**The Last Apocalypse** James Reston, Jr., 1999-02-16 Accomplished historical author James Reston Jr presents the enthralling saga of how the Christian kingdoms converted conquered and slaughtered their way to dominance in Europe as the year 1000 approached Through Reston's brilliant narrative and engaging portraits of the unforgettable historical characters who embodied the struggle for the soul of Europe students are introduced to a pivotal period in history during which an old order was crumbling and terrifying confusing new ideas were gaining hold in the populace From the righteous fury of the Viking queen Sigrid the Strong Minded who burned unwanted suitors alive to the brilliant but too cunning Moor al Mansur the Illustrious Victor to the aptly named English king Ethelred the Unready to the abiding genius of the age Pope Sylvester II warrior kings and concubine empresses maniacal warriors and religious zealots bring this stirring period to life

Pharr, 2016-10-13 Do you find yourself contemplating the imminent end of the world Do you wonder how society might reorganize itself to cope with global cataclysm Have you begun hoarding canned goods and ammunition Visions of an apocalypse began to dominate mass media well before the year 2000 Yet narratives since then present decidedly different spins on cultural anxieties about terrorism disease environmental collapse worldwide conflict and millennial technologies Many of these concerns have been made metaphorical zombie hordes embody fear of out of control appetites and encroaching disorder Other fears like the prospect of human technology's turning on its creators seem more reality based This collection of new essays explores apocalyptic themes in a variety of post millennial media including film television video games webisodes and smartphone apps

**The Last Myth** Matthew Barrett Gross, Mel Gilles, 2012-03-06 During the first dozen years of the twenty first century apocalyptic anticipation in America has leapt from the cultish to the mainstream Today nearly 60 percent of Americans believe that the events foretold in the book of Revelation will come true But many secular readers also seem hungry for catastrophe and have propelled books about peak oil global warming and the end of civilization into bestsellers How did we come to live in a culture obsessed by the belief that the end is near The Last Myth explains why apocalyptic beliefs are surging within the American mainstream today Demonstrating that our expectation of

the end of the world is a surprisingly recent development in human thought the book reveals the profound influence of apocalyptic thinking on America's past present and future      *The Last Comics on Earth* Max Brallier, Joshua Pruett, 2023-04-25 A New York Times bestseller *The Last Kids on Earth* are creating THEIR OWN COMIC BOOK From worldwide bestselling author Max Brallier comes a full color graphic novel spin off series based on the #1 New York Times Wall Street Journal and USA Today bestselling *Last Kids on Earth* Jack Quint June and Dirk are about to face a challenge unlike any they've faced before At their local comic book store the kids make a startling discovery they've read every last issue of their favorite comic Z Man and no new issues are coming ever Thanks a lot apocalypse Nooo Our heroes have but one choice continue Z Man's legacy by writing and illustrating THEIR OWN COMIC BOOK Step one Knock off their beloved Z Man and cast themselves as super rad super goofy superhero protectors of the mysterious city of Apocalyptia What could possibly go wrong Just about everything Fans are sure to love this hilarious action packed four color graphic novel series by the creators of *The Last Kids on Earth*      *The Last Poems of D.H. Owsley,2012-04-21 In the last sermon on the mount preached by three of the apostles it became very clear why Matthew 27 52 53 said that a lot of graves were opened and many bodies of the saints which slept arose For according to a brand new Dead Sea scroll found in 2012 it came to pass two months after the resurrection of our Alpha and Omega that a great gathering of 1 500 hungry souls took place under the shadow of some sparse olive trees on a balmy evening And several of the joyous souls who came out of the graves before they appeared unto many others in the holy city were also on hand to give their supernatural testimonies Twas therefore a most wonderful time of some wondrous celebration a time of wonder a time of real excitement mirth and gaiety like many followers of our Victor of Death never experienced before And as it was written in that scroll of Ophir it additionally came about that many infirmities were miraculously healed under the shadows of Peter the Rock John the beloved and Thomas the Convinced Nor was there anyone on that amazing scene that ever would have believed that he was once called Doubting Thomas For when that apostle of God s holy fire spoke the stars seemed to blaze much brighter the birds even seemed to sing a lot louder and believers who gave him their ears seemed to believe even more than they did before his sweetest words came forth like honey Twas a very noted meeting that Josephus the historian later wrote about as well when he wrote that even some of the onlooking Roman guards to that event bent their knees towards the Place of the Skull the very site where Jesus was cruelly crucified and buried nearby at it s flower adorned base And one of the most fascinating things that the resurrected saints on hand bore witness to was the indisputable fact that before the sun ever rose on early Easter morning the night unexpectedly became as day as God s resurrection power blazed away And that was the very same happening that soldiers reported to Pontius Pilate which he in turn later on disclosed to emperor Tiberius in a well authenticated correspondence So dare to enter into this guide to incredibility which shall greatly bless any thirsty soul with the kind of Living water that shall cause many lilies of the valley to bloom during the very worse kind of droughts For this following unrolled scroll of Ophir is a most precious one Neither can anyone argue that it isn t much finer than the purist gold that was long ago brought forth from that place where the very best dreams where documented as Peter said Verily verily just as his Master lovingly taught him As a bonus feature of this best of the books The Last Gospel of Christ and The Letters of Pontius Pilate are also included to bless the reader     **Light on the Last Things** William Benjamin Hayden,1869     History: fiction or science?. Chronology 1 A. T. Fomenko,2006 The author contends that all generally accepted historical chronology prior to the 16th century is inaccurate often off by many hundreds or even thousands of years Volume 1 of a proposed seven volumes     The Last Judgment, and the Babylon Destroyed ... (A Continuation Concerning the Last Judgment, and

Concerning the Spiritual World, Etc.) Translated from the Latin ... Stereotype Edition Emanuel Swedenborg, 1839     *The book of Revelation; or, The last volume of prophecy, tr. and expounded by J.G. Murphy John (st.), 1882*     **Israel's Last Prophet** David L. Turner, 2015 Jesus words of indictment and judgment in the Gospel according to Matthew have fueled centuries of Christian anti Judaism But what did those words originally mean within Matthews narrative David L Turner examines how Matthew has taken up Deuteronomic themes of prophetic rejection and judgment and woven them throughout the Gospel culminating in Matthew 23 32 Matthew was engaged in a heated intramural dispute with other Jewish groups Turner argues The legacy of Christian anti Jewish violence reflects a gross misunderstanding of Matthew by generations who have failed to recognize the authors worldview and allusions     *Experiencing the Last Judgement* Niamh Bhalla, 2021-09-30 Experiencing the Last Judgement opens up new ways of understanding a Byzantine image type that has hitherto been considered largely uniform in its manifestations and to a great extent frightening coercive and paralysing It moves beyond a purely didactic understanding of the Byzantine image of the Last Judgement as a visual eschatological text to be read and learned from and proposes instead an appreciation of each unique image as a dynamic site to be experienced Paintings icons and mosaics from the tenth to the fourteenth century from inside and outside of the Byzantine Empire are placed within their specific socio historical milieus their immediate decorative programmes and their architectural contexts to demonstrate that each unique image constituted a carefully orchestrated and immersive experience of judgement Each case study outlines the differences that exist in reality between these images that are often subsumed under one iconographic label making a case against condensing dynamic lived images into apparently static pictorial types Images of the Last Judgement needed the body mind and memory of the viewer for the creation of meaning and so the experience of these images was unavoidably spatial gendered corporeal mnemonic emotional rhetorical and most often liturgical Unpacking Byzantine images of judgement in light of these various facets of experience for the first time helps to elucidate the interaction of past individuals with the image and the ways in which such encounters were intended to benefit the communities that made and lived alongside them     **The Revelation to John. Approaches to the last book of the bible** Kevin Omondi, 2024-01-15 Essay from the year 2024 in the subject Theology Biblical Theology grade 1 4 Nations University Nations University course New Testament Interpretation language English abstract The last book of the Bible the Apocalypse or Revelation to John is one of the most difficult to interpret because it is dense with foreign and elaborate symbolism which appears odd to the modern reader Symbolic language on the other hand is a key feature of apocalyptic literature of which this work is an exemplary example From around 200 B C to A D 200 such writing was extremely popular in both Jewish and Christian society This book offers a narrative of visions in symbolic and allegorical language derived heavily from the Old Testament particularly Ezekiel Zechariah and Daniel It is unclear whether these visions were genuine experiences of the author or merely literary conventions adopted by him     *Maestro. Jean Baudrillard. The Last Prophet of Europe* Dr. Oleg Maltsev, Jean Baudrillard is

characterized as the Last Prophet of Europe not just because he was a prominent thinker French philosopher and author of more than 50 works and essays that examine modern consumer society in depth Events and phenomena described by Baudrillard in his works 20 30 years ago are taking place today By means of his writings he described his view of the world and explained why people and society are the way they are He encrypted in his works a system that allows for making accurate prognosis There was no book until this that could have demonstrated the integral system of Baudrillard s philosophy Baudrillard did not share it with anybody and did not describe it explicitly as a whole Figuratively speaking he deconstructed his system into bricks his writings then built a building out of them numbered each brick and dismantled the building and burned the schemes In the book Baudrillard Maestro The Last Prophet of Europe Oleg Maltsev thoroughly analyzes each brick and constructs Baudrillard s system presenting to readers for the first time a complete model the tools used by Baudrillard and his philosophy Throughout the 16 chapters of this book the author looks into all kinds of subjects raised by Baudrillard with practical examples among which the masses the kingdom of the blind the silent majority perfect crime European mysticism the symbolic system and many other phenomena are examined from the viewpoint of the scholar The author also shares his research results based on the philosophy and sociology of Baudrillard Dr Maltsev then examines Jean Baudrillard s works some of which had been translated into Russian for the first time his photographic pieces and interviews people who personally knew Baudrillard his critics and fellow researchers This work is a practical book for modern people who want to have an objective view of the current state of affairs and take responsibility for their present and future It provides an idea for the use of the philosophy sociology and radical anthropology of Baudrillard as the foundation of personal achievement efficiency and safety in such unstable and uncertain conditions of a constantly changing environment
