Last Time I Saw Jane:

The Last Time I Saw Jane Kate Pullinger,1996 **Murphy's Mysteries** Helena Patterson,2023-03-03 Follow Detective Murphy on his journey as a skilled detective as he is faced with unusual homicides to be solved in his town and surrounding areas Every case will need to be approached differently and every outcome will have a surprising twist He will need to follow the clues some of which are not clear for the eye to see however if you listen closely you might find the final piece of the puzzle in an unexpected response or reaction from a potential suspect He will have to revisit some crime scenes and interview witnesses several times to ensure that he gets the right person the first time Reviewing the coroner s reports will always give him the edge in the investigation and his instinct is what helps him decide in which direction to go Using all the methods available to him as an officer of the law and seasoned detective he needs to solve these mysteries to keep his town and his family safe These case files will have you wondering and intrigued until the end **Celebration of Sisters** Judy Lipson,2021-11-30 For Judy Lipson her sisters were her compass constant champions and competitors and for thirty years she suppressed the grief of losing her two beloved sisters Judy lost her younger sister Jane at age twenty two in an automobile accident and nine years later her older sister Margie at age thirty five to a twenty year battle with anorexia and bulimia It was not until 2011 that Judy began her journey to mourn for Margie and Jane Judy experienced the reality that those who lose siblings are the forgotten mourners and they are left to take care of their parents and children The impact of their loss takes a back seat Through her participation and work prescribed in a complicated grief study Judy learned to restore her well being happy memories of her sisters and the passion the three of them had for figure skating By bringing her sisters and their memories together more present in her life Judy found peace To honor the memory of her sisters Judy created and continues to hold Celebration of Sisters an annual ice skating fundraiser which benefits Massachusetts General Hospital in Boston Massachusetts This is the story of how Judy used her memories and their shared love of ice skating to come full circle When she performs on the ice Judy feels Margie and Jane on each shoulder guiding her and whispering in her ear Judy you ve got this This is a story of love grief and moving forward even years after the loss *Granny's Stories* Margaret Henderson,2016-08-05 Here is a life story to be gleaned from tales of adventure remarkable journeys and interesting people The authors intention is to inform and inspire her granddaughters and to leave them with an image of her as something more than the old woman they knew and loved Some internet research into the lists at the end of some of the sections will provide an historical and geographical backdrop to many of the lively anecdotes The Diehard Jon A. Jackson,2014-12-09 The explosive debut novel featuring hard nosed cop Fang Mulheisen from an author who stands right up there with the best chroniclers of urban crime The New York Times The city of Detroit doesn t have many places anyone would exactly call nice But the exclusive enclave of Indian Village is an oasis of calm surrounded by urban blight At least until a beautiful young heiress is murdered during a home robbery gone horribly wrong if that really is what happened

Detroit's Det Sgt Fang Mulheisen isn't so sure. The coincidences of the case are just a bit too coincidental, the ruthlessness of the crime goes way beyond a punk thief looking for a quick score and the victim's big banker husband may owe some very bad people more than just money. What they want is blood. And Mulheisen may be the only man who can keep them from getting it. With gritty detail, whip-smart dialogue and street-level action, the elaboration of the plot and the quality of the writing put *The Diehard* pretty close to the top of its class. **The New York Times Book Review**

Vengeance Ronald A. Moore, 2015. The book is mainly a crime story with a heartwarming love theme built in to the context. The crime is the illegal sale and distribution of drugs through the equine sports of horse racing and show jumping and how the sports became infiltrated by shady owners and people working within the two sports, for instance race horse trainers and jockeys. The novel takes you on a journey at breakneck speed on how the drugs come into the country and are then dispersed through a network of outlets on the racecourses all over the south of England. Furthermore, the novel tackles how the drugs are passed to customers in such a unique manner without money actually changing hands. The novel tells the story of the jockey club's security agents. *Discreet Intelligence Reports Readers Digest Magazine*. **VENGEANCE** which is superbly crafted, intricately detailed story is by turns joyful, sorrowful and uplifting. A must-read story of relationships, prejudice and a vivid paean for justice. Overall, this fine book offers well-drawn human characters and logically flowing action, all written in a striking style. If you enjoyed *Vengeance*, the sequel *The Secret Syndicate* is under way. It's set in Sussex and filled with more intrigue regarding the horse racing industry. Release date: September 2015. Find out how Steve and Laura, Ricky and Charlie and DCI John Heyes crack their second case. Will Miles and Natalie get together? And how will Laura deal with a yard full of horses? Ronald Moore had the incredible experience of working as an assistant trainer in a racing yard during the late 1980s and early 1990s. He has also held a jockey's licence during that time and rode in races. His niece was an international showjumper who represented her country many times before turning to race riding; she rode in two Grand Nationals. Ronald has always been interested in horse racing and showjumping and has owned many racehorses and showjumpers over the years. One of his favourite authors is Dick Francis, who wrote many novels based on the horse racing theme. Jilly Cooper, famed for her book *Riders*, set in the promiscuous showjumping world, is another author he admires. *Vengeance* is Ronald's first novel and he sought to blend racing and showjumping as the story's backdrop, peppering the action with romance as well as various criminal activities regarding the illegal sale and distribution of drugs. This provides a unique spin on this tried and trusted equestrian theme that has served countless authors so well in the past. Ronald intends to utilise the main characters in this novel in the sequel, which he is writing at the moment. He hopes the poignant scenes and moral issues threaded through the story together with the romance and fast-paced action will make *Vengeance* a memorable and enjoyable read. **Literature and Racial Ambiguity**, 2016-08-09.
