Charles Schmitt,2014-07-01 The path of the righteous is like the first gleam of dawn shining ever brighter till the full light of day Proverbs 4 18 NKJV Solomon says in Proverbs 4 18 that we can expect an increase in enlightenment and an expansion of understanding as we approach the last days That is Charles P Schmitt s position as he presents a fresh scrutiny of Old and New Testament prophetic scriptures in the light of today s world events He traces not only the conflict between Israel and the Arab world but also their amazing last days promises of restoration At all times he underscores the primary backdrop for any Christian view of the last days worldwide evangelism before the end comes Are These the Last Days will graciously challenge your status quo understanding of end time prophecies and enable you as Solomon said to see this subject in an ever brighter light Last Days Madness: Obsession of the Modern Church Gary DeMar,1999-08 Last Days Madness explains the most difficult prophetic passages clearly and concisely Gary DeMar sheds the light on Daniel 7 13 14 9 24 27 Matthew 16 27 28 2 Thessalonians 2 2 Peter 3 3 13 and dozens more He identifies the Beast the Antichrist and the Man of Lawlessness and clears the haze regarding Armageddon the rebuilding of the temple the meaning of 666 and much more This ground breaking book is guaranteed to make you think and is your survival guide and spiritual compass to insure you escape the paralysis of last days madness The Dawn of Planet Earth Matthew Rake,2015-08 Original Edition Copyright A2015 Hungry Tomato Ltd Page before title page *Are These the Last Days?* Greg Laurie,2006-01-25 Centuries ago the disciples asked Jesus to tell them the signs of his coming and when it would be If the disciples wondered about these things in the first century then we surely have reason to wonder in the twenty first century As we look at the instability in our world the turmoil and the threat of terrorism we can not help but ask Are we living in the last days Find the answers to take some of the guesswork out of understanding the end times and be encouraged to live confidently and expectantly in an uneasy and uncertain world **Arguing the Apocalypse** Stephen D. O'Leary,1998-08-20 Apocalyptic expectations of Armageddon and a New Age have been a fixture of the American cultural landscape for centuries With the approach of the year 2000 such millennial visions seem once again to be increasing in popularity Stephen O Leary sheds new light on the age old phenomenon of the End of the Age by proposing a rhetorical explanation for the appeal of millennialism Using examples of apocalyptic argument from ancient to modern times O Leary identifies the recurring patterns in apocalyptic texts and movements and shows how and why the Christian Apocalypse has been used to support a variety of political stances and programs The book concludes with a critical review of the recent appearances of doomsday scenarios in our politics and culture and a meditation on the significance of the Apocalypse in the nuclear age Arguing the Apocalypse is the most thorough examination of its subject to date a study of a neglected chapter of our religious and cultural history a guide to the politics of Armageddon and a map of millennial consciousness **Signposts of the Last Days** Bill Goodwin,2012-06 SIGNPOSTS of The Last Days is not an attempt to sensationalize predicted events from prophecy implying they will happen in a particular manner Remember that when Jesus came the first time all but two people were looking for a different kind of

Messiah than the One they got Instead you will find the Biblical basis for twelve predicted events of the Last Days This book is written to review some of the available passages concerning these events that will lead to the end of the Last Days and how they relate to each other They are arranged in the order they are expected to happen It also is designed to relate coming events to the past times in which God has presented Himself to the world using different people This is your opportunity to separate the modern day scenarios seemingly written for Hollywood from what we might realistically expect should we be alive to see it all unfold Please read them all with the understanding that there may be fewer than two individuals who get close to the actual truth this time around
