John the Revelator Peter Murphy,2010-04-13 Murphy s darkly gorgeous debut is an Irish coming of age novel It s also a meditation on why we tell stories *The Plain Dealer* This is the story of John Devine stuck in a small town in the otherworldly landscape of southeastern Ireland worried over by his single chain smoking Bible quoting mother Lily and spied on by the neighborly Mrs Nagle When Jamey Corboy a self styled Rimbaudian boy wonder arrives in town John s life suddenly seems full of possibility His loneliness dissipates He is taken up by mischief and discovery hiding in the world beyond as Lily s mysterious illness worsens But Jamey and John s nose for trouble may be their undoing and soon John will be faced with a terrible moral dilemma Joining the ranks of the great novels of friendship and betrayal *A Separate Peace* *A Prayer for Owen Meany* and *Paddy Clarke Ha Ha Ha* *John the Revelator* is remarkable and grapples with the pull of the world and the hold of those we love *The Observer* Murphy s strongly written debut splits the difference between the sensitivity of *Portrait of an Artist* and the freakishness of *Butcher Boy* *Publishers Weekly* Jaw dropping A terrific disquieting addition to the long tradition of Irish storytelling *Kirkus Reviews* *One Week in August* Margaret Thornton,2020-04-30 One week will change all their lives Janice Butler is working as a waitress at her mother s Blackpool boarding house when she meets Val Horrocks and Cissie Foster who are visiting from Halifax and the three form an instant friendship Romance beckons for all of them but the events of one evening at a local dance will change all their lives for better and for worse and all three girls will discover that life doesn t always turn out as one would expect A charming tale of friendship and romance set in 1950s Blackpool perfect for fans of Margaret Dickinson and Rosie Archer The Two of Swords: Part Sixteen K. J. Parker,2017-09-05 Why are we fighting this war Because evil must be resisted and sooner or later there comes a time when men of principle have to

make a stand Because war is good for business and it s better to die on our feet than live on our knees Because they started it But at this stage in the proceedings he added with a slightly lop sided grin mostly from force of habit A soldier with a gift for archery A woman who kills without care Two brothers both unbeatable generals now fighting for opposing armies No one in the vast and once glorious United Empire remains untouched by the rift between East and West and the war has been fought for as long as anyone can remember Some still survive who know how it was started but no one knows how it will end This serial novel from the World Fantasy Award winning K J Parker is the story of a war on a grand scale told through the eyes of its soldiers politicians victims and heroes The first three parts of The Two of Swords will arrive in April 2015 with further installments to be released monthly This is the sixteenth installment in the Two of Swords serialization **Seventy Years of Birdwatching** H.G Alexander,2010-10-30 This is a book about birdwatching birdwatchers and above all birds It is in some measure also a history of the development of modern ornithology in Britain although the author s birdwatching extended over parts of three continents Europe India and North America Seventy Years of Birdwatching is not truly an autobiography there is too little about the author in it though the personality of this exceptional shy and gentle man comes through H G Alexander began birdwatching in earnest in 1898 and has never stopped He has met or corresponded with most of the leading ornithologists of this century his first article in British Birds appeared in 1909 and it may surprise many to discover how much of practical ornithology that is deliberated today was debated and practised so many years ago During more than seventy years the author has witnessed important changes in resident and migrant bird populations in Britain Dungeness for example was almost as uninhabited as the moon when he first knew it and Kentish Plovers bred there by the score but Carrion Crows were a rarity Over the years he saw the gradual decline of the Red backed Shrike Corncrake and Wryneckbut he was instrumental in bringing one bird to Britain the hitherto undiscovered Willow Tit which he with others helped to identify Fifty years ago H G Alexander had already covered scores of six inch Ordnance Survey maps with his mapping records and these together with his notebooks and correspondence with contemporaries supply an absorbing glimpse of a birdwatching era that was fascinatingly like and yet unlike our own Perhaps this is why today s birdwatcher has only to turn the pages to be enthralled Frome at War 1939-45 David Lassman,2020-03-20 Frome at War 1939 1945 is a comprehensive account of this Somerset market town s experience of the conflict covering in detail life on the Home Front set against the background of the wider theatres of war The narrative of that global struggle is given with a focus on the ordeals endured by the people of Frome as they cheered their men and women fighters off to war welcomed hundreds of evacuated men women and children to the town and contributed their part to the fight against Hitler and the Nazi threat Rare insights into the life of the town are included along with seldom told stories from the footnotes of history from Frome s part within the secret underground resistance movement and the national fight for women s equality to the gradual influx of American GIs and Field Marshall Montgomery s stay in the aftermath of Dunkirk The book incorporates memoirs and

memories along with in depth research from official records and newspaper accounts which allow the reader to see the war not only from ordinary people s perceptive but the military experiences of Frome s heroic men and women and in many cases their tragic sacrifices as well More controversial aspects are also touched on including injustice espionage racism and politics to give a full and fascinating picture of a town facing profound trials of endurance and courage but at the same time revealing the characteristics that have sustained Frome throughout its illustrious and turbulent history Sovereign C. rain and bare except for inedible roley poleys coarse tussocks and the woody stubble of close eaten salt bush between sky and earth a solitary wayfarer wisely lapt in philosophic torpor Setting out on a trek through the outback Tom Collins begins his seemingly endless torrent of words a journey through language to match his journey over land Accompanied by a dog and two horses he meets a vibrant array of characters from all nations and walks of life from drovers to criminals Collins can talk with them all Described by Furphy himself as offensively Australian Such is Life is part travelogue part philosophy a novel ahead of its time that remains informative for our own With a beautifully designed cover and professionally typeset manuscript this edition of Joseph Furphy s Such is Life is a classic work of Australian literature reimagined for modern readers

Talking to the Dead Nina Witoszek, Pat Sheeran, 2022-02-22 Talking to the Dead is an essay on death and its tenacious hold on Irish culture There are few traditions in which funerary motifs have been so ubiquitous in literature popular rituals folk representations public rhetorics even constructions of place There are even fewer cultures in which funerary genres and preoccupations constitute the central thread of continuity The Irish Theatrum Mortis is not simply an obsession of writers from the bards to Beckett and Heaney Nor is it confined to contemporary Republican iconography It is to be found in the pages of the local press in acts of ritual resistance to unpopular decisions in the way in which significant public events are narrated and framed Though the funerary Ireland presented here may well yield to the new positive self image of the Celtic Tiger it is the authors contention that at the end of the twentieth century the funerary sign continues to define Irish identity For good and ill it is the centre that holds
