**Jonathan Bernis**

## **Last Days Of Israel:**

The Last Days in Israel Abraham Diskin, 2003 During the 1990s many dramatic changes influenced the basic characteristics of the Israeli democracy This volume examines the challenges and circumstances the country has faced and addresses both the public's and leadership's singular goal of peace and security The book also investigates the renewed constitutional framework which attempted to meet new challenges but in reality contributed to the evolution of new politics and a new party system This new system is explored through an analytical study of the history of the party system with an emphasis on new phenomena such as the growing fragmentation of recent years Developments since the early 1990s are also examined looking at the governmental periods of Prime Ministers Shamir Rabin Peres Netanyahu and Barak Israel and the Last Days Kree Foster, 2012-07 When will the rapture occur What is the abomination of desolation There are so many different points of view on the subject of the end times How do you know which one is right The apostle Paul wrote two thirds of the New Testament How did he know the truth In this book you will discover how to know the truth about the end times for yourself There are rules of interpretation that every believer should know Come and take this fascinating journey throughout Scripture and discover what God thinks about Israel and the last days **Covenant: G-D's plan for Israel in the last days** Baruch Battelstein, 2005 Lo I will send you Elijah the prophet before the coming of the great and awesome day of the Lord that he may turn the heart of the fathers back through the children and the heart of the children back through their fathers Malachi 3:23-24 Are you ready for the great and awesome Day of the Lord Do you know and recognize with understanding how the horrendous events that will take place shortly on this earth are going to impact your life and those around you Perhaps you are one watching from afar thinking it will not come near me No one will be able to escape Are you ready Like a tsunami racing across the ocean events are taking place today that in our minds only a few short years ago we could not in fact would not even dare conceive yet they have come to pass Events and changes that are happening seemingly in the blink of an eye This book has been written with a pen of a ready writer The author has brought forth in clarity God's plan for the spiritual and physical redemption of His people His land and Jerusalem His plan as revealed in the Tanach Bible is unfolding right before our very eyes The time is very near when the God of Israel will bring His people into the bond of the covenant a new covenant into which the whole house of Israel will enter and they will be His people and He will be their God However there will be much tribulation during this time known as the Day of the Lord not only for the Jewish people themselves but also for all nations and peoples of the world *Israel, the Church, and the Last Days* Asher Intrater, Dan Juster, 2011-07-28 As the last days approach Dan Juster and Keith Intrater present an optimistic view for believers around the world A restoration of the Body of Christ is beginning to take place as the church asserts her unity power gifts and begins to establish the five fold ministry as found in the example of the first century church What is the key element for the Church in these last days as she asserts her power Establishing a saved remnant of Israel How does one help establish a saved remnant

especially a saved Jewish remnant      **The Last Days of the Kingdom of Israel** Shuichi Hasegawa, Christoph Levin, Karen Radner, 2018-11-05 Despite considerable scholarly efforts for many years the last two decades of the Kingdom of Israel are still beneath the veil of history What was the status of the Kingdom after its annexation by Assyria in 732 BCE Who conquered Samaria the capital of the Kingdom When did it happen One of the primary reasons for this situation lies in the discrepancies found in the historical sources namely the Hebrew Bible and the Assyrian texts Since biblical studies and Assyriology are two distinct disciplines the gaps in the sources are not easy to bridge Moreover recent great progress in the archaeological research in the Southern Levant provides now crucial new data independent of these textual sources This volume a collection of papers by leading scholars from different fields of research aims to bring together for the first time all the available data and to discuss these conundrums from various perspectives in order to reach a better and deeper understanding of this crucial period which possibly triggered in the following decades the birth of new Israel in the Southern Kingdom of Judah and eventually led to the formation of the Hebrew Bible and its underlying theology      **Israel in the last days of the present economy ... *Israel in the Last Days of the Present Economy; Or, An Essay on the Coming Restoration of this People: Also a Fragment on Millenarianism* Emilius Guers (Protestant Pastor, Geneva.), 1862      **The Complete Idiot's Guide to the Last Days** Richard H. Perry, 2006 For many the idea of the Last Days brings to mind concerns and fears about the End of the World The Antichrist The Mark of the Beast World War and Armageddon For centuries man has been occupied with the idea that someday the world will come to an end These fears and concerns have been fuelled by natural disasters famines world wars and the writings of people such as Nostradamus Jeane Dixon and Tim LaHaye When we think about the Last Days we have more questions than answers Is the world really going to end Should we be concerned about the future Where are we today in relation to the Last Days Author Richard H Perry urges readers to consider the source when caught up in these questions that don't seem to have answers In *The Complete Idiot's Guide to the Last Days* Perry takes readers to the source of all discussion on the subject the Bible itself      **If This Is the "Last Days," How Then Shall We Live?** Jim Bard, 2012-03-08 Why is Jesus returning for the Rapture Who is He coming for If all of the prophecies of the Bible have been fulfilled why has He not returned Is He just waiting for the right number of people to be saved This book offers a fresh and new look at prophecies that still need to be fulfilled It is an in depth look at the key to the return of Jesus There are prophecies relating to the world and the evil of this world building up to the Last Days There are also prophecies relating to the Bride for whom He is returning      *The Last Days of Dispensationalism* Alistair W. Donaldson, 2010-10-28 This volume deals with the varied forms of shame reflected in biblical theological psychological and anthropological sources Although traditional theology and church practice concentrate on providing forgiveness for shameful behavior recent scholarship has discovered the crucial relevance of social shame evoked by mental status adversity slavery abuse illness grief and defeat Anthropologists

Demy, Thomas Ice, Introducing a new series of quick reference guides that answer the most asked questions about the Christian faith     *The Last Days* James Roberts, 2023-01-25 The Last Days Time Seals and Trumpets is separated into three unique sections The first section speaks of God's timeline of events from the creation of time until the destruction of the world The creation of time is discussed from both mankind's view of measuring time and God's view concerning time It also explores how modern theories such as Darwin's theory of evolution Einstein's theory of relativity and the big bang theory compare with what the Word of God states The second section is an in depth study of the book of Revelation with emphasis on the opening of the seals and the blowing of the trumpets And the third section is a topical study of end time subjects with scripture references for each topic This book is unique in that it ties Old Testament scriptures to the events surrounding the seals and trumpets mentioned in Revelation     *Israel, Rapture, Tribulation* Michael Earl Riemer, 2021-05-23 Jesus is coming soon for all signs point to His arrival again The Last Days are upon us again The Great Tribulation is about to start again We will see the Lord coming in clouds of glory for we are the last generation again Even before William Miller pronounced these kinds of tidings for 1843 and when it didn't occur he assured his followers it would happen on October 22 1844 this refrain was common from Christians down throughout the ages However since the time of Miller and especially since 1948 when the nation of Israel was given birth the chorus of Christian voices proclaiming End Times and Last Days is a constant message The problem all those who have preached this since 70AD have been wrong always 100% of the time In the Revelation of Jesus given to Saint John he assures the seven Churches the time was near it was in fact at hand The letter closes with the assurance of that fact the Lord was coming soon for Jesus states Surely I come quickly Revelation 22:20 So that leaves us with two perplexing and bewildering conclusions Jesus was wrong about His soon coming and those who preach this have also been preaching a tall tale a cock and bull story However the early Christians did not believe what is being taught across today's pulpits concerning this teaching They knew those events would happen in their lifetime not 2 000 years in the future they took Jesus at His word and it saved their lives In this book you will find the doctrine believed by early Christians and the reason the modern Last Days doctrine has always been wrong and how it was fulfilled You will also find the message taught by Jesus and presented throughout the Holy Scriptures hope and victory for Christ's Church     **100 Bible Questions and Answers on Prophecy and the End Times** Alex McFarland, 2025-10-07 Unlock the mysteries of the end times As veteran cohosts of the nationally syndicated broadcast Exploring the Word Alex McFarland and Bert Harper concisely answer biblical questions about God Scripture Christian living and more With fresh insight and thorough research they make complex theological concepts easy for everyone to understand In 100 Bible Questions and Answers on Prophecy and the End Times Alex and Bert will guide you
