**Who Cares About Education?** Eric Macfarlane, 2016-11-30 We all have opinions on education but how far do we understand the powerful forces that shape the learning experiences of our children and young

people Eric Macfarlane takes a critical look at the traditions government policies and individual ideologies that currently determine priorities in our schools colleges and universities His disturbing conclusion is that we are fast losing sight of the basic principles that underpin effective learning and teaching Who Cares About Education is a call for concerted action from all who share an interest in young people and the way in which we prepare them for adulthood This wise book will speak to a wide range of audiences and prove an important resource for a generation of teachers parents and young people who sense that something has gone very wrong in today s system Melissa Benn Eric Macfarlane has a real gut feeling for what education should be about At a time when discussion is mainly about exam results and giving schools new titles he provides a forceful reminder of what really matters in educating our young people Chris Green MBE Education remains political dynamite with teaching professionalism and autonomy constantly undermined and school leaders flung aside like football managers in a bad season That s why we need books like Eric Macfarlane s restoring perspective channelling rage providing historical context and voicing solutions It s a book for all who care about real education Geoff Barton Eric Macfarlane shares his passion for a broad and balanced curriculum and emphasises the enormous benefits of the arts as a serious part of every child s education and well being His book will empower us to ensure accessibility to the arts for future generations Dame Evelyn Glennie Eric Macfarlane has taught in and been head of both secondary modern and grammar schools He was the founding principal of Queen Mary s College one of Hampshire s pioneering 16 comprehensive colleges and has been an LEA adviser examiner and assessor of several different initiatives to improve the learning and teaching processes in both schools and universities Whilst Principal of Queen Mary s College he was seconded to Keble College for a year to assist with the Oxford Department of Education s introduction of a school based teacher training course He worked at the University of Surrey and Birkbeck College promoting the Enterprise in Higher Education initiative before becoming academic staff adviser in University College London Eric has had a long association with out of school learning initiatives and was chair of the Governing Council of the Active Training and Education Trust He received the OBE in the Queen s Birthday Honours List in 1988

**Building Communities of Engaged Readers** Teresa Cremin, Marilyn Mottram, Fiona M. Collins, Sacha Powell, Kimberly Safford, 2014-06-20

Reading for pleasure urgently requires a higher profile to raise attainment and increase children s engagement as self motivated and socially interactive readers Building Communities of Engaged Readers highlights the concept of Reading Teachers who are not only knowledgeable about texts for children but are aware of their own reading identities and prepared to share their enthusiasm and understanding of what being a reader means Sharing the processes of reading with young readers is an innovative approach to developing new generations of readers Examining the interplay between the will and the skill to read the book distinctively details a reading for pleasure pedagogy and demonstrates that reader engagement is strongly influenced by relationships between children teachers families and communities Importantly it provides compelling evidence that reciprocal reading communities in school encompass a shared

concept of what it means to be a reader in the 21st century considerable teacher and child knowledge of children's literature and other texts pedagogic practices which acknowledge and develop diverse reader identities spontaneous inside text talk on the part of all members a shift in the focus of control and new social spaces that encourage choice and children's rights as readers Written by experts in the literacy field and illustrated throughout with examples from the project schools it is essential reading for all those concerned with improving young people's enjoyment of and attainment in reading **Focus**

**Britain's Two World Wars against Germany** Brian Bond, 2014-10-23 Britain's role and performance in the two World Wars continues to generate considerable debate but the wars are rarely considered together. Leading military historian Brian Bond here challenges the popular view of the First World War as catastrophic and futile in contrast to the Second World War as a well conducted and victorious moral crusade. He focuses on the key issues which have caused controversy and distortion to demonstrate how these views became deeply rooted in popular culture in the years since 1945. These issues range from policy and strategy, combat experience, the attritional strategies of naval blockade and strategic bombing to British generalship and gains and losses in the aftermath of both wars. He also considers the learning process of the British Army in both world wars. He boldly concludes that in a number of important respects Britain was more successful in the First World War than in the Second.

**Adapting War Horse** Toby Malone, Christopher J. Jackman, 2016-05-09 This book analyses the success and adaptation of Michael Morpurgo's novel *War Horse* to stage, radio, live events and feature film in different cultures, on tours and in translation. In under a decade *War Horse* has gone from obscure children's novel to arguably one of the world's most recognisable theatrical brands thanks to innovative puppet designs from South Africa's Handspring Puppet Company in an acclaimed stage production from the National Theatre of Great Britain. With emphasis on embodied spectatorship, collaborative meaning making and imaginative play, this book generates fresh insights into the enduring popularity of the franchise's eponymous protagonist Joey, offering the most in-depth study of *War Horse* to date.
