*Man*, 1906      **The Last Castaways** Harry Horse, 2003-04-03 On holiday in Saltbottle Grandfather and Roo discover the Unsinkable the boat which took them to the North Pole in the first book lying in a sadly dilapidated state and up for sale At the auction the short sighted auctioneer accidentally sell the boat to Roo sold to the old lady in the brown fur coat Now they have to find the money and the Captain suggests a fishing trip to the Great Cod Banks in the Forgotten Sea Off they go but the trip ends in disaster when the boat sinks and Grandfather and Roo are cast away on a desert island They find their own Man Friday called Tuesday but he turns out to be a film director staying in a luxury hotel Meanwhile the Captain has found the treasure and rescued the Unsinkable      *Castaways - Adrift and Abandoned* Graham Faiella, 2021-04-01 Seafaring before the twentieth century bristled with peril The safe haven of your vessel might be destroyed by tempest or misadventure your security scuttled When you were cast away with only the resources of pluck stamina hope and luck Where you might end up on the expanse of endless sea facing the prospect of imminent dehydrated starving death Or on a safe but potentially forbidding yet occasionally lush outcrop of an isolated shore amongst which perils abounded accounts of courage and companionship These are narratives of castaways abandoned to fend for themselves and the ordeals they endured and survived and in remembrance of the seafarers who did not      The Wager David Grann, 2025-02-25 A TOUR DE FORCE OF NARRATIVE NONFICTION WSJ WITH OVER ONE YEAR ON THE NYT BEST SELLER LIST From the author of Killers of the Flower Moon a page turning story of shipwreck survival and savagery culminating in a court martial that reveals a shocking truth The powerful narrative reveals the deeper meaning of the events on The Wager showing that it was not only the captain and crew who ended up on trial but the very idea of empire A Best Book of the Year The New York Times The Wall Street Journal The New Yorker TIME Smithsonian NPR Vulture Riveting Reads like a thriller tackling a multilayered history and imperialism with gusto Time On January 28 1742 a ramshackle vessel of patched together wood and cloth washed up on the coast of Brazil Inside were thirty emaciated men barely alive and they had an extraordinary tale to tell They were survivors of His Majesty's Ship the Wager a British vessel that had left England in 1740 on a secret mission during an imperial war with Spain While the Wager had been chasing a Spanish treasure filled galleon known as the prize of all the oceans it had wrecked on a desolate island off the coast of Patagonia The men after being marooned for months and facing starvation built the flimsy craft and sailed for more than a hundred days traversing nearly 3 000 miles of storm wracked seas They were greeted as heroes But then six months later another even more decrepit craft landed on the coast of Chile This boat contained just three castaways and they told a very different story The thirty sailors who landed in Brazil were not heroes they were mutineers The first group responded with countercharges of their own of a tyrannical and murderous senior officer and his henchmen It became clear that while stranded on the island the crew had fallen into anarchy with warring factions fighting for dominion over the barren wilderness As accusations of treachery and murder flew the Admiralty convened a

court martial to determine who was telling the truth The stakes were life and death for whomever the court found guilty could hang The Wager is a grand tale of human behavior at the extremes told by one of our greatest nonfiction writers Grann s recreation of the hidden world on a British warship rivals the work of Patrick O Brian his portrayal of the castaways desperate straits stands up to the classics of survival writing such as The Endurance and his account of the court martial has the savvy of a Scott Turow thriller As always with Grann s work the incredible twists of the narrative hold the reader spellbound

the castaway tales history and changes through periods of settlement violence and reconciliation and across genres and languages Showing how subsequent authors have parodied or inverted the castaway tale Palmer concentrates on the period following H G Wells's *The Island of Dr Moreau* These much darker visions are seen in later novels including William Golding's *Lord of the Flies* J G Ballard's *Concrete Island* and Iain Banks's *The Wasp Factory* In these and other variations the castaway becomes a cannibal the castaway's island is relocated to center of London female castaways mock the traditional masculinity of the original Crusoe or Friday ceases to be a biddable servant By the mid twentieth century the castaway tale has plunged into violence and madness only to see it return in young adult novels such as Scott O Dell's *Island of the Blue Dolphins* and Terry Pratchett's *Nation* to the buoyancy and optimism of the original The result is a fascinating series of revisions of violence and pessimism but also reconciliation
