**Last Sands in the Hourglass** Marc Carr,1989-12-01      **Subject Guide to Books in Print** ,1997      The Mighty Angels of Revelation Nathan E. Jones,2019-11-03 A devastating car wreck nearly killed his parents If not for a lone biker who had stopped at the scene of the accident and administered first aid some say they would have died before medical help arrived The problem only one person could recollect the biker ever having been there Their rescuer had mysteriously disappeared without a trace The only survivor who could remember insisted they must have been rescued not by a mere man but by an actual angel sent from God This jolting event in the life of one family led author Nathan Jones to set off to explore the greatest source in the study of Angelology the book of Revelation With its whopping 72 instances of individual and entire groups of angels and demons Revelation stands apart from all of the other books in the Bible as the most prolific source for learning about angels Come and travel along with a man called the Elder and his angelic guide as the end times are revealed throughout the book of Revelation in stunning detail Along the way meet 72 of God s mighty angels as they proclaim God s messages of warning and hope to a lost world Together let us encounter the Mighty Angels of Revelation      **Subject Guide to Children's Books in Print 1997** Bowker Editorial Staff,R R Bowker Publishing,1996-09      *The Terra Debacle* Marcha Fox,2017-05-30 May 30 1978 starts out as a normal night at Hill AFB in Ogden Utah until a UFO requests permission to land Its pilot changes its mind but by then F 16s escort the rogue vehicle to the ground A human girl in her early teens and a robot exit the craft a strange botanical lifeform found onboard by a landing party The vehicle robot and suspicious plant are impounded and transported to Area 51 where NASA astrobiologist Gabriel Greenley PhD is called in to study the lifeform Greenley s attempt to take a leaf sample results in a vehement telepathic objection from the specimen indicating it s intelligent and potentially dangerous He eventually gets his sample and makes a ground breaking discovery he can never publish due to his security oaths and research agreement Eventually he s confronted by an even worse ethical dilemma that forces him to make a treasonous and potentially deadly decision      *Paperbound Books in Print* ,1992      Forthcoming Books Rose Army,1988-07      **Books in Print** ,1991      *The Celestial Veil* Bill Valiontis,2024-01-03 In a world where time is a tangible force Althea discovers a hidden archive detailing the existence of the Celestial Veil a mysterious barrier shielding the world from the chaos that lies beyond Determined to unveil its secrets Althea embarks on a quest to find the legendary floating city said to house the key to the Veil s mysteries      *Heaven* Randy Alcorn,2011-12-09 Over 1 Million Copies Sold Have you ever wondered What is Heaven really going to be like What will we look like What will we do every day Won t Heaven get boring after a while We all have questions about what Heaven will be like and after twenty five years of extensive research Dr Randy Alcorn has the answers In the most comprehensive and definitive book on Heaven to date Randy invites you to picture Heaven the way Scripture describes it a bright vibrant and physical New Earth free from sin suffering and death and brimming with Christ s presence wondrous natural beauty and the richness of human culture as God intended it

This is a book about real people with real bodies enjoying close relationships with God and each other eating drinking working playing traveling worshipping and discovering on a New Earth Earth as God created it Earth as he intended it to be The next time you hear someone say We can't begin to image what Heaven will be like you'll be able to tell them I can Other than the Bible itself this may well be the single most life changing book you'll ever read Stu Weber This is the best book on Heaven I've ever read Rick Warren Randy Alcorn's thorough mind and careful pen have produced a treasury about Heaven that will inform my own writing for years to come Jerry B Jenkins Randy does an awesome job of answering people's toughest questions about what lies on the other side of death Joni Eareckson Tada About the Author Randy Alcorn is an author and the founder and director of Eternal Perspective Ministries a nonprofit ministry dedicated to teaching principles of God's Word and assisting the church in ministering to unreached unfed unborn uneducated unreconciled and unsupported people around the world A New York Times bestselling author of over 50 books including Heaven The Treasure Principle If God Is Good Happiness and the award winning novel Safely Home his books sold exceed eleven million copies and have been translated into over seventy languages Paperbound Books in Print 1995 Reed Reference Publishing, Reference Reed, 1995-12 Old Baldie Rides Again Ted Edwards, 2017-09-05 A Series of adventures somehow fitted into a single lifetime from childhood and the struggle between myth and reality through conscription The Army Air Corps in Germany the Berlin wall the Nijmegen marches back packing a climbing accident the coalmine the steelworks incarceration in a Spanish jail Strangeways Israel two years after the Six Day War strafed caught in crossfire near Jericho held up at knifepoint in Istanbul college hang gliding learn about camels mugged in Morocco make a film crossing the Saharan Empty Quarter first solo crossing of Iceland recreating Stanley's journey to find Livingstone a leopard a man eating lion trained to become an astronaut but no spaceflight with N A S A nearly got spaceflight with Russians a four foot rabbit an alligator Tenerife coast to coast over volcano stroke and epilepsy wheelchair No chance returned to Tenerife the Cabbage in a wheelchair climbed the volcano Along the way Ted has been a successful folk singer and songwriter and has published the accounts of his major expeditions a novel based in the Middle East and poetry books **The Canadian Encyclopedia** James H. Marsh, 1999 This edition of The Canadian Encyclopedia is the largest most comprehensive book ever published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE and READABLE Every entry is compiled by an expert Equally important every entry is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an

extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The statistics behind this volume are staggering The opening sixty pages list the 250 Consultants the roughly 4 000 Contributors all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published There are of course many special features These include a map of Canada a special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means that with rare exceptions there is satisfaction for the reader who seeks information on any Canadian subject From the first entry A mari usque ad mare from sea to sea which is Canada s motto and a good description of this volume s range to the Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented For the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known Yet now Canada s finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada

**Books in Print Supplement** ,1988     *Niagara Index* ,1924     *Running the World* David Rothkopf,2009-04-28

Never before in the history of mankind have so few people had so much power over so many The people at the top of the American national security establishment the President and his principal advisors the core team at the helm of the National Security Council are without question the most powerful committee in the history of the world Yet in many respects they are among the least understood A former senior official in the Clinton Administration himself David Rothkopf served with and knows personally many of the NSC s key players of the past twenty five years In *Running the World* he pulls back the curtain on this shadowy world to explore its inner workings its people their relationships their contributions and the occasions when they have gone wrong He traces the group s evolution from the final days of the Second World War to the post Cold War realities of global terror exploring its triumphs its human dramas and most recently what many consider to be

its breakdown at a time when we needed it most Drawing on an extraordinary series of insider interviews with policy makers including Condoleezza Rice Colin Powell Henry Kissinger senior officials of the Bush Administration and over 130 others the book offers unprecedented insights into what must change if America is to maintain its unprecedented worldwide leadership in the decades ahead     The Green Book Magazine ,1919     **Nineteenth-century American Short Fiction** William James Holmes,Edward B.
