Last Days Of America:

The Last Days of America? Shane Warren,2013-03-15 Examining numerous current events and how they relate to what the Bible says about the last days prophecy expert Shane Warren looks at the role the United States may or may not play as the world makes its way down the road to the Battle of Armageddon **The Last Days Of America , The Last Days of the Schooner America** David Gendell,2024-08-06 The schooner America was a technological marvel and a child star In the summer of 1851 just weeks after her launching at New York she crossed the Atlantic and sailed to an upset victory against a fleet of champions The silver cup she won that day is still coveted by sportsmen Almost immediately after that famous victory she began a decades long run of adventure neglect rehabilitations and hard sailing always surrounded by colorful passionate personalities America ran and enforced wartime blockades She carried spies across the ocean And she was on the scene as yachtsmen and business titans spent freely and competed fiercely for the cup she first won By the early twentieth century she was in desperate need of a thorough refit The old thoroughbred floated in brackish water at the United States Naval Academy stripped of her sails and rotting in the sun Refitting America would be a massive project expensive and potentially distracting for a nation struggling to emerge from the Great Depression and preparing for a world war But the project had a powerful sponsor On a windy evening in December 1940 the eighty nine year old America was hauled groaning and complaining up a marine railway at Annapolis the first physical step in a rehabilitation rumored to have been set in motion by President Franklin Roosevelt himself The haul out brought the famous schooner into the heart of the Annapolis Yacht Yard a privately owned company with a staff capable of completing such a project but with leadership determined to convert their facility into a modern warship production plant on behalf of the United States and its allies The Last Days of the Schooner America traces the history of the famous vessel from her design build and early racing career through her lesser known Civil War service and the never before told story of her final days and moments on the ground at Annapolis The schooner s story is set against a vivid picture of the entrepreneurial forces behind the fast focused rise of the Annapolis Yacht Yard as the United States prepares for and enters World War II As wooden warships are built around her America waits for a rehabilitation that would never happen To bring this unique story to life Annapolis sailor David Gendell delves into archival sources and oral histories and interviews some of the last living people who saw America at the Annapolis Yacht Yard The last days of America Paul Emil Erdman,1990* **The Code of Federal Regulations of the United States of America** ,2006 The Code of Federal Regulations is the codification of the general and permanent rules published in the Federal Register by the executive departments and agencies of the Federal Government *The Chronicles of America Series: Adventurers of New France* ,1918 Faux's memorable days in America...pt.1 Reuben Gold Thwaites,1905 **The Last Days of America: Preparing for Our Place in the Book of Revelation** Gregg F. Swift,2014-10-14 Doesn t it seem that everywhere you turn you hear about events that seem to say the world is on fire and about to fall apart These are the last days prophesied in the

books of Daniel Revelation and others Believers should know the times and seasons of bible prophecy to prepare to survive those biblical events A proper understanding of the chronology of the book of Revelation is where you must begin In The Last Days of America Preparing for Our Place in the Book of Revelation author Gregg Swift lays out the book of Revelation in a way that will effectively show the believer why it is time to make preparations for the coming bad times by explaining Why America is under the judgment of God The proper chronology of the book of Revelation How bad events like the seals trumpets and judgments will be A common sense understanding of the timeframe of the rapture When Satan and his angels are thrown down to the earth The timing of the Antichrist using the book of Revelation Why the year 2021 is important in biblical prophecy If you believe that we are in the biblical last days this book will put you on the right path by helping you understand exactly what you have to prepare for and how bad things will be Book jacket
