Little Me:

Big Deal Kevin Winkler, 2018-02-08 Bob Fosse 1927 1987 is recognized as one of the most significant figures in post World War II American musical theater With his first Broadway musical *The Pajama Game* in 1954 the Fosse style was already fully developed with its trademark hunched shoulders turned in stance and stuttering staccato jazz movements Fosse moved decisively into the role of director with *Redhead* in 1959 and was a key figure in the rise of the director choreographer in the Broadway musical He also became the only star director of musicals of his era a group that included Jerome Robbins Gower Champion Michael Kidd and Harold Prince to equal his Broadway success in films Following his unprecedented triple crown of show business awards in 1973 an Oscar for *Cabaret* Emmy for *Liza with a Z* and Tony for *Pippin* Fosse assumed complete control of virtually every element of his projects But when at last he had achieved complete autonomy his final efforts the film *Star 80* and the musical *Big Deal* written and directed by Fosse were rejected by audiences and critics A fascinating look at the evolution of Fosse as choreographer and director *Big Deal* Bob Fosse and Dance in the American Musical considers Fosse's career in the context of changes in the Broadway musical theater over four decades It traces his early dance years and the importance of mentors George Abbott and Jerome Robbins on his work It examines how each of the important women in his adult life all dancers impacted his career and influenced his dance aesthetic Finally the book investigates how his evolution as both artist and individual mirrored the social and political climate of his era and allowed him to comfortably ride a wave of cultural changes
