Something Red Jennifer Gilmore,2010-03-30 When Jennifer Gilmore s first novel Golden Country was published The New York Times Book Review called it an ingeniously plotted family yarn and praised her as an author who enlivens the myth of the American Dream Gilmore s particular gift for distilling history into a hugely satisfying multigenerational family story is taken to new levels in her second novel In Washington D C life inside the Goldstein home is

as tumultuous as the shifting landscape of the times It is 1979 and Benjamin is heading off to college and sixteen year old Vanessa is in the throes of a rocky adolescence Sharon a caterer for the Washington elite ventures into a cultlike organization And Dennis whose government job often takes him to Moscow tries to live up to his father's legacy as a union organizer and community leader The rise of communism and the execution of the Rosenbergs is history The Cold War is waning the soldiers who fought in Vietnam have all come home and Carter is president The age of protest has come and gone and yet each of the Goldsteins is forced to confront the changes the new decade will bring and explore what it really means to be a radical Something Red is at once a poignant story of husbands and wives parents and children activists and spies and a masterfully built novel that unfurls with suspense and humor **The Triumph of the Nut** Christopher Ward,1923
