Little Doc An Autobiography

Richard Brinsley B. Sheridan

Little Doc An Autobiography:

Memoir of Mary L. Ware, Wife of Henry Ware, Jr Edward Brooks Hall, 1854 *Life and Times of Charles Dickens: Autobiographical Novels, Stories, London Society Sketches, Travel Memoirs, Letters & Biographies (Illustrated)* Charles Dickens, 2022-06-12

In *Life and Times of Charles Dickens Autobiographical Novels Stories London Society Sketches Travel Memoirs Letters Biographies Illustrated* Charles Dickens offers an intricate tapestry of his life through a selection of autobiographical writings that span the breadth of his literary career. Richly illustrated, the volume combines narrative finesse with social critique, showcasing Dickens's masterful ability to blend personal experience with acute observations of London society during the Victorian era. This work serves not only as a memoir but also as a contextual lens into the societal dynamics and pressing issues of 19th-century England, illustrating how his personal hardships such as his troubled childhood profoundly informed his storytelling and character development. Dickens, born into a modest family in Portsmouth, faced the adversities of poverty and child labor in his youth, experiences that indelibly shaped his literary voice. His career as a writer was marked by an earnest desire to expose social injustices and advocate for reform, drawing from his own experiences in the gritty backstreets of London. This collection reveals the man behind the pen, reflecting his passion for storytelling as a vehicle for social change and empathy. This essential volume not only enriches the reader's understanding of Dickens's oeuvre but also provides insight into the man himself, making it perfect for scholars, fans, and newcomers alike. It stands as a testament to Dickens's enduring legacy, inviting readers to explore the intersections of life and literature in one of the greatest authors of the English language.

A Doctor's Memoir of the Romanian Holocaust Arthur Kessler, 2024

Based on detailed notes taken during a doctor's incarceration in the concentration camps and ghettos of Romanian-ruled Transnistria during the Holocaust, this memoir tells a gripping story of calculated murder, resistance, and survival. In the aftermath of the Romanian Holocaust, Transnistria, a little-known region north of Odessa between the Dniester and Bug rivers, came to be known as the forgotten cemetery. Between 1941 and 1944, an estimated 300,000 Jews were killed or died there from starvation and disease. This memoir by Dr. Arthur Kessler, based on daily notes he kept as a physician during his two-year imprisonment in Transnistria's Vapniarka concentration camp and Olgopol ghetto, provides a unique perspective of a Jewish medical doctor who witnessed murderous death as well as brave acts of resistance and survival. Introduced and annotated by historian Leo Spitzer and translated from German by the late Margaret Robinson, Dr. Kessler's memoir provides an engrossing account of his infamous discovery that Vapniarka's Romanian authorities routinely and it seems knowingly fed camp inmates a daily soup containing toxic chickling peas (*Lathyrus sativus*) that induced paralysis, kidney failure, and oftentimes death. It reveals the daring by which he, together with fellow inmate medical associates, saved hundreds of lives by organizing a hunger strike that resulted in the camp's dissolution and the prisoners' relocation to ghettos throughout Transnistria. Kessler's narrative continues with an account of privileges attainable by deportees with useful skills and provides illuminating details about informal systems.

and practices that enabled many to survive and to provide care to fellow victims of genocidal persecution The memoir is illustrated with moving drawings produced by prisoners in the Vapniarka concentration camp and presented to Dr Kessler in recognition of his brave work of healing

Sex, Drugs and Rock 'n' Roll - Memoir of a Police Doctor Wesley Boff,2022-11-30 I can claim to have enjoyed a satisfying and fulfilling medical career British General Practice was the jewel in the NHS crown and I was a Family Doctor during its heyday before the Government decided to take control and tell the doctors how to do their job demoralize the profession and seriously compromise patient care destroying the respect between patients and their doctors and turning a vocation into a chore I was fortunate that I began my career at the right time and got out at the right time My almost thirty years working with the local police force was hard work but once I d seen a few corpses and gained the respect of the local constabulary I enjoyed the work immensely even if I was so often denied a good night s sleep The case load varied from the gruesome to the amusing but looking back it was never boring Sex Drugs and Rock n Roll Memoir of a Police Doctor is an account of my experience as a Forensic Physician a facet of the rich tapestry of medical practice that Joe Public never realized existed
