Last Noel:

The Last Noel Michael Malone, 2003-10-01 Award winning author Michael Malone's *The Last Noel* is a beautiful gift to American fiction. In a deeply touching tale, *The Last Noel* captures the exuberance and poignance of a lasting friendship between a man and a woman from very different backgrounds. Noni Tilden and Kaye King grow up and grow close as their lives come dramatically together through four decades of tumultuous change in a small southern town. The story begins in 1963 when Kaye first meets Noni on the eve of their seventh birthdays. On that Christmas Eve, Kaye climbs through her bedroom window to invite her to come sledding with him in a rare southern snowfall. Over the next thirty years, on twelve days of Christmas, they meet to share the passion, the sacrifice, and the romance of a lifetime. At once exquisitely written and tearfully joyful, *The Last Noel* is one of the great love stories of our time. Praise for *The Last Noel*: Malone's latest novel reaffirms his brilliance in crafting carefully plotted fiction with a literary burnish, most often through Southern manners and intrigue. *Denver Post*: A warm, engaging love story. *Booklist*: Malone writes with such quiet authority and clear understanding of the world his characters inhabit that the story strikes deep emotional chords. *Washington Post*: Book World A Book Sense 76 Top 10 Selection. **The Last Noel** Heather Graham, 2021-10-26 BESTSELLING AUTHOR COLLECTION Reader favorite romances in collectible volumes from our bestselling authors. *The Last Noel* by New York Times bestselling author Heather Graham. With a storm paralyzing New England on Christmas Eve, the O'Boyle household becomes prey to a pair of brutal escaped killers desperate to find refuge. Skyler O'Boyle's one hope for rescue is that the men are unaware that her daughter Kat has escaped into the blizzard. But as the wind and snow continue to rage, her prayers that Kat can somehow find help seem fragile indeed. When Kat stumbles on a third felon, half-frozen and delirious, she recognizes him immediately. What is Craig Devon, the onetime love of her life, doing in such company? Craig is desperate to unload a crucial secret that could change their destiny, but one false move and everything he's sacrificed will shatter. **FREE BONUS STORY INCLUDED IN THIS VOLUME** *Secret Surrogate* by USA TODAY bestselling author Delores Fossen. The last thing this Texas sheriff wanted was to heed a frantic late-night call from Kylie Monroe, the woman who'd destroyed his life. Old wounds were ripped wide open after Lucas Creed discovered that his former deputy had moved on and was pregnant. But after rescuing her and taking her under his protection, she repaid him by dropping a bombshell on him. Now, as his secret surrogate, she planned to give the gruff lawman the ultimate gift to heal his heart. **Temple Bar** George Augustus Sala, Edmund Yates, 1863 **Temple Bar**, 1863

to foment violent revolutionary uprisings against the British in India and the Russians in Central Asia It was a new and more sinister version of the old Great Game with world domination as its ultimate aim Here told in epic detail and for the first time is the true story behind John Buchan s classic wartime thriller Greenmantle recounted through the adventures and misadventures of the secret agents and others who took part in it It is an ominously topical tale today in view of the continuing turmoil in this volatile region where the Great Game has never really ceased **Scribner's Monthly, an Illustrated Magazine for the People** ,1882 '49 George William Cronyn,1925 Greetings from Cancerland Alysa Cummings,2012-04 Shortly after Alysa Cummings was diagnosed with breast cancer she sat down at her laptop computer and began keeping a journal Over the two years of her cancer treatment Alysa continued writing as she moved through the healthcare delivery system I fantasized that I could somehow use my computer to craft a story with an upbeat next chapter or fairy tale happily ever after ending Looking back that s the only explanation I can come up with why I felt so compelled to create a record of my day to day experiences as a cancer patient The one thing I could control were these words that crowded each other as they quickly appeared on my computer screen these stories that flowed through my fingertips in such a manic rush these traumatic adventures that happened to me in a place I began to call CancerLand CancerLand it s this parallel universe I swear separate and apart from the rest of life as I once knew it How did I end up in this wacky Bizarro World filled with freaky language and even stranger rituals Gradually her daily journal entries became vignettes and poems that were published on the OncoLink website Greetings from CancerLand a collection of Alysa s writing from 2002 2012 charts one breast cancer survivor s journey as she discovers the power of writing to move her recovery forward **A Rebel Saint** Philip D. Hill,2022-01-01 Baptist Noel 1798 1873 has been described by the American Evangelical Anglican historian Grayson Carter as a towering figure in nineteenth century Evangelicalism but he has been written out of its story because he was a saintly rebel who counted a good conscience more valuable than a good standing This ultimately led him to abandon his glittering Anglican career and aristocratic family to become a Baptist minister A Rebel Saint is a comprehensive study of Noel s life work and thought correcting the neglect of his remarkable Anglican and Baptist ministries and his many years of prominence in Evangelical life Philip Hill ably illustrates his influence on issues including the Irvingite controversy the opposition to the Tractarian movement and Evangelical ecumenism and explains his centrality in the establishment of the Evangelical Alliance and the London City Mission Scholars of Evangelical history will greatly value this account of a pivotal figure while all will be inspired by his story of sacrifice of fame and fortune for the sake of obeying religious conscience Luck of the Irish Ronnie Carroll,2012 Luck of the Irish World War II has produced unspeakable horrors The war ended 67 years ago yet still more human dramas are emerging The personal consequences to families and individuals of their nature were not the subject of historical record But nevertheless pain and sorrow was deep and lasting Our story covers the experiences of an Irish family forced to emigrate They could barely afford to eat let alone clothe themselves From this

anguish and despair they found that they d landed in England right at the outbreak of war We follow the consequences of the evacuation to the children The two boys experienced cruelty violent beatings and deprivation One of the two girls was abused by a paedophile They were both then confined in a convent for five years Noel and Ronnie had eventful military experiences and Mary and Clare had hapless and very unfortunate marriages Mrs Carroll on her own performed miracles to create a home and an income for the family in the absence if the father who had gone off and volunteered for the army Many families paid a high price for the government policy of evacuation ostensibly for their protection But none suffered more than the Carroll family Ronnie s family including his wife of 44 years died around him In sadness and desolation he foresaw only a lonely old age in front of him then came a phone call from Australia **Sayings and Doings** Theodore Edward Hook,1838
