Funny Thing:

A Funny Thing Happened B. E. White, Jr., 2014-08-29 The humorous stories that Dr White tells about in this book are all about people in and out of the church and the ups and downs of life in the parsonage Funny things can happen at church and the behavior of some religious people can make you laugh and laugh Behind the humor in this book is often a spiritual truth But this is more than a religious book It is about changing times in North Carolina for three quarters of a century Dr White keeps telling about things he has learned during this time or maybe he is subtly teaching his readers to learn with him what religion is really all about The people in the stories may seem like someone you know in your own church or family The comical stories will entertain you while you ponder their meaning The more serious ones may touch you deeply ***A Funny Thing Happened on the Way to the New Yorker** Roy Delgado, 2007-12-03 **Many More Funny Things** B. E. White, Jr., 2014-08-29 After his first book Dr White thought that he had exhausted his memory of funny things in his life and ministry but with the passing of time he has remembered many more funny things He has written them down to make us laugh out loud and silently reflect on what they have to say Brightie White tells amusing and interesting story after story about people in and out of the church You may have a hard time believing that some of the stories are true but if you can't believe a preacher whom can you believe Most of the stories are humorous but some of them are unusual All are about real people and the way religion makes them act Lessons can be learned from their antics and how things used to be and sometimes still are during the years of the author's life **The Funny Thing** Wanda Gág, 1929 The Funny Thing is an animal who eats nothing but dolls until the good little man of the mountains gets him to taste the jum jills It's a Funny Thing, Humour British Psychological Society, Welsh Branch, 1977 **Now That's Funny!** Peter Desberg, Jeffrey Davis, 2017-06-07 There is a feeling of pure delight that comes from laughing out loud while watching a hilarious movie or a TV show Yet as funny as these lines may be they are the work of people you will never see The magic behind any comedy hit begins when an idea is hatched in the mind of a comedy writer and is then put down on paper And while few of us are privy to this fascinating process for writers Peter Desberg and Jeffrey Davis the challenge of observing and understanding how comedy is born has culminated in a unique new book Now That's Funny Desberg and Davis provide an intimate look into the minds of twenty four of Hollywood's funniest comedy writers who have given us such shows as Saturday Night Live Monk Everybody Loves Raymond The Simpsons Frasier Maude Home Improvement Valerie Modern Family Cheers There's Something about Mary The Honeymooners Suddenly Susan Newhart Sabrina the Teenage Witch Archie Bunker's Place The Tracey Ullman Show Wings Who's The Boss and more How do you get to see the creative wheels turn The authors premise was simple Using a Q and A format they provided each writer with a story idea and let them run with it Each of the writers was told there were no rules no boundaries and no limits Because everyone started with the same concept the authors could see how some writers jumped in and began creating while others asked lots of questions how some writers stuck closely to the premise while others turned

it on its head What emerges is an entertaining look illuminating and hilarious in turn at the creative process behind hit TV shows and movies If you re one of the millions who have enjoyed watching the work of comedy writers here is an opportunity to go behind the scenes and see the madness unfold Now that s funny **Some of the Funniest Things Happen in the Most Unlikely and Unexpected Places** Glenn Martin,2005-03 This collection of stories was written for only one purpose to make you laugh These stories are not aimed at your mind but at your funny bone They are not supposed to make you smarter or wiser but might keep you from taking yourself and life too seriously When enjoying these stories you may venture into restaurants or churches attend weddings or funerals and spend some time in the Army And you may meet people who did not intend to be funny but did funny things These stories should put a smile on your face and a chuckle in your voice And if you laugh out loud that would be okay too Laughter is not only good for your health but it also does wonders for your spirit and your soul **Flashbang** Mark Steele,2005-07 Written in the memoir style of comedic and sometimes poignant life stories this book includes true accounts of the author suffering 40 days of facial paralysis soiling himself while performing at the Inauguration of President George W Bush receiving treatments of shock therapy from a first timer and giving blood in a Mexican hospital for the purpose of saving a woman s life **Surrounded by Love** Meva J. Scarff,2014-12-04 For author Meva J Scarff love groomed her from childhood and it has always been a big part of her life With a large extended family she experienced it from all directions In *Surrounded by Love* Scarff shares her life story and provides insight and background into the family that enveloped her warmly This memoir narrates the key elements of Scarff s life beginning with her birth in January of 1936 to her parents Glenn and Frances Johnson She tells of carefree days growing up as the oldest of four children and of her marriage raising her own children and graduating from college in 1970 Scarff discusses her passion for teaching an enjoyable career that spanned thirty years in West Virginia With her personal works of poetry included *Surrounded by Love* offers insight into Scarff s life and all of the wonderful years that were filled with fun and laughter **A Funny Thing Happened on my way Through the Bible** James L. Larson,2015-09-09 In this collection of nearly four thousand Bible verses author James Larson highlights the humor and sometimes tragedy of Scripture through his original and eye opening interpretation Respectfully presented with unique commentary and thought provoking questions this compilation will be sure to pique interest inspire deeper contemplation and launch the curious reader on a journey of reading and reflecting upon God s Word every day *The Un-Americans* Joseph Litvak,2009-11-25 Cultural study of Cold War film and theater that considers how Jewish assimilation into American culture during the blacklist period was characterized by a demand to be a stoolpigeon or to become an informer *Betrayal* Harold Pinter,1979 Two years after their affair has ended Emma and Jerry her husband s best friend meet and reflect on their illicit relationship LIFE ,1966-11-11 *LIFE* Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people

and events They have free access to share print and post images for personal use **We Killed** Yael Kohen,2012-10-16 No matter how many times female comedians buck the conventional wisdom people continue to ask Are women funny The question has been nagging at women off and on mostly on for the past sixty years It s incendiary much discussed and as proven in Yael Kohen s fascinating oral history totally wrongheaded In **We Killed** Kohen pieces together the revolution that happened to and by women in American comedy gathering the country s most prominent comediennes and the writers producers nightclub owners and colleagues who revolved around them She starts in the 1950s when comic success meant ridiculing and desexualizing yourself when Joan Rivers and Phyllis Diller emerged as America s favorite frustrated ladies when the joke was always on them Kohen brings us into the sixties and seventies when the appearance of smart edgy comedians Elaine May Lily Tomlin and the women s movement brought a new wave of radicals the women of SNL tough ass stand ups and a more independent breed on TV Mary Tyler Moore and her sisters There were battles to fight and preconceptions to shake before we could arrive in a world in which women like Chelsea Handler Sarah Silverman and Tina Fey can be smart attractive sexually confident and most of all flat out funny As the more than 150 people interviewed for this riveting oral history make clear women have always been funny It s just that every success has been called an exception and every failure an example of the rule And as each generation of women has developed its own style of comedy the coups of the previous era are washed away and a new set of challenges arises But the result is the same They kill A chorus of creative voices and hilarious storytelling **We Killed** is essential cultural and social history and as it should be great entertainment
