Age of the Gentiles and the White God Delusion Timothy Huges, 2012-10 The book is a logical Bible study and in depth examination of Race Sex Power Politics and War The Author addresses the false doctrine and propaganda that has been fronted for centuries by Christianity and Judaism as to their supremacy above other religions and races He also examines the role these two religions have played in promoting these false doctrines which literally contradict the written laws of the Bible The book further looks at Islam where the Author acknowledges the origin and foundation of its original teachings as is likened by God s Commandments and as written in the Holy Bible and Holy Qur an The Author takes a scalpel to dissect race and religion to its core The Author separates the gentile dogma of Christianity and Judaism and highlights their contradiction to the Laws of God Lastly he dwells on separation of races based on their individual religious philosophies concluding in the introduction of Lucifer as a Chief Architect of Gentile religious doctrine and practices Lucifer s mission is to maintain the delusion of the white God and its false power to rule over Black and Semite people Quotes from Author I am challenging the world s Christian religious believers communities and the general masses to follow the true laws of God They should stop falling prey to the False

Luciferian Doctrine and the delusion of White God I affirm to the world that I am a true servant of God who is challenging all religious ministers to debate evidence and facts referred to in this book through the lesson chapters so that they may distinguish the truth from the lie I challenge them to debate about the alleged religious authorities in reference to the Christian and Jewish faith in order to determine if truly their religious practices is of the God of Heaven and Earth I challenge all ministers to prove that they follow and believe in the commandments Laws and Statues of God as written in the scriptures I further challenge all of them to debate the true ethnology and race of God s chosen people his first family being the black and Semite Hebrews who are identified by their skin pigmentation and coloration and their true religion to be Abrahamic This would also prove that True Israelites are cousins to the Ishmaelite s In addition I challenge all ministers of Jewish Authority to a debate as to the true ethnology of True Hebrews of the Land of Palestine and Canaan It is worth noting that the true Hebrews were removed from the Holy land and thereafter cursed by God and Scattered unto Gentile nations in all four corners of the earth And shall remain there until the second coming of Jesus as was prophesied in his Revelation war against the Christian Jewish Armies of Gog Europe and Magog America Israel and as foretold in the book of Revelations I challenge them to deny that it has been 2000 years of Christian Propaganda Crusade by the gentiles and gentile Jews and Theologians Philosophers and Historians to hide the true identity of the true Israelites Their mission has been to remove parts of and alter the Holy Scriptures thereby changing the Laws of God Their intention is to make everyone follow Luciferian Doctrine Because of this God gave Revelation unto Jesus Christ to bring forth the final Armageddon to all who changed His Laws This led to his prophecy against the Christians Nicolaitans and Jewish doctrine religion which He hated for they are the synagogue disciples of Satan

Messianism and Sociopolitical Revolution in Medieval Islam Said Amir Arjomand,2022-10-25 This study of messianism and revolution examines an extremely rich though unexplored historical record on the rise of Islam and its sociopolitical revolutions from Muhammad s constitutive revolution in Arabia to the Abbasid revolution in the East and the Fatimid and Almohad revolutions in North Africa and the Maghreb Bringing the revolutions together in a comprehensive framework Sa d Amir Arjomand uses

sociological theory as well as the critical tools of modern historiography to argue that a volatile but recurring combination of apocalyptic motivation and revolutionary action was a driving force of historical change time and again In addition to tracing these threads throughout 500 years of history Arjomand also establishes how messianic beliefs were rooted in the earlier Judaic and Manichaeian notions of apocalyptic transformation of the world By bringing to light these linkages and factors not found in the dominant sources this text offers a sweeping account of the long arc of Islamic history The Kota Series Box Set Sunshine Somerville,2015-03-23 The Kota A terrifying virus A global tyranny Humanity remembers no better life It s time to give them one Troy Kandoya wants nothing to do with his brother s Kota movement But when the DRK virus threatens mankind and strange portals open in the sky the Kota are the only people with answers Troy becomes Trok the immortal Kota Interceder and he soon finds himself responsible for more than he ever imagined After 500 years of war genetic manipulation viral plague and the Dominion tyranny Trok must unite four prophesied Kota Warriors destined to save Earth But nothing about these heroes is what Trok expected Loree is an assassin with the ability to dematerialize Zaak is forced to grow up on an alien planet Alex is a telepath missing a year of her life Ryu has incredible mutate genes of strength Together the Warriors join Earth s rebels and use their abilities to fight the Dominion But rebel politics are complicated And always the Dominion threatens its subjects with an unstoppable weapon the dehumanizing DRK virus For centuries no one s been able to stop the Dominion and the DRK Can four Warriors really make a difference The Ebonite and Her Earthling True heroes sacrifice for the benefit of others even others most alien For the Kota Warriors everything has changed Ebon their new home is a desolate planet never meant for human life The native Kynajabi creatures threaten the Ebonite colonists survival and the ruling Council has sent their army to eradicate the beasts Many soldiers have died and fear grows over the dark planet with every Kynajabi attack The Warriors are soon entangled in the turmoil of this new world The Warrior Seer becomes a god prophet working to guide the suffering Ebonites and veterans of the Kynajabi Eradication Effort The Hunter and Fighter continue to search for their missing Earth enemy but soon an unexpected source tells them of a new mission And the Leader If Cliqani can heal her mysteriously resurrected Earthling patient hope may return to Ebon But should Cliqani heal the woman only to send her to the army and her probable death As snow begins to fall the army nears the Kynajabi nest However Trok s Ebonite friend holds the secret that will truly restoring peace for Ebon and its inhabitants if they will listen Pharmakon We only get a few second chances In Phantasya s supernatural paradise the Warriors and their friends hope to rest for a while Soon however trials and revelations arise for each Kota Warrior Rave and Arctos travel back to Ebon to finish a mission they thought was over this time with a shocking ally Amu struggling to find her place again teleports to Rowen and discovers a secret hidden since Earth Left on Phantasya Kynacoba and Galcon fight a devilish enemy who could lead the natives into horrific rebellion against their Guardian Meanwhile the isolation of Trok s immortality begins to take its toll Knowing how this future ends he must do what s best for everyone involved But Phantasya is a world fated to test man s faith and the

Phantasyans aren't the only ones plagued by doubt. How do you best fight a losing battle? The more the Warriors discover the trickier their choices become. Zenith Prophecies: Love and Hate, Good and Evil, Light and Dark. The Kota of Zenith have waited centuries for the Warriors. They've thrived on their beautiful Earth-like planet although nobles hoard wealth in the Sky while Ground commoners grow hostile. Now Empress Jen Mu Ril insists that Rave force the last Kota prophecy in order to bring peace to their world. But the Warriors know what this prophecy will mean for Kynacoba. And have the Kota learned nothing about faith in five hundred years? Shocking them all, the Warriors' greatest enemies are discovered on Zenith. It's then that Amu's Magi mission becomes clear. Everything they've fought for as the Warriors comes together in one last desperate mission. They must save their people and stay strong even after one of their own is murdered. With the help of Neema and Toel, two Zenoës with secrets of their own, the Warriors must discover what it truly means to be Kota. Only then can they fulfill their duty and reach the promised Re-Life of peace.

The Scriptures Searched Henry Jones (of New York.), 1839 *The Scriptures Searched: or, Christ's Second Coming and Kingdom at Hand* Henry Jones, 2024-09-10 Reprint of the original first published in 1839 Bibliotheca sacra, 1846 **Bibliotheca Sacra and Theological Review**, 1846 A Cover for Glory Dale Partridge, 2023-04-11 For nearly 2000 years, virtually every Christian woman wore a headcovering during worship. Today the practice has nearly disappeared. What happened? Dale Partridge walks Christians verse by verse through 1 Corinthians 11:2-16 to help them understand the doctrine of headcoverings and how these biblical symbols visually preserve God's design for men and women. But more than that, he demonstrates that when these visual symbols are eliminated from the church, society's definitions of men and women are forgotten. Dale argues that by restoring this biblical practice, Christians can uphold God's plan for gender roles and restore order among God's people. The Presbyterian Critic and Bi-monthly Review, 1856 *Horæ apocalypticæ; or A commentary on the Apocalypse, critical and historical; including an examination of the chief prophecies of Daniel* Edward Bishop Elliott, 1862 **Horæ Apocalypticæ**, 1862 *Prophetic Evangelism* Mark Stibbe, 2004-02-01 In this compelling book, Mark Stibbe argues that God wants to use Christians to speak prophetically into the lives of unbelievers, waking them up to the fact that Jesus is alive and he knows their every thought, word, and action. There are many biblical examples of God's people using prophecy in their witness to unbelievers. Jesus used prophecy in His ministry to seekers. After Pentecost, God gave the gift of prophecy to believers as one resource among many in their witness to the world. Furthermore, Christians today receive prophecies for those who don't know Christ, often with immediate and life-changing effects. This book contains many such testimonies. *Tribulation* R. H. Vargo, 2009-12-15 *Tribulation: God's Plan for the End of the Age* reveals the information God wants every Christian to know during the last days before Christ returns. In his follow-up book to 2028, R. H. Vargo gives you his insights on the coming events of the Tribulation, the timing for those events, and what the Lord expects of you during the last days of this age. He provides details of when Jesus will return, the antichrist's plans, the rapture, the mark of the beast, and all the end-time prophecies from Revelation are explored in verse by

verse detail You do not want to be caught off guard during the cataclysmic times ahead not knowing what to expect God always tells his people ahead of time of His plans but only to those servants willing to listen The Rapture 2028: America'S Countdown to Apocalypse! David Netherton,2015-01-02 A Shocking Bible Discovery found in the Dead Sea Scrolls After forty years of research in the Biblical text this book came about while studying Biblical manuscripts in their original Greek I was given a project by my Greek professor to research the Dead Sea Scrolls This research changed my life my belief about time and the books of the Bible While researching the Dead Sea Scrolls I found two historical books that were in the Bible during Jesus time on this Earth So I ask this question Why did man remove these books The deeper I studied I discovered that our Bible should have seventy books instead of sixty six Six is the number of man and a number representing incompleteness Sixty six doubles its meaning and the number 666 needs no explanations Men do resist Gods will today 2 Peter 3 9 While researching the subject I encountered extreme opposition The books of the Bible should be divisible by seven So we are missing one New Testament book and three Old Testament books to make a seventy book Bible Have we been deceived by our religious leaders and science community Does all time truly consist in a 7 007 year window This book is written from the complete seventy book Bible which was revealed in the Dead Sea Scrolls Do the scrolls reveal angels mating with the daughters of Adam Where did the giant human originate Have we all been lied to about Genesis 6 and the events during the days of Noah Are angels and demons masquerading as aliens and UFOs in a great end of time deception Will the dollar collapse by 2022 Will the U S be destroyed in one day by 2028 However when He the Spirit of truth has come He will guide you into all truth for He will not speak on His own authority but whatever He hears He will speak and He will tell you things to come John 16 13 14
