Famous Last Words Alan Bisbort, 2001 Whether Inspiring Incomprehensible insightful bleak or absurd last words can be spoken by the living as well as the dying Among the dying last words are truly final as was the case with Dylan Thomas who uttered I've just had eighteen straight whiskeys I think that's the record Famous Last Words records the parting shots of dozens of folks no longer with us from those dead for political reasons to those who themselves decided to end it all And it records the words of those who went on with their lives after uttering a memorable farewell but whose reputation was made by their words often to their lasting frustration such as the infamous Richard Milhous Nixon You won't have me to kick around anymore because gentlemen this is my last press conference Famous Last Words also preserves the last words of those inhabiting the world of fiction whether in a book on the stage in a movie or on TV Blanche DuBois's I have always depended on the kindness of strangers ranks right alongside Charles Foster Kane's Rosebud and Sidney Carton's It is a far far better thing that I do than I have ever done The mutterings of the imagined are always floating around in our culture's consciousness kicking lustily Author Alan Bisbort consulted unimpeachable sources and original texts in compiling this compendium of 140 choice good byes But not only the farewells capture our attention Bisbort's concise witty and informative text adds revealing context to the quoted words Famous Last Words is fascinating illuminating and immensely rewarding Reading through the pages may reveal some unifying impulse behind all those bye-byes if so you have truly stumbled upon the meaning of life

Marriage and Violence Frances E. Dolan, 2010-11-24 Marriage is often described as a melding of two people into one But what or who must be lost fragmented or buried in that process We have inherited a model of marriage so flawed Frances E Dolan contends that its logical consequence is conflict Dolan ranges over sixteenth and seventeenth century Puritan advice literature sensational accounts of true crime and late twentieth century marriage manuals and films about battered women who kill their abusers She reads the inevitable Taming of the Shrew against William Byrd's diary of life on his Virginia plantation Noel Coward's Private Lives and Barbara Ehrenreich's assessment in Nickel and Dimed of the relationship between marriage and housework She traces the connections between Phillippa Gregory's best selling novel The Other Boleyn Girl and documents about Anne Boleyn's fatal marriage and her daughter Elizabeth I's much debated virginity By contrasting depictions of marriage in the sixteenth and seventeenth centuries and our own time she shows that the early

modern apprehension of marriage as an economy of scarcity continues to haunt the present in the form of a conceptual structure that can accommodate only one fully developed person When two fractious individuals assert their conflicting wills resolution can be achieved only when one spouse absorbs subordinates or eliminates the other In an era when marriage remains hotly contested this book draws our attention to one of the histories that bears on the present a history in which marriage promises both intimate connection and fierce conflict both companionship and competition
