## **Last Official Italian Joke:**

*The Last Official Italian Joke Book* Larry Wilde, 1978      **The Mirth of Nations** Christie Davies, 2017-07-28 The Mirth of Nations is a social and historical study of jokes told in the principal English speaking countries It is based on use of archives and other primary sources including old and rare joke books Davies makes detailed comparisons between the humor of specific pairs of nations and ethnic and regional groups In this way he achieves an appreciation of the unique characteristics of the humor of each nation or group A tightly argued book The Mirth of Nations uses the comparative method to undermine existing theories of humor which are rooted in notions of hostility conflict and superiority and derive ultimately from Hobbes and Freud Instead Davies argues that humor merely plays with aggression and with rule breaking and that the form this play takes is determined by social structures and intellectual traditions It is not related to actual conflicts between groups In particular Davies convincingly argues that Jewish humor and jokes are neither uniquely nor overwhelmingly self mocking as many writers since Freud have suggested Rather Jewish jokes like Scottish humor and jokes are the product of a strong cultural tradition of analytical thinking and intelligent self awareness The volume shows that the forty year popularity of the Polish joke cycle in America was not a product of any special negative feeling towards Poles Jokes are not serious and are not a form of determined aggression against others or against one's own group The Mirth of Nations is readable as well as revisionist It is written with great clarity and puts forward difficult and complex arguments without jargon in an accessible manner Its rich use of examples of all kinds of humor entertains the reader who will enjoy a great variety of jokes while being enlightened by the author's careful explanations of why particular sets of jokes exist and are immensely popular The book will appeal to general readers as well as those in cultural studies

*Secretly Inside* Hans Warren, 2006 In the Dutch countryside the war seems far away For most people at least But not for Ed a Jew in Nazi occupied Holland trying to find some safe sanctuary Compelled to go into hiding in the rural province of Zeeland he is taken in by a seemingly benevolent family of farmers But as Ed comes to realize the Van t Westeindes are not what they seem Camiel the son of the house is still in mourning for his best friend a German soldier who committed suicide the year before And Camiel's fiery unstable sister Mariete begins to nurse a growing unrequited passion for their young guest just as Ed realizes his own attraction to Camiel As time goes by Ed is drawn into the domestic intrigues around him and the farmhouse that had begun as his refuge slowly becomes his prison

Diversión Albert Sergio Laguna, 2017-07-18 Winner 2018 Peter C Rollins Book Prize presented by the Northeast Popular American Culture Association Winner 2018 Robert K Martin Book Prize presented by the Canadian American Studies Association Honorable Mention 2019 Outstanding Book Award given by the Latina o Studies Section of the Latin American Studies Association A re examination of the Cuban diaspora through the lens of popular culture In an era of warming relations between the US and Cuba this book updates the conversation about Cuban America by showing how this community has changed over the past 25 years No longer a conservative Republican voting bloc the majority of Cubans today want more engagement with the island instead of less Laguna investigates the generational shifts and tensions in a Cuban America where the majority is now made up of immigrants who arrived since the 1990s and those born in the US To probe

these changes Laguna examines the aesthetic and social logics of a wide range of popular culture forms originating in Miami and Cuba from the 1970s through the 2010s They include the stand up comedy of performers like Alvarez Guedes and Robertico a festival called Cuba Nostalgia Miami morning radio shows a form of media distribution on the island known as el paquete and the viral social media content of Los Pichy Boys This study illustrates the centrality of play in a community that has been described historically as angry reactionary and melancholic Diversi n contends that our understanding of the Cuban diaspora is lacking not in seriousness but in play By unpacking this archive Laguna explores our complex often fraught attachments to popular culture and the way it can challenge and reproduce typical cultural ideologies especially in relation to politics and race In the wake of the largest migration wave to the US in Cuban history Diversi n and its focus on play is crucial reading for those who seek to understand not only the Cuban American diaspora but cultural and economic life on the island
