Intimate Male:

The Intimate Male Linda Levine, 1983-12 *The Intimate Male* Linda Levine, Lonnie Garfield Barbach, 1983-01-01 Based on numerous interviews with a wide cross section of American men varying in age residence marital status and sexual orientation this book explores male expectations and experiences of sex **The Intimate Connection** James B. Nelson, 1988-01-01 In recent decades men have begun to question seriously their traditionally held roles and values The women s movement popular books and male images on television and in films have all contributed to men s uncertainty about themselves There is a major shift taking place in the perception of sexuality James Nelson asserts that men and women seek something the sexual revolution did not provide an understanding of the true meaning of love This he claims is the unfinished business of that revolution **Male Intergenerational Intimacy** Alex Van Naerssen, Theo Sandfort, 2013-09-13 This groundbreaking book presents new historical legal sociological psychological and cross disciplinary research on male intergenerational intimacy Experts thoroughly document and further the discussion about this area of research through historical and ethnological examples from different times and places and aim to clarify how controversies about the subject have evolved in modern Western society The editors of Male Intergenerational Intimacy have solicited original research and literature reviews which do not digress into emotional arguments for or against intergenerational intimacy but instead aim to establish the basics for a research based scholarship The contributors address the implications of intergenerational intimacy on a variety of levels from friendship and companionship through sexual dimensions and further analyze personal accounts to illustrate how individuals involved in intergenerational intimacy understand themselves and how they construct their concepts of intimacy and sexual identity Contributors also deal with intergenerational intimacy behaviors that require counseling treatment and psychotherapeutic interventions from a positive approach Finally separate chapters deal with criminology issues and penal codes as they relate to the subject area **Intimate Jesus** Andrew Angel, 2017-05-18 Intimate Jesus is the first book to open up key questions about Jesus experience of human sexuality and His attitude towards it in himself and others for a general audience Andrew Angel examines all the relevant sayings and actions of Jesus and others in the Gospels and explores their first century cultural context in order to better understand the historical Jesus as a fully rounded human being Intimate Jesus also explores the relationship between sexuality and spirituality based in scripture Andy Angel takes this complex subject and communicates it clearly in a way that can be understood by those without a theology degree but with an interest in theology World Voice: Connected Communities Joseph Santiago, 2008-11 There are times when we all feel that no one is listening to us and no one understands us In sharing the sorrowful joy and the joyful sorrow of our lives as engaged people we begin to see ourselves in the lives of one another World Voice Connected Communities is a snap shot of a small space in time and a select few people that now know We are listening Writers from around the globe share their lives passions poetry stories spiritual pilgrimages and their own humanity while becoming part of the historical

record of a burgeoning global society The World Voice book series has the goal of fostering communication and commonality of all people across borders In supporting the World Voice series you are making a difference in people s lives by taking part in creating a community where neighbors might become friends and all people can connect meaningfully to improve the quality of one life at a time with the intention to touch the whole world So take your place take a chance and leave your mark

Men's Changing Roles in the Family Robert A Lewis, Marvin B Sussman, 2014-05-01 How are men reacting to perceiving and behaving in light of the changes in gender roles Here is an important volume that provides new and interesting reading about contemporary husbands and fathers Men s Changing Roles in the Family offers an overview of the causes and consequences of changes in men s family roles in recent decades Experts introduce you to the issues problems and methods on the cutting edge of those disciplines that study men in the context of their families Until now relatively little has been known empirically about men in contemporary families and even less has been known about husbands and fathers from direct reports of the men themselves This groundbreaking volume successfully closes this gap in the literature with an examination of the effects that fathers growing involvement with their children have on their wives and themselves a clinical assessment of some men s angry reactions to separation and divorce and those special therapeutic goals and strategies that may help reduce their distress examinations of the conflicting demands of the work world and the family upon some contemporary husbands and fathers and the negative effects of nonstandard work schedules upon men s family life and an examination of factors that make many men unhappy in patriarchal family structures Men s Changing Roles in the Family also contributes toward breaking new ground by examining family roles now performed by special groups of men Finally this important volume reports empirical findings about men in family like relationships illustrating evidence for the unique roles that male caregivers can offer children in day care centers and reviewing current empirical studies of men s friendships and their development

[Encyclopedia of Domestic Violence](#) Nicky Ali Jackson, 2007-12-11 The Encyclopedia of Domestic Violence is a modern reference from the leading international scholars in domestic violence research The first ever publication of an encyclopedia of domestic violence the principal aim of this title is to provide information on a variety of traditional and breakthrough issues in this complex phenomenon *Encyclopedia of Domestic Violence* Nicky Ali Jackson, 2007-12-11 The Encyclopedia of Domestic Violence is a modern reference from the leading international scholars in domestic violence research This ground breaking project has created the first ever publication of an encyclopedia of domestic violence The primary goal of the Encyclopedia is to provide information on a variety of traditional as well as breakthrough issues in this complex phenomenon The coverage of the Encyclopedia is broad and diverse encompassing the entire life span from infancy to old age The entries include the traditional research areas such as battered women child abuse and dating violence However this Encyclopedia is unique in that it includes many under studied areas of domestic violence such as ritual abuse torture within families domestic violence against women with disabilities pseudo family violence and domestic violence

within military families It is also unique in that it examines cross cultural perspectives of domestic violence One of the key special features in this Encyclopedia is the cross reference section at the end of each entry This allows the reader the ability to continue their research of a particular topic This book will be an easy to read reference guide on a host of topics which are alphabetically arranged Precautions have been taken to ensure that the Encyclopedia is not politically slanted rather it is hoped that it will serve as a basic guide to better understanding the myriad issues surrounding this labyrinthine topic Topics covered include Victims of Domestic Violence Theoretical Perspectives and Correlates to Domestic Violence Cross Cultural Perspectives and Religious Perspectives Understudied Areas within Domestic Violence Research Domestic Violence and the Law and Child Abuse and Elder Abuse *Feminism and Men* Steven Schacht, Doris Ewing, 1998-10 Too often feminism has been defined as a woman only arena or in competitive terms of male versus female privilege rather than as a cooperative effort to improve the quality of life for everyone Indeed a good deal of feminist scholarship has failed to take into account the relational nature of gender preferring instead to focus on the ways in which men and women are irreconcilably opposed With a view to beginning a more constructive dialogue between women and men the contributors to *Feminism and Men* argue that the feminist movement can no longer stand to view with suspicion those men who have proved themselves sympathetic to issues of gender equity Bringing together the work of scholars across various disciplines committed to maximizing the inclusion of pro feminist men in the feminist movement the book convincingly demonstrates how and why feminist goals cannot be realized until men and women come together to eliminate the shared harm of patriarchal realities Contributors include R W Connell Riane Eisler Kay Leigh Hagan bell hooks Christine A James Robert Jensen Michael S Kimmel Gary Lemons Michael Messner Matthew Shepherd and John Stoltenberg **The Smartphone as a Product of the Cognitive Niche** Dorothea Cosima Adler, 2024-10-02 This book explores sex differences in Mobile Instant Messaging through an evolutionary psychological lens with a particular focus on the use and perception of text and voice messages in same sex friendships Not only are these differences examined from an evolutionary standpoint but also smartphones are considered as a product of evolution By further integrating media psychological theories Dorothea C Adler provides an innovative perspective on sex differences in voice and text message use and perception within same sex friendships A total of five studies address these aspects both from the sender s as well as receiver s perspective Altogether this work not only presents an evolutionary theoretical foundation for understanding sex differences in Mobile Instant Messenger communication among same sex friends but also offers an innovative approach for further evolutionary media psychological research Queer Company Nick Rumens, 2016-04-15 Drawn from in depth qualitative research *Queer Company* provides the first extended academic analysis of gay men s workplace friendships offering theoretical and empirical insights into a subject that is timely and important Although theoretically framed in poststructuralism and the sociology of friendship this book also draws on feminism organisation studies gender and sexuality studies to explore the diverse roles and meanings of gay men s workplace

friendships Shedding light on the significance of workplace friendship for those who participate in them particularly in terms of how these workplace relationships can help gay men to construct meaningful identities and selves Queer Company examines the manner in which gay men s workplace friendships are established developed and organised whilst considering the effects of organisational contexts upon friendship processes A detailed investigation of the links between friendship sexuality gender and intimacy in the workplace this book will appeal to scholars of management studies as well as sociologists with interests in gender and sexuality the sociology of organisations and cultural studies
