Interview With Santa Claus:

An Interview with Santa Claus. A Christmas Phantasy. By Honyel Gough Rosedale. SANTA CLAUS.,Honyel Gough ROSEDALE,1914 **An Interview with Santa Claus** Margaret Mead,Rhoda Metraux,1978 Stories about Saint Nicholas gathered from sources all over the world are complemented by line drawings and reproductions of old prints tracing the history of Santa Claus *An Interview With Santa Claus* Elijah Rice,2023-12-01 This short Christmas story imagines a world where Santa Claus is retiring He recently shocked the world by announcing that yes he is real but he s hanging up the sleigh bells He s agreed to do exactly one sit down interview and this is it The Santa Claus Document Dale Urbanowicz,2009-10-28 For hundreds of years the story of Santa Claus and his reindeer have endeared many people the world over Parents and children alike have loved the story But for all my cognitive years I have had trouble accepting some parts of the story You see as I grew older and wiser I started doubting some of the storylines For instance I questioned how was it that Santa could put all those gifts of all the children of the world into that tiny sleigh Why the weight of the gifts alone would crush the sleigh to pulp Or how can a reindeer fly Questions like that and others bothered me no end I needed answers So in my search for the answers to my questions I would probe my parents to explain to me just how could Santa Claus do things that ordinary people like you and me could not do Like slide down chimneys without getting dirty But alas my curiosity was never quelled by their feeble answers So I was left to myself to find my own answers or forever go unsatisfied in life This is why with great relief I was informed of a certain document that was being kept by the NorthPole Times that contained the answers to all my boyhood questions regarding this jolly old red suited elf I cannot reveal my source of information so don t ask for names Suffice it to say that the information was true and I was able to get hold of this paper So now with permission from all parties involved I pass on to you the world the information you need to answer the tough questions that YOUR children will be asking of you Now without further delay reprinted in its entirety is the interview of Santa Claus and Zeke the North Pole Times reporter **Sketches of Harvest** Paul McCusker,1981 **Approach** ,1979 The naval aviation safety review **Life** ,1883 *From a Clown's Heart* Todd Canton,2021-10-12 Todd Canton has made it his mission to bring laughter to others as a comedian and a clown but his life hasn t always been full of joy After losing his father at the tender age of eleven his mother s strength and his own humour were what got him through He learned that when you face life s hardships with a smile you often win In *From a Clown s Heart* Canton shares his insights and reflections through a creative narrative spanning many years and many personal stories In a world that is often full of challenges and unforeseen problems Canton s stories urge people to never give up there are always better days ahead So pick up this book and travel back through the years to his childhood through happy and sad times and hopefully you will find yourself somewhere between the pages Theatre Magazine ,1915 **The Theatre** ,1915 **Trout** Jeff Kunerth,2012-04-15 On a cool Pensacola night in January 1991 just a few minutes before midnight three teenagers pulled up to the Trout Auto Parts store Patrick Bonifay his

body coursing with adrenaline entered the store clad in a ski mask carrying a loaded gun intent on carrying out a poorly laid plan Little did he know that it was his life as well as the lives of his companions that was about to be forever changed Bonifay Clifford Barth and Eddie Fordham were hired to kill Daniel Wells by Robin Archer who blamed Wells for losing his job nine months prior The plan was orchestrated by the then twenty seven year old Archer who allegedly promised his seventeen year old nephew Patrick a suitcase full of money after the job was done But Wells had called in sick that night and an innocent man was covering his shift In this shocking and thought provoking volume Jeff Kunerth recounts the events of that fateful night the swift investigation of the murder the trials and sentencing of the teens and their subsequent lives within the Florida court and penal systems Kunerth uses the story of the Trout Auto Parts murder and the lives of these boys to explore varying aspects of troubled adolescence impulsive actions lasting but moments and the national trend of trying juveniles as adults in court They were boys every teenager can identify with and circumstances every parent fears Their story provides a disturbing sad and compelling inside look at the dynamics of individuals not yet adults but no longer children who commit senseless impulsive crimes Trout is that rare book that continues to haunt you long after you ve finished reading it The Missouri Pacific System Lines Magazine ,1925

In the Days Before Now Walt Weltzien, 2002-05-03

Nathan and Isaac have been best friends since elementary school When Isaac breaks down the friendship barrier and advances their relationship after senior prom they begin their lives together As the years go on they discover more about each other and what makes their relationship work And while Nathan yearns to walk down the street with Isaac's hand in his Isaac refuses to publicize their relationship to anyone more than their two best friends Jake and Sydney Nathan is okay with this Having been in a relationship with Sydney prior to being with Isaac he confides in her and cherishes her loyalty When she confesses to having feelings for Nathan and Isaac's good friend Jake he finds out how loyal she truly is As their relationship grows Jake and Nathan's friendship slowly dwindles Isaac on the other hand has trouble accepting Nathan and Sydney's relationship He doesn't outwardly believe they are platonic yet inwardly he knows better From the beginning the reader knows that Nathan is leaving Isaac that very night However because of the story structure the reason he is doing so is not revealed until much later The first five chapters are told in flashback sequence that is chapter one goes back six years chapter two goes back five years and so on until the reader reaches the chapter where they discover what has happened From then on out the story takes place in the present though still told in the past with occasional flashbacks here and there to keep up the theme Once Isaac finds out where Nathan has gone and he thinks he knows why he drops everything to chase after him On the way he scrutinizes he and Nathan's relationship and that causes him to second guess himself and his intentions Jake and Sydney do their best to convince him otherwise and he once again embarks on the journey This journey is not only physically but also emotionally He reevaluates his life and begins to accept himself

The Ten-Cent Plague David Hajdu, 1999-02-15

The story of the rise and fall of those comic books has never been fully told until *The Ten Cent Plague* David Hajdu's remarkable new book vividly opens up the lost world of comic books its creativity irreverence and suspicion of authority In the years between World War II and the emergence of television as a mass medium American popular culture as we know it was first created in the pulpy boldly illustrated pages of comic books No sooner had this new culture emerged than it was beaten down by church groups community bluestockings and a McCarthyish Congress only to resurface with a crooked smile on its face in *Mad* magazine When we picture the 1950s we hear the sound of early rock and roll *The Ten Cent Plague* shows how years before music comics brought on a clash between children and their parents between prewar and postwar standards Created by outsiders from the tenements garish shameless and often shocking comics spoke to young people and provided the guardians of mainstream culture with a big target Parents teachers and complicit kids burned comics in public bonfires Cities passed laws to outlaw comics Congress took action with televised hearings that nearly destroyed the careers of hundreds of artists and writers *The Ten Cent Plague* radically revises common notions of popular

culture the generation gap and the divide between high and low art As he did with the lives of Billy Strayhorn and Duke Ellington in *Lush Life* and Bob Dylan and his circle in *Positively 4th Street* Hajdu brings a place a time and a milieu unforgettably back to life
