Sonnichsen,2016-10-18 Winner of both the National Cowboy Hall of Fame's Western Heritage Award and the Western Writers of America's Spur Award A solid account of a southwestern character who has flitted in and out of frontier and economic history American Historical Review A creditable work on a fascinating individual In delightful writing style he has reconstructed Greene's life explaining the ambitions as well as the frailties of this extraordinary entrepreneur History A rewarding study of the later days of mining Arizona and the West *Whitaker's Cumulative Book List* ,1985 **Books in Print** ,1981 **National Union Catalog** ,1978 Includes entries for maps and atlases The Rustler of Wind River George W. Ogden,2021-08-05 Saul Chadron's plan to hire Mark Thorn to kill the rustler Alan MacDonald goes awry with his own daughter falling for his enemy On the top of it he couldn't have anticipated the huge backlash the rustlers would put up against him and his mighty band of settlers Who will have the last word or say the last bullet _x000D_ Excerpt _x000D_ When a man came down out of the mountains looking dusty and gaunt as the stranger did there was no marvel in the matter of his eating five cans of oysters The one unaccountable thing about it was that Saul Chadron president of the Drovers Association should sit there at the table and urge the lank lean starveling to go his limit Usually Saul Chadron was a man who picked his companions and was a particular hand at the choosing He could afford to do that being of the earth's exalted in the Northwest where people came to him and put down their tribute at his feet **The Wister Trace** Loren D. Estleman,2014-09-29 The Wister Trace Second Edition will be a work of literary criticism consisting of the twenty nine original essays on classic western novels found in the first edition and additional essays of commentary and criticism on such authors as Larry McMurtry Cormack McCarthy Willa Cather Jane Smiley St Clair Robson Dorothy Johnson Margaret Coel Tony Hillerman Richard Wheeler and Don Coldsmith The new edition will consist of at least 25% new material This new edition serves as a unique and informative critique of western fiction authors and offers a much updated version of the original **Counternarrative Possibilities** James Dorson,2016-06-09 Counternarrative Possibilities reads Cormack McCarthy's Westerns against the backdrop of the two formative national tropes of virgin land from the 1950s and homeland

after 9 11 in American mythology While both of these figures have been used in exceptionalist discourse about the United States they are also intimately connected with the emergence and transformation of the field of American Studies Using an integrative approach to read McCarthy s Westerns in relation to both their ideological context and the institutionalized ideology critique that has shaped their reception the book shows how McCarthy s Westerns simultaneously counter the national narratives underlying the tropes of virgin land and homeland and reinvest them with new potentially transformative meaning McCarthy s work of the 1980s and 1990s both draws on postmodern strategies of narrative disruption and departs from them by staging a return to narrative that prefigures recent postpostmodern developments Departing from prevailing accounts of McCarthy that place him in relation to his literary antecedents *Counternarrative Possibilities* takes a forward looking approach that reads McCarthy s work as a key influence on millennial fiction Weaving together disciplinary history with longstanding debates over the relationship between aesthetics and politics *Counternarrative Possibilities* is at once an exploration of the limits of ideology critique in the 21st century and a timely reconsideration of McCarthy s work after postmodernism
