**Invest Your Future** Paul Mallard, 2022-07-21 Making big decisions can be desperately difficult. Often we end up paralysed with indecision, afraid that making the wrong choice, whether it's going to the wrong university, applying for the wrong job, or moving to the wrong place, will ruin our lives. So how do we make good decisions? When does the Bible guide us, and when should we just use our common sense or talk things through with friends and family? Using his huge experience and pastoral heart, Paul Mallard comes right alongside us in *Invest Your Future* to help us practice spiritual discernment. He shows us where to find wisdom and how it works in God's economy. He helps us find the balance in what is for many of us a constant challenge. He teaches us how to understand God's purpose so we can see what are the truly important factors in making our decisions. You don't have to spend your life in indecision, confusion, guilt, or regret. Drawing on examples from Scripture as well as from life, *Invest Your Future* shows how you can cultivate spiritual discernment in order to grow in maturity and wisdom and know where to turn for guidance when making decisions. If you have ever questioned how to make good decisions or find yourself worrying and second-guessing your choices, this is the book for you. Compassionate and grounded, *Invest Your Future* will leave you more confident in your own and in God's wisdom so that you can make sure-footed, stress-free choices in the future.

**The Time Cure** Philip Zimbardo, Richard Sword, Rosemary Sword, 2012-10-23 In his landmark book *The Time Paradox*, internationally known psychologist Philip Zimbardo showed that we can transform the way we think about our past, present, and future to attain greater success in work and in life. Now in *The Time Cure*, Zimbardo has teamed with clinicians Richard and Rosemary Sword to reveal a groundbreaking approach that helps those living with post-traumatic stress disorder (PTSD) to shift their time perspectives and move beyond the traumatic past toward a more positive future. Time Perspective Therapy switches the focus from past to present, from negative to positive, clearing the pathway for the best yet to come: the future. It helps PTSD sufferers pull their feet out of the quicksand of past traumas and step firmly on the solid ground of the present, allowing them

to take a step forward into a brighter future Rather than viewing PTSD as a mental illness the authors see it as a mental injury a normal reaction to traumatic events and offer those suffering from PTSD the healing balm of hope The Time Cure lays out the step by step process of Time Perspective Therapy which has proven effective for a wide range of individuals from veterans to survivors of abuse accidents assault and neglect Rooted in psychological research the book also includes a wealth of vivid and inspiring stories from real life PTSD sufferers effective for individuals seeking self help their loved ones therapists and counselors or anyone who wants to move forward to a brighter future **Sacred Places C.J.**
