William Allison Kepner,1925 **Into the Bear Pit** Craig Whyte,Douglas Wight,2020-02-14 From being the most dominant club in Scottish football history Rangers F C one of the most famous and powerful names in British sport was sold to venture capitalist Craig Whyte in 2011 for 1 When Whyte walked through the gates at Ibrox the club was mired in debt and plagued with a toxic culture which seeped everywhere from the corridors of power to a sectarian hard core in the stands The great Whyte hope was touted for a time as Rangers saviour but he was soon hung out to dry as the fall guy for Rangers misery as the unthinkable happened The club was plunged into liquidation and the reformed club suffered the indignity of demotion to the third division the lowest echelon of Scottish professional football The demise of Rangers saw Whyte s reputation eviscerated on the pages of every newspaper in the country his name vilified on radio shows TV programmes and blogs as every aspect of his professional and personal life was picked over In 2012 he was arrested and accused of fraud He was put on trial where he faced the full might and resources of the government for his role in the downfall of the club Although he was ultimately acquitted of all charges he had to endure years of false accusations from some media outlets and multiple death threats from obsessed fans Full of startling revelations this is the previously untold story of greed corruption and scandal at the heart of Rangers F C told definitively by the man who was at the very centre of the storm **Climate Change on Mountains** Olivier Dangles,2023-10-28 The world is warming up rapidly and this change is most noticeable in mountains

with already observable consequences on flora and fauna This book presents concepts methodologies and major achievements of recent research in climate change ecology in mountains by placing this research in a historical perspective that of travelers and naturalists of the Romantic era and first of all Alexander von Humboldt There is now a renewed interest both in academia and beyond in Humboldt his writings and his view of nature But how can we actually make use of his writings How can we put his philosophy into practice How can we still learn from past scientific figures and do a better science today In this book the author presents how it is possible to succeed in modern science by returning to sources by renewing the tradition of past polymaths such as Humboldt and by having a fully humanistic approach in science He illustrates his point based on his 15 year experience in the study of the ecological effects of climate change in the tropical Andes showing how he has incorporated approaches from other disciplines from different branches of science from history and the arts to achieve a more comprehensive view of his scientific field Alongside hard data discoveries by past naturalists build our understanding of the world but appealing to our emotions makes us want to understand it In the author's view this is a productive and enjoyable way of doing science that speaks to our humanity and also increases our knowledge about nature This academic cross over book appeals to a broad audience of students scientists or supported by attractive illustrations to anyone interested in the adventure or making of science but not necessarily with a scientific background

Whirlwind Bill Kurtis, 2025-09-16 From his beginnings as a kid from Kansas working at local radio and television stations to pay for college and law school Bill Kurtis had a hunger for telling stories and finding the truth With passion skill and just the right amount of luck Kurtis's reporting of the infamous Topeka Tornado of 1966 launched him into a whirlwind career in broadcast journalism Only four years later after passing the Kansas bar exam Kurtis had already reported four of the largest trials of the twentieth century Richard Speck the Chicago Seven Charles Manson and Angela Davis During his career as a West Coast correspondent for Cronkite's CBS Evening News anchorman and foreign correspondent at the revolutionary local newsroom at WBBM TV Chicago co anchor with Diane Sawyer at CBS Morning News and beyond Kurtis brought history to the American people in real time Recounting moments in his remarkable career as a television journalist Kurtis brings us into some of the most iconic moments of the 60s 70s and 80s He was in the streets during the riots at the 1968 Democratic National Convention in Chicago he uncovered the truth about the deadly effects of Agent Orange during the Vietnam War he was the first US television journalist to return to Chernobyl after the infamous nuclear disaster and much more Kurtis also offers an insider look at how television evolved from an emerging news source to the dominating force in American media A natural storyteller Kurtis remembers his career with honesty and insight and gives a rare picture of American history and broadcast journalism

Homeless Heritage Rachael Kiddey, 2017 *Homeless Heritage* describes the process of using archaeological methodologies to collaboratively document how contemporary homeless people use and experience the city Drawing on fieldwork undertaken in Bristol and York the book first describes the way in which archaeological methods and

theory have come to be usefully applied to the contemporary world before exploring the historical development of the concept of homelessness Working with homeless people the author undertook surveys and two excavations of contemporary homeless sites and the team co curated two public heritage exhibitions with surprising results Complementing a growing body of literature that details how collaborative and participatory heritage projects can give voice to marginalised groups Homeless Heritage details what it means to be homeless in twenty *St. Nicholas* Mary Mapes Dodge,1915 **All for Love; or, Her Heart's Sacrifice** Alex. McVeigh Mrs. Miller,2022-08-21 In *All for Love or Her Heart's Sacrifice* Alex McVeigh Mrs Miller delves into the tumultuous landscape of love sacrifice and societal expectations in the late 19th century This poignant novel unfolds through the emotional struggles of its heroine who grapples with the demands of romantic devotion against the backdrop of prevailing gender norms Miller's prose is characterized by its lyrical quality and vivid descriptions situating the narrative within the burgeoning feminist literary movements of its time while exploring themes of agency morality and the complexities of human emotion Alex McVeigh Mrs Miller was an influential figure of her era known for her involvement in the literary circles that sought to elevate women's voices and experiences Born in the mid 19th century her own life was woven through issues of social reform and gender equality elements that permeate her works Her experiences as a wife and mother alongside her keen observation of societal constraints on women likely inspired her to craft this narrative which serves both as a reflection and critique of her contemporary society *All for Love* is highly recommended for readers who appreciate historical fiction imbued with emotional depth and social commentary Miller's adept handling of complex characters and relatable dilemmas invites readers to reflect on the timeless nature of love and sacrifice making this novel a compelling read for those interested in both narrative and historical contexts **Annual Register** Edmund Burke,1862 *The Annual Register, Or, A View of the History and Politics of the Year ...* ,1862 Continuation of the reference work that originated with Robert Dodsley written and published each year which records and analyzes the year's major events developments and trends in Great Britain and throughout the world After 1815 the usual form became a number of chapters on Great Britain paying particular attention to the proceedings of Parliament followed by chapters covering other countries in turn no longer limited to Europe The expansion of the History came at the expense of the sketches reviews and other essays so that the nineteenth century publication ceased to have the miscellaneous character of its eighteenth century forebear although poems continued to be included until 1862 and a small number of official papers and other important texts continue to be reproduced *The Annual Register, Or, A View of the History, Politics, and Literature for the Year ...* ,1862 **The Annual Register** ,1862 **Curiosities of Elmira** Kelli L.
