Little Donkeys Day With Jesus:

Little Donkey's Day with Jesus Alice J. Davidson, 1997 This delightful little board book uses rhyming verse and colorful illustrations to tell the story of Jesus' triumphal entry into Jerusalem through the eyes of the little donkey he rode on. Includes full color illustrations throughout. **Theo The Triumphant Little Donkey** Jeffry Strahan, 2025-01-25 Theo The Triumphant Little Donkey is a story about the donkey and colt used by Jesus to ride into the city of Jerusalem during what is known in the Bible as the triumphal entrance of Christ. The placement and selection of these two animals by the Savior in the gate of the city as well as the directive by Jesus to His disciples to go and release them for His need is a display of God's sovereign work among His creation and His creatures. Theo is a smaller and weakened donkey that is belittled by the other animals until the Creator chooses him and heals his weakness for His own special purpose. Theo is a story about the wonderful way in which the Lord calls places and uses the weak and rejected of the world which is often seen by the secular world as unacceptable and unusable. Theo tells the story of how God chooses the least, the last, and the forgotten of the world for His very special and specific purpose and plan. Theo is a story meant to build faith and hope in a world that endeavors to destroy those two most important Christian values. **Growing in Awareness , Jesus of Nazareth** Charles Edwards Park, 1909 [The Donkey Companion](#) Sue Weaver, 2012-08-22 Strong, intelligent, dependable, friendly, and extremely versatile donkeys are the perfect farm companion. Whether you use your animal to pull carts, till fields, or protect livestock, you'll benefit from this practical and inspirational guide to working with and caring for your donkey. Providing expert advice on selecting the right breed for your needs, daily maintenance, training, and first aid, Sue Weaver also includes plenty of fun facts and charming donkey anecdotes. **Raise a happy and healthy donkey** *Saving Simon* Jon Katz, 2015-08-04 In this heartfelt, thoughtful, and inspiring memoir, New York Times bestselling author Jon Katz tells the story of his beloved rescue donkey, Simon, and the wondrous ways that animals make us wiser and kinder people. In the spring of 2011, Jon Katz received a phone call that would challenge every idea he ever had about mercy and compassion. An animal control officer had found a neglected donkey on a farm in upstate New York, and she hoped that Jon and his wife Maria would be willing to adopt him. Jon wasn't planning to add another animal to his home on Bedlam Farm; certainly not a very sick donkey. But the moment he saw the wrenching sight of Simon, he felt a powerful connection. Simon touched something very deep inside of him. Jon and Maria decided to take him in. Simon's recovery was far from easy. Weak and malnourished, he needed near-constant care, but Jon was determined to help him heal. As Simon's health improved, Jon would feed him by hand, read to him, take him on walks, even confide in him like an old and trusted friend. Then, miraculously, as if in reciprocation, Simon began to reveal to Jon the true meaning of compassion, the ways in which it can transform our lives and inspire us to take great risks. This radically different perspective on kindness and empathy led Jon to a troubled border collie from Ireland in need of a home, a blind pony who had lived outside in a pasture for fifteen years, and a new farm for him and Maria. In the great tradition of heroes from Don

Quixote to Shrek who faced the world in the company of their donkeys Jon came to understand compassion and mercy in a new light learning to open up not just to Simon not just to animals but to the human experience To love to risk to friendship With grace warmth and keen emotional insight Saving Simon plumbs the depths of the bonds we form with our animals and the rewards of living a more compassionate considered and meaningful life Praise for Saving Simon Heartwarming a touching tale USA Today Highly recommended an enjoyable and thoughtful work Library Journal starred review Saving Simon handles the emotional highs and lows of living with animals with empathy and thoughtfulness forcing readers to re examine their own meanings of compassion and mercy Kirkus Reviews The message of this true story will linger with the reader long after the book has been placed on the shelf Bookreporter *Meerkats, Warthogs, and Rhinos: Seventy Glorious Days on Safari* Joy Robbe, 2021-04-14 This is an exciting story about three African safaris The countries visited were South Africa Namibia Botswana Zimbabwe Lesotho and Eswatini It transports the reader to the beauty of the African country and its wildlife filling them with the joy of travel and the wonder of God s creations It is written in a daily journal and pictorial format that informs the reader about the places visited with some history of those places events that took place as well as detailed descriptions of the wildlife encountered along the way with a wide variety of color photographs The story begins with an informative introduction which provides the reader the necessary background information so one can feel connected by establishing a solid understanding of what the story is about It opens the reader s eyes to the wonders of God including Scripture verses effectively placed within the text JOURNEY WITH JESUS THROUGH THE MESSAGE OF MARK Kieran Beville, 2015-03-01 Journey with Jesus through the Message of Mark is an insightful and engaging survey of Mark s Gospel exploring each major section of the text along with key themes It is a work that can be enjoyed by laypersons as well as pastors and teachers Pastors will find the abundant use of illustrations to be helpful in preparing their own messages and as such it will find a welcome place in the preacher s library Simply powerfully with great precision and exegetical accuracy Kieran Beville masterfully brings us on a life transforming journey Readers will be both inspired and challenged as they hear the words of Jesus speaking afresh from the page of Scripture and experience the ministry of Jesus in a spiritually captivating way The author has a pastor s heart a theologian s mind and a writer s gift His style is gripping as he beautifully explains and illustrates Mark s Gospel Kieran Beville has done a great service to the church and especially to true believers who desire to grow in grace increase in their knowledge of truth and experience the intimacy joy and undeserved and unspeakable privilege of walking as disciples with Jesus This book is ideal as a study companion for Mark s Gospel One can read a section from the gospel and then read the corresponding section to receive a fresh viewpoint and a practical application The author often helpfully refers to background and historical information from the Ancient Middle East that would not otherwise be easily understood by modern western readers Many times there will be cross references to other passages of Scripture thereby connecting Mark s writing with other important passages from the Bible Other times the author provides insights
