Intervention Of Philology Gender Learning And Power In Lohensteins Roman Plays

William Grange

Intervention Of Philology Gender Learning And Power In Lohensteins Roman Plays:

The Intervention of Philology Jane O. Newman, 2000 The Intervention of Philology Jane O. Newman, 2020-05-01 This book examines the interplay of history textuality dramaturgy and politics in the school dramas of Daniel Casper von Lohenstein 1635 1683 The plays are based on well known episodes from classical Roman history and were staged in Breslau by students at two all male humanistic gymnasia Organized exclusively around stories of such female protagonists as Agrippina Cleopatra Epicharis and Sophonisbe these productions required that the young actors dress as women to play roles that routinely involved scenes of political intrigue incest seduction torture and threatened infanticide In print these plays were accompanied by massive annotational apparatuses that delineate the contours of the learned universe of eastern central Europe in exacting detail Newman s study sheds light on the ideological complexity of gender politics and learned culture in the early modern period as it emerges from these intriguing and often bizarre plays Baroque Self-Invention and Historical Truth Christopher Braider, 2017-03-02 In his monumental study Christopher Braider explores the dialectical contest between history and truth that defines the period of cultural transition called the baroque For example Annibale Carracci s portrayal of the Stoic legend of Hercules at the Crossroads departs from earlier more static representations that depict an emblematic demigod who has already rejected the fallen path of worldly Pleasure for the upward road of heroic Virtue Braider argues that in breaking with tradition in order to portray a tragic soliloquist whose dominant trait is agonized indecision Carracci joins other baroque artists poets and philosophers in rehearsing the historical dilemma of choice itself Carracci s picture thus becomes a framing device that illuminates phenomena as diverse as the construction of gender in baroque painting and science the Pauline ontology of art in Caravaggio and Rembrandt the metaphysics of baroque soliloquy and the dismantling of Cartesian dualism in Cyrano de Bergerac and Pascal Imagining World Order Chenxi Tang, 2018-12-15 No detailed description available for Imagining World Order **Imperial Fictions** Todd Kontje, 2018-04-25 Rethinks German literature by challenging the notion that national literature is the narrative of a spiritually united people **Allegory and the Work of Melancholy** Jeremy Tambling, 2021-11-08 Written using critical theory especially by Walter Benjamin Blanchot and Derrida Allegory and the Work of Melancholy The Late Medieval and Shakespeare reads medieval and early modern texts exploring allegory within texts allegorical readings of texts and melancholy in texts Authors studied are Langland and Chaucer Hoccleve on his madness Lydgate and Henryson Shakespeare s first tetralogy the three parts of Henry VI and Richard III conclude this investigation of death mourning madness and of complaint Benjamin s writings on allegory inspire this linking which also considers D rer Baldung and Holbein and the dance of the dead motifs The study sees subjectivity created as obsessional paranoid and links melancholia madness and allegorical creation where parts of the subject are split off from each other and speak as wholes Allegory and melancholy are two modes a state of writing and a state of being where the subject fragments or disappears These texts are aware of the power of death

within writing which makes them fascinating The book will appeal to readers of literature from the medieval to the Baroque and to those interested in critical theory and histories of visual culture *Historical Dictionary of German Literature to 1945* William Grange, 2010-12-18 *Historical Dictionary of German Literature to 1945* covers a wide swath of literary analysis and achievement from Old High German lays and ecclesiastical encomia to Middle High German epics sagas and love lyrics While extensive in its chronological dimension the *Historical Dictionary of German Literature to 1945* is equally comprehensive in the geographical and genre areas it covers The history of this period in German literature is told through a detailed chronology an introductory essay a comprehensive bibliography and over 200 cross referenced dictionary entries on poetry novels historical narrative philosophical musings and drama The exceptional writers who emerged and shaped German literature over the centuries including Walther von der Vogelweide Johann Jakob Christoffel von Grimmelshausen Gotthold Ephraim Lessing Johann Wolfgang Goethe Friedrich Schiller Heinrich Heine Friedrich Nietzsche Thomas Mann and many others who are well known and admired worldwide are also covered **Tragedy and the Return of the Dead** John D Lyons, 2018-05-15 Early modernity rediscovered tragedy in the dramas and the theoretical writings of the ancient Greeks and Romans Attempting to make new tragic fictions writers like Shakespeare Webster Hardy Corneille and Racine created a dramatic form that would probably have been unrecognizable to the ancient Athenians *Tragedy and the Return of the Dead* recovers a model of the tragic that fits ancient tragedies early modern tragedies as well as contemporary narratives and films no longer called tragic but which perpetuate the same elements Authoritative wide ranging and thought provoking *Tragedy and the Return of the Dead* uncovers a set of interlocking plots of family violence that stretch from Greek antiquity up to the popular culture of today Casting aside the elite idealist view that tragedy manifests the conflict between two equal goods or the human struggle against the divine John D Lyons looks closely at tragedy s staging of gory and painful deaths ignominious burials and the haunting return of ghosts Through this adjusted lens *Le Cid* *Hamlet* *Frankenstein* *The Spanish Tragedy* *Romeo and Juliet* *Ph dre Macbeth* and other early modern works appear in a striking new light These works are at the center of a panorama that stretches from Aeschylus s *Agamemnon* to Hitchcock s *Psycho* and are placed against the background of the Gothic novel Freud s uncanny and Burke s sublime Lyons demonstrates how tragedy under other names such as Gothic fiction and thrillers is far from dead and continues as a vital part of popular culture *Rethinking the Baroque* Helen Hills, 2017-07-05 *Rethinking the Baroque* explores a tension In recent years the idea of baroque or the baroque has been seized upon by scholars from a range of disciplines and the term baroque has consequently been much in evidence in writings on contemporary culture especially architecture and entertainment Most of the scholars concerned have little knowledge of the art literature and history of the period usually associated with the baroque A gulf has arisen On the one hand there are scholars who are deeply immersed in historical period who shy away from abstraction and who have remained often oblivious to the convulsions surrounding the term baroque on the other there are theorists and scholars of

contemporary theory who have largely ignored baroque art and architecture This book explores what happens when these worlds mesh In this book scholars from a range of disciplines retrieve the term baroque from the margins of art history where it has been sidelined as anachronistic to reconsider the usefulness of the term baroque while avoiding simply rehearsing familiar policing of periodization stylistic boundaries categories or essence Baroque emerges as a vital and productive way to rethink problems in art history visual culture and architectural theory Rather than attempting to provide a survey of baroque as a chronological or geographical conception the essays here attempt critical re engagement with the term baroque its promise its limits and its overlooked potential in relation to the visual arts Thus the book is posited on the idea that tension is not only inevitable but even desirable since it not only encapsulates intellectual divergence which is always as useful as much as it is feared but helps to push scholars and therefore readers outside their usual runnels

German Orientalisms Todd Curtis Kontje, 2004 A fresh examination of the role of the East in the German literary imagination ranging from the Middle Ages to the present *Barbarian Memory: The Legacy of Early Medieval History in Early Modern Literature* N. Birns, 2013-10-23 An investigation of the use of Late Antique European history by late medieval and Renaissance writers such as Chaucer Shakespeare Davenant Trissino and Corneille The liminality of the late antique period and the issues of ethnicity and religion it raises makes it very different from that of the classical world in analogous writers **Terror and Toleration** Paula Sutter Fichtner, 2008-02-15 Many negative stereotypes of Muslims can be traced to the clashes between the Ottoman Empire and Christian Europe in the Middle Ages Paula Sutter Fichtner explores here the particular dynamics between the Ottoman and Austrian Habsburg empires and chronicles the evolution of a political relationship that shifted from hatred to understanding In the fourteenth century Ottoman armies swept westward across the Danube Valley before confronting the Habsburgs who ruled central and eastern Europe and in *Terror and Toleration* Fichtner charts the religious and political conflicts that fueled 300 years of war She reveals how ruling powers in Vienna and the church spread propaganda about Muslims that still lingers today But the Habsburgs dramatically reversed their attitudes toward Muslims in the seventeenth century and through this story Fichtner explains how one can recognize an enemy while adjusting one's views about them A fascinating read *Terror and Toleration* sheds new light on the deep roots of the often contentious relationship between Islam and the West Marriage, Gender, and Desire in Early Enlightenment German Comedy Edward T. Potter, 2012 Reveals eighteenth century German comedies inherent resistance through their depiction of alternative gender roles and sexual behavior to the emerging discourse of the sentimental marriage J C Gottsched who reformed early Enlightenment German theater claimed for comedy the ability to transform morality The new literary comedies of the 1740s among the other moral goals that they pursued propagated a new sentimental discourse promoting marriage based on love while devaluing its traditional socioeconomic foundations Yet in comedies by well known dramatists of the period such as Gottsched Gellert J E Schlegel Lessing and Quistorp alternative gender roles and sexual behaviors call

the primacy of marriage into question there are women who refuse to be integrated into marriage episodes of cross dressing that foreground the culturally constructed aspects of gender roles instances of male same sex desire and allusions to female same sex desire Edward T Potter examines this marital discourse in close readings of these authors plays uncovering the ambiguity of eighteenth century comedy's stance on marriage and highlighting its resistance to the emerging discourse of the sentimental marriage In addition to excavating the connections between the texts and norms regarding gender roles and sexual behavior Potter also examines how these comedies self reflexively perform their own reception in plays within plays that reflect upon early Enlightenment comedy poetics and pedagogical aesthetics and thereby comment on the efficacy of theater as a means of propagating such norms Edward T Potter is Associate Professor of German at Mississippi State University

A Cultural History of Tragedy in the Early Modern Age Naomi Conn Liebler, 2021-05-20 In this volume 8 lively original essays by eminent scholars trace the kaleidoscopically shifting dramatic forms performance contexts and social implications of tragedy throughout the period and across geographic political and social references They attend not only to the familiar cultural lenses of English and mainstream Continental dramas but also to less familiar European exempla from Croatia and Hungary Each chapter takes a different theme as its focus forms and media sites of performance and circulation communities of production and consumption philosophy and social theory religion ritual and myth politics of city and nation society and family and gender and sexuality

The Lesbian Premodern N. Giffney, M. Sauer, P D Watt, 2011-01-31 Key scholars in the field of lesbian and sexuality studies take part in an innovative conversation that offers a radical new methodology for writing lesbian history and geography drawing new conclusions on the important and often overlooked work being done on female same sex desire and identity in relation to premodern cultures

Mediating Culture in the Seventeenth-Century German Novel Gerhild Scholz Williams, 2014-04-10 Eberhard Happel German Baroque author of an extensive body of work of fiction and nonfiction has for many years been categorized as a courtly gallant novelist In Mediating Culture in the Seventeenth Century German Novel author Gerhild Scholz Williams argues that categorizing him thus is to seriously misread him and to miss out on a fascinating perspective on this dynamic period in German history Happel primarily lived and worked in the vigorous port city of Hamburg which was a media center in terms of the access it offered to a wide library of books in public and private collections Hamburg's port status meant it buzzed with news and information and Happel drew on this flow of data in his novels His books deal with many topics of current interest national identity formation gender and sexualities Western European encounters with neighbors to the East confrontations with non European and non Western powers and cultures and they feature multiple media including news reports news collections and travel writings As a result Happel's use of contemporary source material in his novels feeds our current interest in the impact of the production of knowledge on seventeenth century narrative Mediating Culture in the Seventeenth Century German Novel explores the narrative wealth and multiversity of Happel's work examines Happel's novels as illustrative of

seventeenth century novel writing in Germany and investigates the synergistic relationship in Happel's writings between the booming print media industry and the evolution of the German novel *Ways of Knowing in Early Modern Germany* Gerhild Scholz Williams, 2017-09-29 Gerhild Scholz Williams's *Ways of Knowing in Early Modern Germany* Johannes Praetorius as a Witness to His Time reviews key discourses in eight of Praetorius's works She introduces the modern reader to the kinds of subjects the intellectual and spiritual approaches to them and the genres that this educated and productive German scholar and polymath presented to his audience in the seventeenth century By relating these individual works to a number of contemporaneous writings Williams shows how Praetorius constructed a panorama in print in which wonders the occult the emerging scientific way of thinking family and social mores are recurrent themes Included in Praetorius's portrait of the mid-seventeenth century are discussions of Paracelsus's scientific theories and practice early modern German theories on witchcraft and demonology and their applications in the seventeenth century Furthermore we read about the early modern beginnings of ethnography anthropology and physical geography gender theory early modern and contemporary notions of intellectual property and competing and sometimes conflicting early modern scientific and theological explanations of natural anomalies Moreover throughout his work and certainly in those texts chosen for this study Praetorius appears before us as an assiduous reporter of contemporary European and pan-European events and scientific discoveries a critic of common superstitions as much a believer in occult causes and signs and in God's communication with His people In his writings in his way of telling he offers strategies by which to comprehend the political social and intellectual uncertainties of his century and in so doing identifies ways to confront the diverse interpretive authorities and the varieties of structures of knowledge that interacted and conflicted with each other in the public arena of knowing **Renaissance Drama 40** Jeffrey

Masten, William N. West, 2012-11-30 Rather than assemble a retrospective the editors of *Renaissance Drama* use the release of their fortieth volume to survey the present and to attempt a view into the future Scholars working on different kinds of Renaissance drama contributed brief essays addressing the state of their field field being convenient shorthand for the practical but productive lack of a firm definition under which they and their colleagues study do research and write

Teaching Translation LAWRENCE VENUTI, 2016-08-05 Over the past half century translation studies has emerged decisively as an academic field around the world and in recent years the number of academic institutions offering instruction in translation has risen along with an increased demand for translators interpreters and translator trainers *Teaching Translation* is the most comprehensive and theoretically informed overview of current translation teaching Contributions from leading figures in translation studies are preceded by a substantial introduction by Lawrence Venuti in which he presents a view of translation as the ultimate humanistic task an interpretive act that varies the form meaning and effect of the source text 26 incisive chapters are divided into four parts covering certificate and degree programs teaching translation practices studying translation theory history and practice surveys of translation pedagogies and key textbooks The chapters

describe long standing programs and courses in the US Canada the UK and Spain and each one presents an exemplary model for teaching that can be replicated or adapted in other institutions Each contributor responds to fundamental questions at the core of any translation course for example how is translation defined What qualifies students for admission to the course What impact does the institutional site have upon the course or pedagogy Teaching Translation will be relevant for all those working and teaching in the areas of translation and translation studies Additional resources for Translation and Interpreting Studies are available on the Routledge Translation Studies Portal **The End of Modernism** William Collins

Donahue, 2003-01-14 Nobel laureate Elias Canetti wrote his novel *Auto da Fe* *Die Blendung* when he and the twentieth century were still quite young Rooted in the cultural crises of the Weimar period *Auto da Fe* first received critical acclaim abroad in England France and the United States where it continues to fascinate readers of subsequent generations *The End of Modernism* places this work in its cultural and philosophical contexts situating the novel not only in relation to Canetti's considerable body of social thought but also within larger debates on Freud and Freudianism misogyny and modernism's fragmented subject anti-Semitism and the failure of humanism contemporary philosophy and philosophical fads and traditionalist notions of literature and escapist conceptions of history *The End of Modernism* portrays *Auto da Fe* as an exemplum of analytic modernism and in this sense a crucial endpoint in the progression of postwar conceptions of literary modernism

Intervention Of Philology Gender Learning And Power In Lohensteins Roman Plays Introduction

In today's digital age, the availability of Intervention Of Philology Gender Learning And Power In Lohensteins Roman Plays books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Intervention Of Philology Gender Learning And Power In Lohensteins Roman Plays books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Intervention Of Philology Gender Learning And Power In Lohensteins Roman Plays books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Intervention Of Philology Gender Learning And Power In Lohensteins Roman Plays versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Intervention Of Philology Gender Learning And Power In Lohensteins Roman Plays books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Intervention Of Philology Gender Learning And Power In Lohensteins Roman Plays books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature,

making it an excellent resource for literature enthusiasts. Another popular platform for Intervention Of Philology Gender Learning And Power In Lohensteins Roman Plays books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Intervention Of Philology Gender Learning And Power In Lohensteins Roman Plays books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Intervention Of Philology Gender Learning And Power In Lohensteins Roman Plays books and manuals for download and embark on your journey of knowledge?

FAQs About Intervention Of Philology Gender Learning And Power In Lohensteins Roman Plays Books
