## **Last Step:**

*The Last Step* Rick Ridgeway, 1999 The Last Step is Rick Ridgeway's inside story of this extraordinary expedition. It's about the people who battered by the mountain and their isolation overcame their individual fears, desire, and disappointments to work together to get somebody, anybody to the top of K2. It's about the glorious success the team achieved and about the perilous bivouac Jim Wickwire spent just below the summit without food, oxygen, or shelter in temperatures of 40°F.

*Enhancing Beginner-Level Foreign Language Education for Adult Learners* Ekaterina Nemtchinova, 2022-12-30 This book is an authoritative text that explores best classroom practices for engaging adult learners in beginner-level foreign language courses. Built around a diverse range of international research studies and conceptual articles, the book covers four key issues in teaching language to novice students: development of linguistic skills, communicative and intercultural competence, evaluation and assessment, and the use of technology. Each chapter includes teaching insights that are supported by critical research and can be practically applied across languages to enhance instructional strategies and curriculum designs. The text also aims to build intercultural competence, harness technology, and design assessment to stimulate effective learning in formal instructional settings, including colleges, universities, and specialist language schools. With its broad coverage of language pedagogy at the novice level, this book is a must-read for graduate students, scholars, researchers, and practitioners in the fields of language education, second language acquisition, language teaching and learning, and applied linguistics.
