Guide To Platos Republic:

The Blackwell Guide to Plato's Republic Gerasimos Santas, 2008-04-15 The Blackwell Guide to Plato's Republic consists of thirteen new essays written by both established scholars and younger researchers with the specific aim of helping readers to understand Plato's masterwork This guide to Plato's Republic is designed to help readers understand this foundational work of the Western canon Sheds new light on many central features and themes of the Republic Covers the literary and philosophical style of the Republic Plato's theories of justice and knowledge his educational theories and his treatment of the divine Will be of interest to readers who are new to the Republic and those who already have some familiarity with the book

Plato's "Republic": a Beginner's Guide John Herbert Jacques, 1971 **Plato's Republic** D.J. Sheppard, 2009-03-07 Everything you need to know about Plato's Republic in one volume A Guide to Plato's Republic Daryl H. Rice, 1998 A Guide to Plato's Republic provides an integral interpretation of the Republic which is accessible even to readers approaching Plato's masterwork for the first time Written at a level understandable to undergraduates it is ideal for students and other readers who have little or no background in philosophy or political theory Rice anticipates their inevitable reactions to the Republic and treats them seriously opening the way to an appreciation of the complexities of the text without oversimplifying it While many books on the Republic never stray far from explicating Plato's text this work contrasts Plato's responses to perennial issues in philosophy and political theory with those of several key subsequent thinkers It uses engaging examples to show the continuing relevance of Plato's arguments and introduces some basic vocabulary of philosophy and political theory going beyond terse dictionary definitions by illustrating what technical terms mean in the context of Plato's work The author's interpretative posture is appreciative but respectfully critical of Plato's vision Stressing the relationship between Plato's politics and metaphysics Rice argues that Plato's reluctance to accept the reality and consequences of finitude accounts for much of what many readers find objectionable in his politics Lively relatively brief and designed to provoke discussion in the classroom A Guide to Plato's Republic is ideal for political theory and introduction to philosophy courses as well as other courses that assign the Republic as a primary text **Plato's Republic** Luke Purshouse, 2006 Offering an account of the key philosophical work this book sets Plato's work in context introduces the major themes and discusses key sections and passages of the text It explores some of the areas of thought that the Republic has impacted upon and provides useful information on further reading **Plato's Republic** Karen Warren Soderlind, 1973* *A Guide to the Study of Plato's Republic* Noah Edward 1917- Fehl, 2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this

work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Plato's 'Republic'** Mark L. McPherran,2010-11-25 Plato's Republic has proven to be of astounding influence and importance Justly celebrated as Plato's central text it brings together all of his prior works unifying them into a comprehensive vision that is at once theological philosophical political and moral The essays in this volume provide a picture of the most interesting aspects of the Republic and address questions that continue to puzzle and provoke such as Does Plato succeed in his argument that the life of justice is the most attractive one Is his tripartite analysis of the soul coherent and plausible Why does Plato seem to have to force his philosopher guardians to rule when they know this is something that they ought to do What is the point of the strange and complicated closing Myth of Er This volume will be essential to those looking for thoughtful and detailed excursions into the problems posed by Plato's text and ideas

Key-indexed Study Guide to Plato's Republic William Richard Gondin,William Henry Batchelor,1966

Understanding Plato's Republic Gerasimos Santas,2010-02-04 Understanding Plato's Republic is an accessible introduction to the concepts of justice that inform Plato's Republic elucidating the ancient philosopher's main argument that we would be better off leading just lives rather than unjust ones Provides a much needed up to date discussion of The Republic's fundamental ideas and Plato's main argument Discusses the unity and coherence of The Republic as a whole Written in a lively style informed by over 50 years of teaching experience Reveals rich insights into a timeless classic that holds remarkable relevance to the modern world Plato's Republic: a Study Guide Mayo Russo,2012-05-24 THE REPUBLIC is universally regarded as one of the most important works of philosophy ever written The text was written by Plato at the height of his literary and intellectual powers and treats subjects as diverse as politics aesthetics ethics metaphysics epistemology human psychology family life the role of women in society educational theory leadership and warfare Some would say that the text is as relevant today as it was in the fifth century B C when it was written providing a unique window into our own political and social lives in the 21st century SophiaOmni's study guide to THE REPUBLIC is unique in that it has been designed for the philosophical novice in mind Assuming no prior knowledge of the discipline of philosophy or Plato's thought this edition provides the reader with the tools he or she needs to read Plato's work profitably Each section of the text has been divided topically and provided with clear commentary aimed at illuminating the major themes of the text and their philosophical significance References at the end of each section of the text provide resources for those seeking to delve further into any of the ideas presented in THE REPUBLIC _____Great ideas endure forever SophiaOmni Wisdom Classics Editions are perennial works written by some of the world's most provocative iconoclastic thinkers whose ideas continue to inspire and enlighten in our own age Each edition has been carefully edited and introduced by experts in the fields of philosophy religion or ethics to provide a helping hand to those who might otherwise be intimidated by the thought

of reading great works from the past and set them on their way to a lifelong love affair with the pursuit of wisdom For more titles visit us on the web at www.sophiaomni.org

Plato's Republic Sean Sayers,1999 This book provides a clear lively and highly readable introduction to the main themes of Plato's Republic It covers Plato's social and political thought his moral philosophy his epistemology and metaphysics and his philosophy of art and literature Plato's theories in all these areas are presented in concise and straightforward terms They are located in the context of the views of subsequent philosophers and critically assessed in the light of current debates The contemporary significance of Plato's ideas is emphasized throughout Lucid and thought provoking this book succeeds in making a broad range of fundamental philosophical ideas widely accessible It provides an ideal introduction to the Republic for students in courses in philosophy political and social thought classical studies religious studies literary theory etc as well as for the general reader Key features A clear concise and highly readable introduction to Plato's Republic which covers all its main themes Lively and thought provoking Assesses Plato's ideas in the context of the history of philosophy and current debates Lucidly written The ideal guide for students at all levels and for the general reader Full advice about further reading and extensive bibliography included

Plato's Republic Roger Penney,2016-04-15 An analytical insight into Plato's most famous work Ideal for beginners to the subject and experts alike

The Intelligent Troglodyte's Guide to Plato's Republic Douglas Martin Drabkin,2003

Intelligent Troglodyte's Guide to Plato's Republic Douglas Drabkin,2016

The Intelligent Troglodyte's Guide to Plato's Republic Douglas Drabkin,2016 The Republic of Plato is one of the classic gateway texts into the study and practice of philosophy and it is just the sort of book that has been able to arrest and redirect lives How it has been able to do this and whether or not it will be able to do this in your own case is something you can only discover for yourself The present guidebook aims to help a person get fairly deep fairly quickly into the project It divides the dialogue into 96 sections and provides commentary on each section as well as questions for reflection and exploration It is organized with a table of contents and is stitched together with a system of navigating bookmarks Links to external sites such as the Perseus Classical Library are used throughout This book is suitable for college courses or independent study

Plato's Republic Richard Kraut,2000-01-01 Designed for courses in the history of philosophy social and political theory government and Plato specifically Plato's Republic Critical Essays will enrich students understanding of this profoundly influential work The comprehensive collection covers Plato's social and political thought his metaphysics and epistemology his ethical theory and his attitude towards women The essays chosen for their clarity and ability to stimulate student discussion are related to one another in ways that will help students see the connections among the various strands of Plato's thought The book includes an index of passages to guide students through parts of the Republic that they find challenging

Worldview Guide for Plato's Republic W. Bradford Littlejohn,2019 From Dr Littlejohn's guide You'd never know Athens was locked in a life or death struggle from the tranquil and leisurely philosophical discussion that unfolds through the pages of the Republic Plato's masterpiece continues to inform

our questions and our thinking when it comes to being truth beauty goodness justice community the soul and more The Worldview Guides from the Canon Classics Literature Series provide an aesthetic and thematic Christian perspective on the most definitive and daunting works of Western Literature Each Worldview Guide presents the big picture both the good and the bad without neglecting the details Each Worldview Guide is a friendly literary coach and a treasure map and a compass and a key to help teachers parents and students appreciate critique and begin to master the classics The bite size WGs are divided into these ten sections with some variation due to genre Introduction The World Around About the Author What Other Notables Said Setting Characters Argument Worldview Analysis Quotables 21 Significant Questions Answers Further Discussion Review and instructions for how to take the Classics Quiz

Image and Argument in Plato's Republic Marina McCoy, 2020-08-01 Although Plato has long been known as a critic of imagination and its limits Marina Berzins McCoy explores the extent to which images also play an important positive role in Plato's philosophical argumentation She begins by examining the poetic educational context in which Plato is writing and then moves on to the main lines of argument and how they depend upon a variety of uses of the imagination including paradigms analogies models and myths McCoy takes up the paradoxical nature of such key metaphysical images as the divided line and cave on the one hand the cave and divided line explicitly state problems with images and the visible realm On the other hand they are themselves images designed to draw the reader to greater intellectual understanding The author gives a perspectival reading arguing that the human being is always situated in between the transcendence of being and the limits of human perspective Images can enhance our capacity to see intellectually as well as to reimagine ourselves vis vis the timeless and eternal Engaging with a wide range of continental dramatic and Anglo American scholarship on images in Plato McCoy examines the treatment of comedy degenerate regimes the nature of mimesis the myth of Er and the nature of Platonic dialogue itself
