Southern Baptist missionary and seminary teaching in Japan for thirty years before returning permanently to the United States in 1980 He is professor emeritus at Southeastern Baptist Seminary Wake Forest North Carolina *Understanding Atonement* Gary A. Fox, 2019-09-24 At some point in the Christian faith journey most people ask the question Why did Jesus die The most common answer is For my sins But what if Jesus died because of the sin of humanity not for individual sins It seems weirdly illogical for a God who is love 1 John 4:8 to demand a blood sacrifice to cover sin It is not what the Jewish sacrificial system supported either I hope that this book will help us understand that God loves us and will not forsake us Ever Forgiveness is about love not punishment *How To Read T. F. Torrance* Elmer M. Colyer, 2007-12-01 Thomas F Torrance is regarded as one of the foremost Reformed theologians of the second half of the twentieth century He taught for thirty years at New College University of Edinburgh Scotland until his retirement in 1979 He has written extensively contributing more than twenty major works of theology and hundreds of articles in a variety of languages In this book Elmer Colyer provides access to Torrance's voluminous writings Demonstrating the profoundly trinitarian and evangelical spirit of Torrance's theology Colyer also captures his concern to formulate a renewed theological method in the tradition of Athanasius Colyer helps us see how in Torrance's view and practice a truly scientific approach must be godly in order to be accurate and faithful *The Meanings We Choose* Charles H. Cosgrove, 2004-09-01 The Meanings We Choose is an engagement with responsible bible reading Hebrew Bible Old Testament and New Testament texts for the past as well as for the present and future Its stated perspectives are multi denominational Christian but the implications of such readings go far beyond a specific confessional framework In the present political climate the aware responsible personal is meaningful for any community confessedly religious as well as otherwise While the articles collected in this volume broadly speaking can

and perhaps should be compartmentalized as ideological criticism their significance for reading ideologies different from their own is more than considerable      *Interpreting the General Letters* Herbert W. Bateman IV, 2014-11-07 This handbook is designed as a step by step approach for analyzing and communicating eight letters of the New Testament Hebrews James the Petrine Letters the Johannine Letters and Jude Interpreting the General Letters provides important background material for the interpretation of these books by exploring the types and component parts of letter writing the importance of an amanuensis the historical background of the Greco Roman world and implications of each of these factors for interpreting the general letters This foundation is followed by a discussion of the theology of the general letters Specific consideration is given to the era of promise in Hebrew Scriptures the era of fulfillment as underscored in the general letters and how the theology of each letter contributes to the overall canon of Scripture Finally Bateman provides nine steps that move from interpretation to communication three steps for preparing to interpret the letters three for interpreting and finally three for communicating the letters All explanations include examples in order to develop a student's or pastor's skills for accurate interpretation and convicting communication of God's Word See page 21 for full series details      *Understanding Paul* Peter Frick, 2023-09-04 Peter Frick argues that the key issue to which the apostle Paul correlates the death and resurrection of Jesus Christ is the power of sin Sin singular is an ontological existential category and distinct from sins plural For the death of Jesus to be effective in overcoming the power of sin salvation is established strictly in the new ontology of the resurrection of Jesus      *An Introduction to Torrance Theology* Gerrit Scott Dawson, 2007-09-01 For more than six decades the brothers Torrance Thomas James and David have had a tremendous influence on the theological world They and particularly TF Torrance have a devoted following world wide and particularly in the US Their high view of the fully human fully divine Jesus is built upon the foundation of the Patristic writers and the great Reformers from Calvin to Barth Working in both pastoral and academic settings the Torrances have stressed the profound implications of Christology for the mission of their Church and the daily life of Christians Today a generation of their students around the world find themselves in positions of pastoral and theological leadership The focus of this book is the person of Christ christology a subject central to the Torrance theological vision and one which has had great influence on the presbyterian church The contributors explore the contemporary relevance of Torrance Christology in such areas as the nature of Christ the atonement the ministry of the Church epistemology and inclusion in Christ The result is a book that offers both a fresh introduction to the Torrance tradition even as it advances the Torrance thought along fresh avenues of theological exploration      **Systematic Theology, Volume 2, Second Edition** James Leo Garrett Jr., 2014-09-14 Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996 One of the characteristics of Garrett's system that needs especially to be noted is its balanced judicious and nearly invariably objective presentation of materials While holding true to the teachings of his own Baptist faith Garrett so carefully and judiciously presents alternatives that teachers and students from other confessional and

denominational positions will find his work instructive

Consensus 1997 If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology

Journal of the Evangelical Theological Society September 1999 Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world

The Churchman A Journal of Anglican Theology 1991 A gold mine of helpful material

The Christian Century May 29 June 5 1991 No book that I know is more loaded with biblical and theological facts than this one

The prodigious research that must have gone into the preparation of this volume is truly mind boggling

Faith and Mission Fall 1991 Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint

The work is well documented in both biblical and historical scholarship and will prove to be a classic

William Hendrickson Southern Baptist Theological Seminary One of the most comprehensive concise books of its type available it should receive wide use in the classroom and in the study

*Atonement, Law, and Justice* Adonis Vidu, 2014-08-12 Adonis Vidu tackles an issue of great current debate in evangelical circles and of perennial interest in the

Christian academy He provides a critical reading of the history of major atonement theories offering an in depth analysis of the legal and political contexts within which they arose The book engages the latest work in atonement theory and serves as a helpful resource for contemporary discussions This is the only book that explores the impact of theories of law and justice on major historical atonement theories Understanding this relationship yields a better understanding of atonement thinkers by situating them in their intellectual contexts The book also explores the relevance of the doctrine of divine simplicity for atonement theory

Christ and Reconciliation Veli-Matti Krkkinen, 2013-05-26 In Christ and Reconciliation Veli Matti Karkkainen develops a constructive Christology and theology of salvation in dialogue with the best of Christian tradition with contemporary theology in its global and contextual diversity and with other major living faiths Karkkainen s Constructive Christian Theology for the Pluralistic World is a five volume project that aims to develop a new approach to and method of doing Christian theology in our pluralistic world at the beginning of the third millennium Topics such as diversity inclusivity violence power cultural hybridity and justice are part of the constructive theological discussion along with classical topics such as the messianic consciousness incarnation atonement and the person of Christ With the metaphor of hospitality serving as the framework for his discussion Karkkainen engages Judaism Islam Buddhism and Hinduism in sympathetic and critical mutual dialogue while remaining robustly Christian in his convictions Never before has a full scale doctrinal theology been attempted in such a wide and deep dialogical mode

**Thomas F. Torrance and Evangelical Theology** Myk Habets, R. Lucas Stamps, 2023-05-17 Thomas F Torrance invites evangelicals to think more Christianly Thomas F Torrance and Evangelical Theology A Critical Analysis brings Torrance into closer conversation with evangelical theology on a range of key theological topics Thomas F Torrance and the Evangelical Tradition Thomas A Noble Torrance The Tacit Dimension and The Church Fathers Jonathan Warren P Pag n Torrance and the Doctrine of Scripture Andrew T B McGowan Revelation Rationalism and an Evangelical Impasse Myk Habets Theology and Science in Torrance W Ross Hastings A Complexly Relational Account of the Imago Dei in Torrance s Vision of Humanity Marc Cortez Barth Torrance and Evangelicals Critiquing and Reinvigorating the Idea of a Personal Relationship with Jesus Marty Folsom Torrance and Atonement Christopher Woznicki Torrance and Christ s Assumption of Fallen Human Nature Toward Clarification and Closure Jerome Van Kuiken Torrance Theosis and Evangelical Reception Myk Habets Thinking and Acting in Christ Torrance on Spiritual Formation Geordie W Ziegler Seeking Love Justice and Freedom for All Using the Work of T F and J B Torrance to Address Domestic and Family Violence Jenny Richards Toward a Trinitarian Theology of Work Peter K W McGhee Torrance and Global Evangelicalism Some Potential Generative Exchanges with Contemporary Indian Evangelical Theology Stavan Narendra John Thomas Forsyth Torrance 1913 2007 was one of the most important theologians of the twentieth century yet his work remains relatively neglected by evangelicals A diverse collection of contributors engage Torrance s pioneering and provocative thought deriving insights from theological loci such as Scripture Christology and atonement as well as from

broader topics like domestic violence and science These stimulating essays reveal how Torrance can help evangelical theologians articulate richer and deeper theology

**Atonement and Comparative Theology** Catherine Cornille, 2021-09-07 The central Christian belief in salvation through the suffering death and resurrection of Jesus Christ remains one of the most intractable mysteries of Christian faith Throughout history it has given rise to various theories of atonement many of which have been subject to critique as they no longer speak to contemporary notions of evil and sin or to current conceptions of justice One of the important challenges for contemporary Christian theology thus involves exploring new ways of understanding the salvific meaning of the cross In *Atonement and Comparative Theology* Christian theologians with expertise in Judaism Islam Hinduism Buddhism Daoism and African Religions reflect on how engagement with these traditions sheds new light on the Christian understanding of atonement by pointing to analogous structures of sin and salvation drawing attention to the scandal of the cross as seen by the religious other and re interpreting aspects of the Christian understanding of atonement Together they illustrate the possibilities for comparative theology to deepen and enrich Christian theological reflection

**Dictionary of Paul and His Letters** InterVarsity Press, 2023-04-11 In this thoroughly revised and updated edition of a classic reference work topics like Christology justification and hermeneutics receive careful treatment by trusted specialists New topics like politics patronage and different cultural perspectives expand the volume s breadth and usefulness for scholars pastors and students today

*The Spatiotemporal Eschatology of Hebrews* Luke Woo, 2024-07-11 There are two coexisting realities classified under New Testament eschatology the temporal and spatial While much scholarly attention has focused on the temporal Luke Woo argues that the spatial aspect is either neglected or relegated to Platonic or cosmological categories Woo thus seeks to provide a holistic understanding by investigating these realities for believers under the heavenly tabernacle motif in the Epistle to the Hebrews Woo posits that the author of Hebrews presents the heavenly tabernacle and all its high priestly activity in order to eschatologically situate orient and ground believers thus enabling believers to actualize their heavenly priestly identity by serving as priests on earth Woo uses Edward Soja s Tripartite Critical Spatiality to analyze the heavenly tabernacle s Firstspace Secondspace and Thirdspace features found in Hebrews 4 14 8 1 5 9 1 14 He suggests that Christ in his resurrection and ascension enters an actualized heavenly tabernacle which allows believers to spiritually occupy that sanctuary space in the presence of God establishing a spatial orientation for believers who can identify as heavenly priests and be motivated to serve as such as they live on earth

*The Christian Understanding of Atonement* Frederick William Dillistone, 1968 My concern has been to deal honestly with human problems and needs as far as I understand them and at the same time to present as true an account as I can of the way in which men have discovered answers related to those needs through all that is implied in the death and resurrection of Jesus Christ Whatever else may be in doubt about the New Testament it is clear that the Word of the Cross is its very heart and nerve centre My aim has been to establish lines of communication between that nerve centre and the

alienation of mankind in our contemporary world In this classic study of atonement now reissued Dr Dillistone not only examines the biblical and theological material on atonement but also surveys a wide range of human experience including other religions literature and the arts

*Rethinking the Atonement* David M. Moffitt, 2022-11-15 Traditional views of the atonement tend to be reductive focusing solely on Jesus s death on the cross In his 2011 groundbreaking book *Atonement and the Logic of Resurrection* in the Epistle to the Hebrews David Moffitt challenged that paradigm showing how the atonement is a fuller process It involves not only Jesus s death but also his resurrection ascension offering and exaltation In the succeeding years Moffitt has continued to expand and clarify his thinking on this issue This book offers a more fulsome articulation of his work on the atonement that reflects his recent thinking on the topic Moffitt continues to challenge reductive views of the atonement primarily from the book of Hebrews but he engages other New Testament passages as well He offers fresh insights on sacrifice and atonement the importance of resurrection and ascension Jesus s role as priest and a new perspective on Hebrews This important book brings Moffitt s award winning and influential scholarship to a broader audience The book includes a foreword by N T Wright

*Methodist Theology* Thomas A. Langford, 2015-02-06 Thomas Langford is well known as a writer about the Methodist theological tradition In this volume he traces the development of Methodist theology from its beginnings to the present focusing on scripture experience atonement and more
