## **Lithium Poems:**

**Odes to Lithium** Shira Erlichman, 2019-09-01 Captivating poems and visual art seek to bring comfort and solidarity to anyone living with Bipolar Disorder In this remarkable debut Shira Erlichman pens a love letter to Lithium her medication for Bipolar Disorder With inventiveness compassion and humor she thrusts us into a world of unconventional praise From an unexpected encounter with her grandmother's ghost to a bubble bath with Bjrk to her plumber's confession that he too has Bipolar Erlichman buoyantly topples stigma against the mentally ill These are necessary odes to self acceptance resilience and the jagged path toward healing With startling language and accompanied by her bold drawings and collages she gives us a sparkling original view into what makes us human *Bipolar Poems Before & After Lithium* Gene Olson, 2016-01-21 Fifty years have passed since Gene Olson spent many a lonely night on fire and security watch at the Guam Naval Transient Barracks With long hours no books or magazines and only a lizard as company he picked up a pen and paper and began writing poetry Though once dead these pages have been resurrected in his new book *Bipolar Poems Before and After Lithium* is a fascinating poetry collection that spans half a century Some of the poems were written during Olson's time in the military before he was diagnosed with bipolar disorder and treated with lithium offering an interesting contrast with his work of later years These poems are raw courageous compelling and entertaining shedding some much needed light on the shadows of mental illness I was trying to catch my ship The USS Tioga County LST 1158 last seen somewhere in Vietnam waters No one knew her exact whereabouts In Guam I was assigned at the Naval Transient Barracks as an all night Fire and Security Watch Once an hour I would walk through the barracks and then call a report to the OD Officer of the Day I would also collect orders from late sailors and assigned sleeping quarters etc All through the night I had only one companion A lizard was hiding behind a large oval clock When a fly came near he would slowly crawl out His tongue was swift the fly had no chance With many hours no book no magazines I picked up a pen and paper and started writing poetry It was poetry only for myself I never showed it to anyone I never dreamed someday it would be published Fifty years have passed since my poetry attempts started on the Guam Naval Transient Barracks *BIPOLAR POEMS BEFORE AND AFTER LITHIUM* was partly gathered over this time period Though once dead the pages have been resurrected I sometimes wonder if these poems are worthy of print at all Or if I'm just being a Proud Peacock Time will tell *Lithium* Varnika Goel, 2021-01-12 This poetry collection cuts through the themes of loss love grief and recovery The first collection of Varnika Goel is a confession how mental illness and grief can conquer every part of you and how it affects the daily life These poems are a souvenir of hope and memento of survival But most of all these are a small remembrance of an unforgettable trauma which is enfolded in each line of the poetry with each poem She writes in a vulnerable tone in the ending of one of her poems Someone please save me I wish I could write this sentence and call it poetry For her artistic expression maps a way of survival Amongst everything there is an underlying tone of hope which peeps between the lines **Poem for the End of Time and Other Poems** Noelle

Kocot,2006-04-01 A brutal and apocalyptic New York epic in the beat tradition      *The Lithium Codex* Oz

Hardwick,2019-07-04 Everything sings in these pages from birds to buildings who remember the children who once lived there The work is a soundtrack of ghosts a world of recovery where the dead sit on deckchairs and the living compare themselves to chalk outlines on the pavement Powerful startling and utterly original these prose poems have a pulse

Hardwick is a master of the form Angela Readman Poems in *The Lithium Codex* shape pages of a book of melancholy gently fabricated soft prose blocks of longings and losings lyric attempts doomed to fail but as failure always also positively self contained to home in on and perhaps also to shrink from or simply to understand the painful distance or chasm agape between self and world I and other psyche and language through beautiful thoughtful fragile phenomenological laments

Memoryscapes mindscapes drifting to ing and fro ing in private and public time without a real desire for origo or destination or even authorship and or companionship always torn by tension of phobia and philia processing the process of being remembering writing itself gnes Leh czky While each poem of *The Lithium Codex* gives the impression of being improvised what impresses is how skilfully the effects are realised It is not just the inventiveness of the writing but its precision These prose poems have the authority of a classic David Mark Williams      *On the Outskirts of Form* Michael Davidson,2012-01-01

This new book by eminent scholar Michael Davidson gathers his essays concerning formally innovative poetry from modernists such as Mina Loy George Oppen and Wallace Stevens to current practitioners such as Cristina Rivera Garza Heriberto Y pez Lisa Robertson and Mark Nowak The book considers poems that challenge traditional poetic forms and in doing so trouble normative boundaries of sexuality subjectivity gender and citizenship At the heart of each essay is a concern with the politics of form the ways that poetry has been enlisted in the constitution and critique of community Davidson speculates on the importance of developing cultural poetics as an antidote to the personalist and expressivist treatment of postwar poetry A comprehensive and versatile collection *On the Outskirts of Form* places modern and contemporary poetics in a cultural context to reconsider the role of cultural studies and globalization in poetry      **A Day Like Any Other** Nathan Kernan,2025-08-05

The long awaited biography of the mercurial troubled brilliant poet James Schuyler the Pulitzer Prize winner who helped shape the New York School of poetry in the 1960s Nathan Kernan s *A Day Like Any Other* The Life of James Schuyler is the definitive biography of the great American poet who along with Frank O Hara Barbara Guest John Ashbery and Kenneth Koch was an original member of the so called New York School of poetry Opening with Schuyler s legendary first public reading in 1988 Kernan goes back to trace the tumultuous arc of the poet s life and work Born in Chicago in 1923 James Schuyler grew up in Washington DC and upstate New York before moving to New York City in 1944 where he fell into the social orbit of the poet W H Auden After two years in Italy he returned to New York in 1949 and began to publish his first poems There he met fellow poets O Hara Ashbery Guest and Koch For many years he lived outside the city in Southampton Long Island in a close relationship with the painter Fairfield Porter and his family and spent his summers in

Maine Schuyler's subsequent years in New York City were marked by poverty and mental illness yet it was during this time that he wrote some of his greatest poems. After his move to the Chelsea Hotel in 1979 the poet's circumstances began to turn around and when he died much too soon at sixty seven his life was stable and fulfilled. In praise of Schuyler's poetry John Ashbery wrote "To reread him is to live as though life were an experience one had just forgotten and been newly awakened to." Schuyler's work embodies the quiet beauties of the natural world and the mundane stuff of everyday existence even as his own life was often messy and troubled. A Day Like Any Other Kernan's absorbing biographical study explores this and other paradoxes of Schuyler's singular life within the vibrant milieu of mid century New York's poets and painters.

**The Poetry of Lithium** Walter the Educator, 2023-11-07      [Brilliant Madness](#) Patty Duke, 1997-02-04 In her revealing bestseller *Call Me Anna* Patty Duke shared her long kept secret the talented Oscar winning actress who won our hearts on *The Patty Duke Show* was suffering from a serious but treatable mental illness called manic depression. For nearly twenty years until she was correctly diagnosed at age thirty five she careened between periods of extreme euphoria and debilitating depression prone to delusions and panic attacks temper tantrums spending sprees and suicide attempts. Now in *A Brilliant Madness* Patty Duke joins with medical reporter Gloria Hochman to shed light on this powerful paradoxical and destructive illness. From what it's like to live with manic depressive disorder to the latest findings on its most effective treatments this compassionate and eloquent book provides profound insight into the challenge of mental illness. And though Patty's story which ends in a newfound happiness with her cherished family it offers hope for all those who suffer from mood disorders and for the family friends and physicians who love and care for them.

**Witch's Island and Other Poems** Peter Hargitai, 2013-02-07 PETER HARGITAI's work both in scope and in style remains well outside the pale of current poetic fashion including the McPoems of MFA mills and the lip tongue ear literature of hip-hop. Influenced by the great Hungarian poet Attila Jzsefs obsession with the eternal mother as a metaphor for all human longing Hargitai probes the nature of spiritual exile on terms that are neither Freudian nor Jungian American or Hungarian but on terms that are uniquely personal and movingly human. Praise for Peter Hargitai's *Mother Tongue* A Broken Hungarian Love Song If traditional confessional poetry now considered classical had its halcyon days in the work of Roethke Lowell and Plath it can be said to have reached a new ethnically charged peak in the work of Peter Hargitai. *Pembroke Magazine* Peter Hargitai is a remarkable versatile and humanely touching poet with a truly distinctive style and voice. These deeply probing intellectual poems exhibit an impressive range and vivacity of genres. Laurence Lieberman Poetry Editor University of Illinois Press      *100 Poems to Break Your Heart* Edward Hirsch, 2021 We are not so much diminished as enlarged by grief by our refusal to vanish or to let others vanish without leaving a verbal record. The poet is one who will not be reconciled who is determined to leave a trace in words to transform oceanic depths of feeling into the faithful nuances of art. Poetry companions us. Poems are written in solitude but they reach out to others which makes poetry a social act. It rises out of one solitude to meet another. Poems of terrible sadness and loss trouble and

challenge us but they also make us feel less alone and more connected Our own desolations become more recognizable to us more articulate something shared We become less isolated in our sorrow and thus are befriended by the words of another There is something ennobling in grief that is compacted expressed and transfigured into poetry Book jacket Lithium Dreams and Melancholy Sunrise Carrie Lowrance,2015-04-05 Lithium Dreams and Melancholy Sunrise is a book of poetry focusing on the various aspects of love and heartache These aspects include cheating disillusionment and unrequited love

*Queer Street: Rise and Fall of an American Culture, 1947-1985* James McCourt, 2005-01-17 A heroically imaginative account of gay metropolitan culture an elegy and an apologia for a generation New York Times Book Review A fierce critical intelligence animates every page of Queer Street Its sentences are dizzying divagations The postwar generation of queer New York has found a sophisticated bard singing the elders history The New York Times James McCourt s seminal Queer Street has proven unrivaled in its ability to capture the voices of a mad bygone era Beginning with the influx of liberated veterans into downtown New York and barreling through four decades of crisis and triumph up to the era of the floodtide of AIDS McCourt positions his own exhilarating experience against the whirlwind history of the era The result is a commanding and persuasive interlocking of personal intellectual and social history that will be read dissected and honored as the masterpiece it is for decades to come A Publishers Weekly Best Book of 2003 a Lambda Award finalist

*The Crystal Lithium* James Schuyler, 1972

*The Postmoderns* Donald Allen, George F. Butterick, 1982 This anthology includes many of the major poets to have emerged and gained pre eminence since World War II and whose writing reflects not only the significant changes in this nation s postwar history and the coming to grips with a nuclear age but also an entirely new way of looking at and structuring reality United by their postmodernist concerns with spontaneity instantism formal and syntactic flexibility and the revelation of both the creator and the process through the writing itself these 38 poets represent very diverse strains of an essential American individualism Included are many of the poets whose work first gained widespread national attention with the 1960 publication of *The New American Poetry* Charles Olson Allen Ginsberg Paul Blackburn LeRoi Jones Amiri Baraka Denise Levertov Robert Duncan and others Among the poets

included here for the first time are Anne Waldman Diane di Prima Ed Sanders Jerome Rothenberg and James Koller In addition to a new preface by Allen and Butterick the book provides autobiographical notes of all the poets and listings of their major works     *Lithium* Emma-Jane Arkady,2001 The lithium of the title a metallic element and also one of the drugs used in the treatment of manic depression reflects the rich mix of poems in this volume There are poems about loss love music family decay and trains part autobiographical part in her own words a poetic faction based on my life and experiences Arkady sees the whole collection almost as a symphonic poem the two broad yet detailed outer movements full of extremes in intensities contrasting with the still focus of the Anna poems at its centre Exhilarating funny hard hitting tender this is powerful and memorable stuff In Arkady we have a new voice that demands to be heard
