list He arrived in Vichy controlled Marseille on Aug 15 1940 with 3 000 taped to his leg and a charge from the organization he worked for the Emergency Rescue Committee to help save some 200 endangered refugees mainly artists writers and intellectuals from the Nazis He expected to stay a month but quickly realized that the job was much larger and more complicated than he or his sponsors had imagined He stayed for 13 months until he was thrown out of the country and assisted approximately 2 000 people among them an all star lineup that included Hannah Arendt Marc Chagall Max Ernst Andr Breton Arthur Koestler Alma Mahler Werfel and Max Ophuls A Hero of Our Own helps rescue Fry from obscurity And with its stories of desperate exiles menacing Nazis forged documents and midnight escapes through the mountains it reads at times like the script for some old Hollywood movie Think Warner Brothers in the 1940 s Think Casablanca even down to the transit visas for Portugal All that s missing is Peter Lorre Throughout his months in France no issue haunted Fry more than the question of selection Human needs seemed limitless resources were not He could not help everyone Word quickly spread through the refugee community that an American had arrived who could offer hope and within weeks Fry was receiving 25 letters a day a dozen telephone calls an hour He and his staff conducted between 100 and 120 interviews each day Altogether around 15 000 refugees about half the total number residing in Vichy France got in touch with Fry and in effect it was up to him to determine who among them would live and who would die Impossible choices spies and counterspies the ominous knock on the door it was all heady stuff and after Fry was forced to return to the United States in late 1941 he like so many who peak early went into decline Nothing could ever match his glory days in France The experiences of 10 15 and even 20 years have been pressed into one he wrote Sometimes I feel as if I had lived my whole life Fry drifted from job to job from journalism to magazine editing to film production to corporate writing to high school and college teaching Barry Gewen The New York Times The story of Varian Fry is important on many levels historical and personal Skillfully evoking a crucial moment in recent history Sheila Isenberg tells the compelling and dramatic story of how an ordinary person thrust into a situation of extreme danger did extraordinary things for one year in wartime France then drifted almost lost through the rest of his own life It is also a story of institutionalized bureaucratic stupidity that must never be forgotten so that it is never repeated Richard Holbrooke U S diplomat The only American to be honored at Yad Vashem Israel s Holocaust Memorial Fry saved the lives of thousands of refugees from the Nazis Isenberg delivers a moving workmanlike account of Fry s heroics She ably renders prewar and war time public ignorance and apathy in America and the extraordinary heroism of the sole volunteer for a dangerous rescue mission Publishers Weekly see also this Publishers Weekly interview with Sheila Isenberg One of the BEST BOOKS of 2001 Fry comes across as a genuine saint this little book is a life of a saint equal to any medieval tome St Louis Post Dispatch A Hero of Our Own is significant for its implicit investigation into the combination of heroism pure goodness and personal need that made Fry undertake the rescue of strangers at considerable personal risk and with no promise of reward It also provides an unpleasant reminder that nations and their bureaucrats have both private concerns and

a tremendous tropism toward indifference David Margolis The Jerusalem Report Using Fry s own words and the testimony of refugees and compatriots Isenberg skillfully evokes the tense atmosphere of wartime Marseille where a hoard of desperate refugees found precarious asylum She describes the extreme measures Fry took to save as many endangered souls as he could far more than the 200 intellectuals scientists writers and artists he had been sent to aid gathering others to help him arrange escapes from internment camps forge documents bribe officials and spirit refugees across the border into Spain Skirting danger and side stepping the law Fry and his group ultimately provided financial or travel assistance to approximately 4 000 refugees and enabled almost half of them to escape all on limited resources and with little or no assistance from the United States consulate in Marseille United States Holocaust Memorial Museum Featured Book This highly readable biography tells the exciting escape stories of the underground railroad Fry organized to lead refugees from southern France across the Pyrenees to freedom Isenberg sets the rescue stories against the background of American isolationism and anti Semitism at the time documenting her dramatic narrative with more than 70 pages of fascinating notes including references to letters interviews personal papers and government reports The drama here is in the thrill of rescue the realistic portrait of a complex leader and the decidedly nonheroic truths about WWII at home Hazel Rochman Booklist Now that America has been shocked into a new appreciation of heroism the story of the late Varian Fry is especially timely Sheila Isenberg devotes most of the book to the specifics of Fry s action packed months in Marseilles when he ferried numerous Jews Marc Chagall Max Ernst Andre Breton and Hannah Arendt to name a few out of occupied France Isenberg builds a convincing case against America s refugee policy and recognizes that the State Department s resistance to Fry s efforts was often a matter of plain old anti Semitism Jonathan Mahler Washington Post Sheila Isenberg has written a masterful biography of this most enigmatic man She pulls no punches in exhibiting his flaws but shows no restraint in praising his virtues Fry s life is truly unique and compelling and Isenberg tells it with considerable compassion The book is well worth the attention of anyone interested in reading about a most unlikely 20th century hero The Roanoke Times A Hero of Our Own comes at a time when we need to remind ourselves of the high price of sticking one s neck out for others Isenberg s work is a painstakingly documented book that presents human nature at its best and worst In this dark work she portrays Fry as a flawed but dedicated idealist The Free Lance Star Fredericksburg VA You ll want to read Sheila Isenberg s riveting biography of Varian Fry It is the flashback to Fry s early life that gave this reader the clearest insight not only into the man but into the times he lived in He was a man who chafed at the world a rebel against authority and a hero abroad He died in 1967 an ordinary person who had done extraordinary things just once in his life Taconic Times

Remembering the 40'S TRUMAN FIELDS,2009-09-12 Ive often heard it said that everybody has a story to tell and I know this is true but I have found also that we all have a yearning to tell our story Also we have numerous ways to do it through voice writing instruments and machines through photographic and digital images that we make or assemble and also through the pattern of our living and in the things that we create Truman Fields is a many faceted person and he has left plenty of evidence of his interesting story to supplement what he tells us in this book He has been a persistent student teacher and craftsman a successful businessman and an award winning tennis player a superb craftsman and a public servant He was born in the center of the Appalachian coal fields where he attended local schools until his father perceived that Truman had a desire to learn more than might be possible locally sent his reluctant son to Berea Foundation High School at the age of sixteen There in addition to the usual academic subjects he began probing the complexities of electronics metal and wood and of course basketball and tennis Without money he was a half day student meaning he took classes for half the day and worked in the rest of the day for his room and board Thus it would have taken him five years to complete high school so ever restless and inquisitive he decided at the age of twenty to join the Navy for four years The Navy sent him to electronic school before assigning him to a destroyer tender On this ship he saw a great deal of the world At age 24 he re entered the Foundation School for a semester to finish high school and then enrolled at Berea College There he majored in Industrial Arts and played tennis so well that he was a finalist in several tournaments In college he met Joyce Barnes from Tennessee and they were married After graduation Truman taught in Louisville and then moved to Cleveland Ohio where he and Joyce taught for 30 years There Truman also worked successfully part time as a real estate broker and he coached tennis at Baldwin Wallace College Joyce and Truman reared two daughters in Cleveland and their grandchildren who know little of life in the Appalachian Mountains became the main inspiration for this book When Joyce and Truman retired from teaching

their love of Berea College and the Berea community drew them back to Kentucky Here they have managed several rental properties and developed home building sights Truman was elected for several terms to Berea City Council taught students faculty and community people to make furniture in the Colleges woodworking shop and coached the college tennis team He also continued to follow the tennis circuits winning many gold metals in his age class Joyce has also been much involved in the arts and crafts scene for which Berea is famous She and Truman are active members of Union Church the mother church of Berea College They are also generous supporters of Berea College in the knowledge that the lives of other young people from the mountains will be enriched there as theirs have been In this book Joyce and Trumans grandchildren and others will learn much about the life Truman lived as a boy about the one room school he attended his classmates the games they played the spelling bees the sporting contests the victories and disappointments in his budding life his teachers and pastors vigorous efforts to teach right from wrong and his own family history Along the way from Big Creek to Berea to Louisville and Cleveland and back to Berea we learn Trumans story and the events that shaped him from the lad on the cover in Happy Jack overalls looking with sharp and expectant eyes to the disciplined tireless teacher public servant athlete auctioneer craftsman and student of all Kentucky things today Hes been a little modest however like most mountain people in telling his story So keep in mind all that he has done all his interests and involvements as he remembers and tells you about his life in the heart of Appalachia Loyal Jones Berea Kentucky
