Rejecting the notion that history is always written by the victors and refusing to be one of the vanquished, he records and draws us into his own California history. **Remains to be Seen** J. M. Gregson, 2015-12-01

The London detective returns to see a criminal kingpin put behind bars only to discover that his nefarious deeds are from over Northumberland's usually unflappable Det. Chief Inspector Percy Peach has suddenly found himself on the anxious side. It's not that the bust didn't go as planned. The raid on the sprawling country manor of a drug baron rounded up all the usual suspects. But only hours later a converted stable on the grounds goes up in flames. In the ashes is the charred body of unassuming carpenter Neil Cartwright. Peach can't help but think the fire is too well timed and highly suspicious. So does his fiancée Det. Sergeant Lucy Blake. But whom to question? All that's left is the butler, the gardener, the cook, and an assortment of cagey housekeepers. Yet as each goes mum, Peach realizes that they're less a staff than a gang, and the sordid secrets of the estate didn't end with the arrest of their boss. In fact, they're only beginning to surface. And they're nastier and more dangerous than Peach and Blake can imagine. **New York Magazine**, 1987-02-23

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea. *Red Robinson: The Last Broadcast*

Robin Brunet, 2019-11-14

Red Robinson: The Last Broadcast is the sequel to the best-selling *Red Robinson: The Last Deejay*. It details the legendary Canadian deejay's last radio broadcast in the summer of 2017 and provides an in-depth look at the careers of his equally colourful friends and colleagues in the broadcasting industry. Over a career that spanned six decades, Red's colleagues include Doc Harris, Stirling Faux, Fanny Kiefer, Gloria Macarenko, Wayne Cox, and many others. Robinson was the first DJ to play rock n' roll regularly in Canada. He also emceed live concerts by Elvis Presley and the Beatles. With humour and candour, *Red Robinson: The Last Broadcast* explores why the old days of working in radio were far more fun, daring, and innovative than in today's environment of media concentration. This blast from the past will entertain readers both old and young and give an emerging generation of broadcasters a sense of why theirs is a profession worth preserving through stubborn persistence, endless curiosity, a dash of hubris, and a strong dose of old-fashioned chutzpah. Smile Pretty and Say Jesus Hunter James, 2008-09-01 In March 1987 the Reverend Jerry Falwell and the national news media found themselves in rare agreement Jim Bakker the charismatic cash hungry televangelist was an accomplished sinner but a rather unconvincing penitent The story had just broken that Bakker had fornicated with Jessica Hahn a New York church secretary and then tried to pay her off with 256 000 Once exposed Bakker weepily begged Falwell to help him steer his ministry through the scandal Falwell assented but then demanded Bakker s resignation when he learned that the Hahn affair only hinted at Bakker s profligacy The fight was on and those stale jokes were born again PTL the acronym of Bakker s 172 million enterprise stood not for Praise the Lord or People That Love but for Pass the Loot or Pay the Lady Veteran journalist Hunter James covered the story for the Atlanta Journal Constitution from the first report of Bakker s double life until eight chaotic months later when the unwelcome Falwell left the bankrupt ministry in South Carolina and went home for good to his own church in Lynchburg Virginia *Smile Pretty and Say Jesus* is James s wry personal account of the struggle for control of the PTL enterprise which included a satellite network and a 2 300 acre theme park Heritage USA James s book is valuable for the important distinctions it makes between Pentecostals and Baptist fundamentalists and for its explanation of the prosperity gospel Bakker and his wife Tammy Faye professed Combining straightforward reportage with human interest sketches and profiles the book is also the most insightful to date on the attitudes and motives of the principal figures involved in the debacle

America-Lite David Gelernter, 2013-10-14 *America Lite* where we all live is just like America only turned into an amusement park or a video game or a supersized Pinkberry where the past and future are blank and there is only a big NOW How did we come to expect no virtue and so much cynicism from our culture our leaders and each other In this refreshingly judgmental book David Gelernter connects the historical dots to reveal a stealth revolution carried out by post religious globalist intellectuals who by and large can t run their own universities or scholarly fields but are very sure they can run you These imperial academics have deployed their students into the top echelon of professions once monopolized by staid and steady WASPs In this simple way they have installed themselves as the new designated drivers of American culture Imperial academics live in a world of theory they preach disdain for mere facts and for old fashioned fact based judgments like true or

false Schoolchildren are routinely taught theories about history instead of actual history they learn for example that all nations are equally nice except for America which is nearly always nasty With academic experts to do our thinking for us we ve politely shut up and let second raters take the wheel In fact we have handed the keys to the star pupil and teacher s pet of the post religious globalist intellectuals whose election to the presidency of the United States constituted the ultimate global group hug How do we finally face the truth and get back into the driver s seat America Lite ends with a one point plan

From Aldersgate to Azusa Street Henry H.
