**Violent Sunday** William W. Johnstone, 2016-11-29 THE GREATEST WESTERN WRITER OF THE 21ST CENTURY National bestselling author William W Johnstone is the premier chronicler of rough and tumble American West and of the kind of iron willed men who defined a nation This gritty action packed new adventure in the Last Gunfighter series captures the fury of a Texas range war LIVE BY THE GUN DIE BY THE GUN When iron clears leather anything can happen In Frank Morgan s case a sudden duel with an assassin has left an innocent woman with a bullet in her back and a friendship between Frank and a young Texas Ranger in tatters Wanting to make up for his part in the tragedy Frank rides to central Texas to help Ranger Tyler Beaumont put down the so called Fence Cutting War But as big ranchers battle small ones an outlaw gang has hellish plans of its own Now as an innocent town is threatened with annihilation Frank must make his final stand on a hot Sunday in Texas when the dying will say their final prayers *The Last Gunfighter: Violent Sunday* William W. Johnstone, 2002 [The Devil's Legion](#) William W. Johnstone, J.A. Johnstone, 2016-11-29 USA Today bestselling author The gunfight is over and now the real danger starts National bestselling author William W Johnstone is the premier chronicler of the glory days of the brutal American West and Frank Morgan the Last Gunfighter is one of his greatest sharpshooting legends In the Mongollon Rim country of Arizona Frank Morgan walked into a blood feud between two powerful cattle barons When the shooting stopped and the smoke cleared Morgan had killed one of the men Now the dead man s family wants revenge and the surviving rancher wants to silence Frank Morgan forever Suddenly the last gunfighter is on his own against a devil s brew of murderous enemies And amidst the lying and the killing is the beautiful young woman whose father Frank shot down and one last thing worth dying to defend **Renegades** William W. Johnstone, 2005 USA Today bestselling author William W Johnstone delivers the latest chapter of his gritty action packed series starring gunfighter Frank Morgan a man willing to walk into any storm and blast his way out Original **The Drifter** William W. Johnstone, 2005-07-26 Now reissued with an exciting new cover design the first chapter of Johnstone s boldly authentic USA Today bestselling western series marks the first appearance of gunslinger Frank Morgan **Savage Country** William W. Johnstone, 2006 USA Today bestselling author Johnstone delivers the latest chapter of his gritty action packed western series starring gunfighter Frank Morgan a man facing his past while death stalks his every move Original [Talking Book Topics](#) , 2010 **Digital Talking Books Plus** , 2011 **Encyclopedia of Western Gunfighters** Bill O'Neal, 1979 Sifting factual information from among the lies legends and tall tales the lives and battles of gunfighters on both sides of the law are presented in a who s who of the violent West *Shooters And Gunfights: The Wild West In Gunsmoke* Pasquale De Marco, 2025-04-21 Shooters and Gunfights The Wild West in Gunsmoke is a comprehensive exploration of the history culture and impact of gunfighting in the American Wild West Drawing upon a wealth of historical accounts cultural artifacts and expert opinions this book provides a nuanced and insightful examination of the gun s role in shaping American society From the early days of westward expansion

when settlers and pioneers relied on firearms for survival and protection to the rise of the legendary gunfighters who roamed the lawless frontier the gun has played a pivotal role in shaping the American character This book delves into the complex relationship between the gun and the American identity examining the ways in which it has influenced our laws our culture and our politics The book also investigates the evolution of gunfighting from the days of the Wild West duels to the modern era of mass shootings It examines the role of the gun in American popular culture from its glorification in film and television to its use as a symbol of power and freedom Shooters and Gunfights The Wild West in Gunsmoke is a must read for anyone interested in American history culture or the role of firearms in society It is a thought provoking and informative exploration of a topic that continues to shape the nation to this day In addition to its historical and cultural insights Shooters and Gunfights The Wild West in Gunsmoke also offers a balanced and objective perspective on the ongoing debate over gun control The book presents a variety of viewpoints on this complex issue allowing readers to form their own opinions based on the facts and evidence Whether you are a history buff a firearms enthusiast or simply someone interested in the American experience Shooters and Gunfights The Wild West in Gunsmoke is a book that you will find both informative and engaging If you like this book write a review on google books *Hollywood Westerns and American Myth* Robert B. Pippin,2010-06-22

In this pathbreaking book one of America s most distinguished philosophers brilliantly explores the status and authority of law and the nature of political allegiance through close readings of three classic Hollywood Westerns Howard Hawks Red River and John Ford s The Man Who Shot Liberty Valance and The Searchers Robert Pippin treats these films as sophisticated mythic accounts of a key moment in American history its second founding or the western expansion His central question concerns how these films explore classical problems in political psychology especially how the virtues of a commercial republic gained some hold on individuals at a time when the heroic and martial virtues were so important Westerns Pippin shows raise central questions about the difference between private violence and revenge and the state s claim to a legitimate monopoly on violence and they show how these claims come to be experienced and accepted or rejected Pippin s account of the best Hollywood Westerns brings this genre into the center of the tradition of political thought and his readings raise questions about political psychology and the political passions that have been neglected in contemporary political thought in favor of a limited concern with the question of legitimacy *Violent Sunday -Lib* William W.

Johnstone,2005-03-01 In the latest chapter of his gritty action packed western series starring gunfighter Frank Morgan Johnstone captures the fury of a Texas range war stoked by greed hatred and one man s quest for redemption Original

The Gunfighters Bryan Burrough,2025-06-03 One of the most important books written on the American West in many years True West Magazine From the New York Times bestselling author of The Big Rich and Forget the Alamo comes an epic reconsideration of the time and place that spawned America s most legendary gunfighters from Jesse James and Billy the Kid to Butch and Sundance The Wild West gunfighter is such a stock figure in our popular culture that some dismiss it all as a

corny myth more a product of dime novels and B movies than a genuinely important American history In fact as Bryan Burrough shows us in his dazzling and fast paced new book there s much more below the surface For three decades at the end of the 1800s a big swath of the American West was a crucible of change with the highest murder rate per capita in American history The reasons behind this boil down to one word Texas Texas was born in violence on two fronts with Mexico to the south and the Comanche to the north The Colt revolver first caught on with the Texas Rangers Southern dueling culture transformed into something wilder and less organized in the Lone Star State The collapse of the Confederacy and the presence of a thin veneer of Northern occupiers turned the heat up further And the explosion in the cattle business after the war took that violence and pumped it out from Texas across the whole of the West The stampede of longhorn cattle brought with it an assortment of rustlers hustlers gamblers and freelance lawmen who carried a trigger happy honor culture into a widening gyre a veritable blood meridian When the first newspapermen and audiences discovered what good copy this all was the flywheel of mythmaking started spinning It s never stopped The Gunfighters brilliantly sifts the lies from the truth giving both elements their due And the truth is sufficiently wild for any but the most unhinged tastes All the legendary figures are here and their escapades are told with great flair good bad and ugly Like all great stories this one has a rousing end as the railroads and the settlers close off the open spaces for good the last of the breed Butch Cassidy and the Sundance Kid really do get on a boat for South America ending their era in a blaze of glory Burrough knits these histories together into something much deeper and more provocative than simply the sum of its parts To understand the truth of the Wild West is to understand a crucial dimension of the American story *Home on the Horizon* Sally Bayley,2010 In this study of space and place Sally Bayley examines the meaning of home in American literature and culture Moving from the nineteenth century homestead of Emily Dickinson to the present day reality of Bob Dylan Bayley investigates the relationship of the domestic frontier to the wide open spaces of the American outdoors In contemporary America she argues the experience of home is increasingly isolated leading to unsettling moments of domestic fallout At the centre of the book is the exposed and often shifting domain of the domestic threshold Emily Dickinson s doorstep Edward Hopper s doors and windows and Harper Lee s front porch Bayley tracks these historically fragile territories through contemporary literature and lm including Cormac McCarthy s *No Country For Old Men* Lars Von Trier s *Dogville* and Andrew Dominik s *The Assassination of Jesse James By The Coward Robert Ford* works that explore local domestic territories as emblems of nation The culturally potent sites of the american home the hearth porch backyard front lawn bathroom and basement are positioned in relation to the more con icted sites of the American motel and hotel *Gunfighters, Highwaymen, and Vigilantes* Roger D. McGrath,2023-11-15 From the Preface On the frontier says conventional wisdom a structured society did not exist and social control was largely absent law enforcement and the criminal justice system had limited if any influence and danger both from man and from the elements was ever present This view of the frontier is projected by motion pictures television popular literature and most

scholarly histories But was the frontier really all that violent What was the nature of the violence that did occur Were frontier towns more violent than cities in the East Has America inherited a violent way of life from the frontier Was the frontier more violent than the United States is today This book attempts to answer these questions and others about violence and lawlessness on the frontier and do so in a new way Whereas most authors have drawn their conclusions about frontier violence from the exploits of a few notorious badmen and outlaws and from some of the more famous incidents and conflicts I have chosen to focus on two towns that I think were typical of the frontier the mining frontier specifically and to investigate all forms of violence and lawlessness that occurred in and around those towns From the Preface On the frontier says conventional wisdom a structured society did not exist and social control was largely absent law enforcement and the criminal justice system had limited if any influence and danger both from man and from the e A Wyatt Earp Anthology Roy B. Young, Gary L. Roberts, Casey Tefertiller, 2019-08-15 Wyatt Earp is one of the most legendary figures of the nineteenth century American West notable for his role in the gunfight at the O K Corral in Tombstone Arizona Some see him as a hero lawman of the Wild West whereas others see him as yet another outlaw a pimp and failed lawman Roy B Young Gary L Roberts and Casey Tefertiller all notable experts on Earp and the Wild West present in A Wyatt Earp Anthology an authoritative account of his life successes and failures The editors have curated an anthology of the very best work on Earp more than sixty articles and excerpts from books from a wide array of authors selecting only the best written and factually documented pieces and omitting those full of suppositions or false material Earp s life is presented in chronological fashion from his early years to Dodge City Kansas triumph and tragedy in Tombstone and his later years throughout the West Important figures in Earp s life such as Bat Masterson the Clantons the McLaurys Doc Holliday and John Ringo are also covered Wyatt Earp s image in film and the myths surrounding his life as well as controversies over interpretations and presentations of his life by various writers also receive their due Finally an extensive epilogue by Gary L Roberts explores Earp and frontier violence **Violence** Randall Collins, 2009-08-03 In the popular misconception fostered by blockbuster action movies and best selling thrillers not to mention conventional explanations by social scientists violence is easy under certain conditions like poverty racial or ideological hatreds or family pathologies Randall Collins challenges this view in Violence arguing that violent confrontation goes against human physiological hardwiring It is the exception not the rule regardless of the underlying conditions or motivations Collins gives a comprehensive explanation of violence and its dynamics drawing upon video footage cutting edge forensics and ethnography to examine violent situations up close as they actually happen and his conclusions will surprise you Violence comes neither easily nor automatically Antagonists are by nature tense and fearful and their confrontational anxieties put up a powerful emotional barrier against violence Collins guides readers into the very real and disturbing worlds of human discord from domestic abuse and schoolyard bullying to muggings violent sports and armed conflicts He reveals how the fog of war pervades all violent encounters limiting people

mostly to bluster and bluff and making violence when it does occur largely incompetent often injuring someone other than its intended target Collins shows how violence can be triggered only when pathways around this emotional barrier are presented He explains why violence typically comes in the form of atrocities against the weak ritualized exhibitions before audiences or clandestine acts of terrorism and murder and why a small number of individuals are competent at violence Violence overturns standard views about the root causes of violence and offers solutions for confronting it in the future
