Zeltserman,2010-08-26 A cursed teenager must contend with the flames of adolescence and rescue kids from the flames of hell in this humorous tale of terror My name s Henry Dudlow I m fifteen and a half And I m cursed Or damned Take your pick The reason I see demons So begins the latest novel by horror master Dave Zeltserman The setting is quiet Newton Massachussetts where nothing ever happens Nothing that is until two months after Henry Dudlow s thirteenth birthday when his neighbor Mr Hanley suddenly starts to look different While everyone else sees a balding man with a beer belly Henry suddenly sees a nasty bilious rage filled demon Once Henry catches onto the real Mr Hanley he starts to see demons all

around him and his boring adolescent life is transformed There s no more time for friends or sports or the lovely Sally Freeman instead Henry must work his way through ancient texts and hunt down the demons before they steal any more innocent children And if hunting demons is hard at any age it s borderline impossible when your parents are on your case and your grades are getting worse and you can t tell anyone about your chosen mission A very scary novel written with verve and flashes of great humor The Boy Who Killed Demons is Dave Zeltserman s most accomplished and entertaining horror novel yet Praise for The Boy Who Killed Demons Like Stephen King Dave Zeltserman makes the incredible come alive Bookreporter com Amusing Zeltserman manages the voice of a teenager deftly and the adolescent angst rings true The demons are almost background to a tale about growing up Zeltserman has written an entertaining novel but not one that will keep you from turning off the lights Kirkus Reviews
