Last Round Up

Bob Johnson, Allen Weitzel

Last Round Up:

The Last Round-up Christie Golden, 2012-09-04 Once a hero always a hero Having saved the Federation one more time in Star Trek The Undiscovered Country Captain James T Kirk and the crew of the USS Enterprise have finally gone their separate ways Spock McCoy Sulu and the others are spread out across the galaxy pursuing their own individual destinies until an interstellar crisis touches all their lives Bored with retirement Kirk jumps at the chance to help his nephews colonise a distant uninhabited planet in a far corner of the Alpha Quadrant He even persuades Scotty and Chekov to come along for the ride But on the planet known as Sanctuary colonists find they are not alone after all An unknown alien race has established an outpost there for their own mysterious reasons Suspicious Kirk investigates and uncovers a terrifying threat that strikes at the security of the entire Federation

Last Round-Up of the Guacamole Queens Jessie Jones, Nicholas Hope, Jamie Wooten, 2015-01-01 THE STORY In this deliciously funny Southern fried comedy the Verdeen cousins of Sweetgum Texas Gaynelle Peaches and Jimmie Wyvette are up against the clock as they frantically attempt to produce the ultimate high school reunion before the old building is demolished But they've got a bushel of obstacles to overcome before they can pull off this miracle Gaynelle is reeling from the humiliating demise of her loathed ex husband Peaches' romantic life has tanked because the older her dates get the more horrified they are by her job as a mortuary cosmetologist and Jimmie Wyvette is trying to live down her on camera catfight with a local televangelist To top it all off the cousins have got to impress a governor's aide with their party planning capabilities so that they can nab the plum job of throwing the governor's birthday bash and keep their business afloat Their scramble to prepare the perfect event is interrupted by the exploits of their beloved Uncle Aubrey who is in danger of getting throttled by the two octogenarian sisters he's simultaneously romancing and by threats from their self-righteous Aunt LaMerle who is determined to be crowned the final and forever Guacamole Queen of Sweetgum High And that's before one of Peaches' former classmates arrives with a malevolent hand puppet and a score to settle Jimmie Wyvette hog ties the sheriff with police tape the high school gym is blown away and the desperate battle for Guacamole Queen heats up into an outrageous fight to the finish Chaos is side-splittingly achieved A gut-busting Jones Hope Wooten farce and a stand-alone play in its own right LAST ROUND UP OF THE GUACAMOLE QUEENS is the third and final comedy in the Verdeen Cousins Texas Trilogy that begins with THE RED VELVET CAKE WAR and continues with REX'S EXES You'll laugh so hard you might even consider attending your next high school reunion

SPIN, 1987-02 From the concert stage to the dressing room from the recording studio to the digital realm SPIN surveys the modern musical landscape and the culture around it with authoritative reporting provocative interviews and a discerning critical ear With dynamic photography bold graphic design and informed irreverence the pages of SPIN pulsate with the energy of today's most innovative sounds Whether covering what's new or what's next SPIN is your monthly VIP pass to all that rocks

Gene Autry Don Cusic, 2007-01-01 This biography takes the reader from Gene Autry's childhood in Oklahoma

through his career as a singer and actor and covers his later triumphs in business and sports Of particular interest is the book's detailed day to day treatment of Autry's performing career with information on each recording session and film shoot including key personnel and interesting anecdotes Provided by publisher **United States Navy Song Book** United States Navy Department. Naval Personnel Bureau, 1945 Country Music Dayton Duncan, Ken Burns, 2019-09-10 A gorgeously illustrated and hugely entertaining story of America's most popular music and the singers and songwriters who captivated entertained and consoled listeners throughout the twentieth century based on the eight part film series This fascinating history begins where country music itself emerged the American South where people sang to themselves and to their families at home and in church and where they danced to fiddle tunes on Saturday nights With the birth of radio in the 1920s the songs moved from small towns mountain hollers and the wide open West to become the music of an entire nation a diverse range of sounds and styles from honky tonk to gospel to bluegrass to rockabilly leading up through the decades to the music's massive commercial success today But above all Country Music is the story of the musicians Here is Hank Williams's tragic honky tonk life Dolly Parton rising to fame from a dirt poor childhood and Loretta Lynn turning her experiences into songs that spoke to women everywhere Here too are interviews with the genre's biggest stars including the likes of Merle Haggard to Garth Brooks to Rosanne Cash Rife with rare photographs and endlessly fascinating anecdotes the stories in this sweeping yet intimate history will captivate longtime country fans and introduce new listeners to an extraordinary body of music that lies at the very center of the American experience The Soundies Mark Cantor, 2023-04-19 The 1940s saw a brief audacious experiment in mass entertainment a jukebox with a screen Patrons could insert a dime then listen to and watch such popular entertainers as Nat King Cole Gene Krupa Cab Calloway or Les Paul A number of companies offered these tuneful delights but the most successful was the Mills Novelty Company and its three minute musical shorts called Soundies This book is a complete filmography of 1 880 Soundies the musicians heard and seen on screen recording and filming dates arrangers soloists dancers entertainment trade reviews and more Additional filmographies cover more than 80 subjects produced by other companies There are 125 photos taken on film sets along with advertising images and production documents More than 75 interviews narrate the firsthand experiences and recollections of Soundies directors and participants Forty years before MTV the Soundies were there for those who loved the popular music of the 1940s This was truly music for the eyes **Frontier Village** Bob Johnson, Allen Weitzel, 2013 In the late 1950s businessman Joe Zukin Jr had a dream of building an amusement park with a Wild West theme in Santa Clara County His dream was realized with the 1961 opening of Frontier Village on the former grounds of the Hayes Mansion in south San Jose Among the trees rose a fantasy frontier town complete with a Main Street where hourly gunfights always ended with the bad guys being carted off to Boot Hill Visitors could relax in the town square or ride the train around the park Guests could paddle an Indian war canoe ride in a stagecoach or venture into the interior of a haunted mine Frontier Village was a safe and clean place that welcomed

children and their families Encroaching subdivisions and changing economic conditions forced the park to close in 1980 but to this day fond memories of the park continue to live on in everyone who ever visited or worked in Frontier Village *New York Magazine* ,1978-06-05 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

Willie Morris Jack Bales,2015-06-14 William Weaks Morris was a writer defined in large measure by his Southern roots A seventh generation Mississippian he grew up in Yazoo City frequently reminded of his heritage Spending his college years at the University of Texas and at Oxford University in England gave Morris a taste of the world and at the very least something to write home about This volume is a comprehensive reference work dealing with Willie Morris life and works It is also a literary biography based on hundreds of primary sources such as letters newspaper articles and interviews The principal focus is on Morris literary legacy which includes works such as *North Toward Home* *New York Days* and *My Dog Skip*

Country Music Records Tony Russell,Bob Pinson,Country Music Hall of Fame & Museum (Nashville, Tenn.),2004-10-07 More than twenty years in the making Country Music Records documents all country music recording sessions from 1921 through 1942 With primary research based on files and session logs from record companies interviews with surviving musicians as well as the 200 000 recordings archived at the Country Music Hall of Fame and Museum s Frist Library and Archives this notable work is the first compendium to accurately report the key details behind all the recording sessions of country music during the pre World War II era This discography documents in alphabetical order by artist every commercial country music recording including unreleased sides and indicates as completely as possible the musicians playing at every session as well as instrumentation This massive undertaking encompasses 2 500 artists 5 000 session musicians and 10 000 songs Summary histories of each key record company are also provided along with a bibliography The discography includes indexes to all song titles and musicians listed

Indians of the United States: Hearings ,1919 *The Angry Buzz* Patricia Holland,2006-01-25 Current affairs television in the UK in more than half a century of programmes has set out to tell us something we didn t know treating its audience as citizens with the right to demand that something must be done Over their 36 year history the current affairs series *This Week* and its replacement *TVEye* helped to mark out that democratic project This is the story of *This Week* one of the few giants of the genre set within the wider pattern of the angry buzz of inquiry and dissent that is current affairs television This is a particularly timely tale now that many fear that current affairs may be an endangered species Patricia Holland follows *This Week* from its beginnings in the 1950s as a light magazine programme with some serious moments through the challenging programmes of the 1970s which brought home the reality of poverty at home famine in Africa and accusations of torture in Northern Ireland The story continues right up to

its demise in 1992 often blamed on its controversial programme Death on the Rock on the shooting of IRA terrorists in Gibraltar She shows how This Week covered the spectrum of public affairs and social issues in an uncompromising way which regularly brought it into conflict with the authorities She also brings to life people with a real sense of purpose and commitment and the realities of digging behind the headlines against a highly charged international political backdrop The Angry Buzz also explores the development of current affairs journalism It looks at the scope of the current affairs agenda the practice of responsible journalism while producing attractive programmes regulation and public service television tabloidisation and dumbing down and issues for women working within a genre largely dominated by men This history of This Week and current affairs journalism is a live history which does not remain in the past but has a real purchase on the present and the future

Harold Gasson's Steam Days Harold Gasson,2020-12-12 When Harold Gasson first put pen to paper more than forty years ago it was at a time when there was a growing resurgence of interest in the steam railway Three of his books described his life as a fireman based at Didcot shed from the early 1940s Firing Days was followed by Footplate Days and then Nostalgia Days Finally after Harold had forsaken the footplate for the signal box came the final instalment Signalling Days All were eagerly sought after at the time for they described the railway readers wanted to hear about providing a nostalgic perspective which could be enjoyed from the comfort of one's arm chair Out of print for several decades all four books have now been reprinted and are available together for the first time complete with a new set of illustrations The steam engines and most of the mechanical signal boxes of Harold's working days may have been long consigned to history but in these well written and enjoyable books they are brought vividly back to life for a new audience to enjoy as well for those who recall his era for whom these tales will reawaken treasured memories

A Necessary Killing Hilary Lloyd,2006-06 Julie Sumner is no quitter When her husband is killed she runs their plague threatened farm alone All around battle the same danger and wonder at her refusal to grieve but Julie's obsessive allegiance to the land and her animals is the only thing that keeps her going Even when everyone else surrenders she fights on in a barricade of barbed wire And when it is men not bugs that smash her defences Julie still isn't beaten She uncovers the identity of the man who wiped her out and she knows where to find him Now her goal is murder the perfect murder a necessary killing A gripping portrait of a modern tragedy Kate Long The Times 2006 new star of fiction

Motor Matt's Submarine; or, The Strange Cruise of the Grampus Stanley R. Matthews,2023-10-19 In Motor Matt's Submarine or The Strange Cruise of the Grampus Stanley R Matthews crafts an exhilarating adventure that blends elements of early 20th century pulp fiction with the burgeoning fascination for marine exploration The narrative follows Motor Matt and his companions as they embark on a daring voyage aboard the submarine Grampus encountering mysterious sea creatures and hazardous challenges Matthews vivid imagery and lively dialogue encapsulate the spirit of innovation of his time leading readers through an imaginative journey that reflects the era's technological enthusiasm and quest for discovery Stanley R Matthews an accomplished writer and editor drew inspiration

from his own love for adventure and the rapid advances in maritime technology during the early 1900s His background in the popular serialization of stories for young audiences significantly influenced the book's structure fostering a sense of suspense and engagement characteristic of serial narratives Matthews aimed to instill wonder and curiosity in his readers particularly the youth encapsulating the thrill of exploration amid the turn of the century zeitgeist This book is highly recommended for readers who delight in classic adventure tales and the nostalgia of early science fiction Motor Matt's Submarine not only serves as an entertaining romp through the depths of the ocean but also as a cultural artifact that highlights the interplay of technology and imagination in an era ripe for exploration

Other People's Horses Bethany Brandon, 2000-07 What do you want to be when you grow up For a restless soul like Bailey settling on an answer isn't easy especially when the choice seems so unlikely Who knew she'd have a knack for drilling oil wells Never mind that it's the Nineties and another boom is on This is still Texas and a woman in the oil patch has got to want to be there And even then sometimes you find when you get what you want it's not what you thought it would be after all From the smoky bars of Austin to the oil fields of the south this coming-of-middle-age tale spans a backdrop big as Texas to capture a quintessential truth about what it means to find your place

The Other Side of Oregon Ralph Friedman, 1993 Distributed by the University of Nebraska Press for Caxton Press Eastern Oregon is less well known than the West of that state The two sides of Oregon differ dramatically in climate and geography But it is the people and their stories that set the east apart and which take center stage in this another of veteran author Ralph Friedman's odes to Oregon

Insurgent Democracy Michael J. Lansing, 2016-11-08 In 1915 western farmers mounted one of the most significant challenges to party politics America has seen the Nonpartisan League which sought to empower citizens and restrain corporate influence Before its collapse in the 1920s the League counted over 250 000 paying members spread to thirteen states and two Canadian provinces controlled North Dakota's state government and birthed new farmer labor alliances Yet today it is all but forgotten neglected even by scholars Michael J Lansing aims to change that *Insurgent Democracy* offers a new look at the Nonpartisan League and a new way to understand its rise and fall in the United States and Canada Lansing argues that rather than a spasm of populist rage that inevitably burned itself out the story of the League is in fact an instructive example of how popular movements can create lasting change Depicting the League as a transnational response to economic inequity Lansing not only resurrects its story of citizen activism but also allows us to see its potential to inform contemporary movements

The Sky Pilot in No Man's Land Ralph Connor, 2021-04-25 In *The Sky Pilot in No Man's Land* Ralph Connor presents a gripping narrative set against the backdrop of World War I weaving together themes of faith sacrifice and the indomitable human spirit The novella follows the journey of a sky pilot who serves as both a spiritual guide and a moral anchor amidst the chaos of war Connor employs a vivid and emotionally charged literary style blending elements of adventure and spiritual reflection which captures the reader's imagination while prompting deeper contemplation about the role of faith in times of crisis This work also reflects the wider

literary context of early 20th century literature where the war profoundly influenced writers to explore the complexities of human experience in the face of conflict Ralph Connor the pseudonym of the Canadian author Charles William Gordon was deeply influenced by his background as a minister and his experiences in Canada His intimate knowledge of both spiritual matters and the hardships faced by soldiers colored his portrayal of the sky pilot imbuing the narrative with authenticity and emotional depth Connor s commitment to social issues particularly those affecting veterans and the moral implications of war drove him to craft this poignant tale that resonates with universal themes of hope and resilience I recommend The Sky Pilot in No Man s Land to readers seeking a profound exploration of faith amid turmoil This novella not only offers a compelling story but also serves as a meditation on the enduring power of belief and human connection in the most challenging of circumstances It is a must read for those interested in literature that transcends its time echoing with relevance to contemporary discussions about war and spirituality
