Ancient Ufo Prophecy Daniel F. Owsley, 2012-03-15 'Tis the time to take a hard look at ancient UFO prophecy that's recently been uncovered And as any reader shall see thousands of years ago the current UFO explosion was prophesied Even modern Bible codes warn of these events For these are some of the predictions 2012 rising judgements large tongue like sun flares whole earth smitten with fear planetary panic stricken UFO increase fragmentary terrifying signs in the heavens annihilation of disbelief alien contacts death lethal disasters calamity no contact invasion days of trumpets times of terror cattle mutilation watchmen on the walls alien abductions solar storms great apostasy Jesus saves rest in him alone And for doubters of the accuracy of past Bible codes they have previously kicked out the following clusters Iraq war Saddam Hussein hung World Terrorism casualties World Trade Centre Japan disaster Obama war on terrorism Osama bin Laden killed Afghanistan Matthew 24 global depression unrest Mideast revolution end of days And at the end of the day any reader of Ancient UFO prophecy shall have to admit that this is by far the one extraterrestrial book that's much farther out of this world than any others ever written since much of it has been written by people like Leonardo Davinci who only prophesied on paper alone Read therefore the Davenci secret and come into the light of true spiritual enlightenment concerning our visitors from our great beyond

MacBride,2020-05-05 Over the space of a generation Christianity in the Western world has gone from occupying a central place in the wider society to being eyed with increasing suspicion and in some places outright hostility Although the church has always been a minority group in the past decade or so it has become reawakened to that reality and to the similarities it shares with the first followers of Jesus for whom the New Testament was written In this book Tim MacBride shows how New Testament texts functioned as rhetoric for the marginalized minority groups they addressed encouraging hearers to resist the pressure to conform to the majority culture yet in a way that remained attractively different to outsiders He offers suggestions for how Christians today and preachers in particular can use and apply the New Testament s minority group rhetoric to speak into our own increasingly marginalized experience Such preaching needs to guard against either being shaped by culture or isolating preacher and hearers against culture It must instead champion the call of New Testament authors to a middle way a call for communities of aliens and exiles to engage with culture by living out an attractive difference *International UFO Library Magazine: April / May 1994* Joseph J.
