**The Last Chapter** Lorence A. Falkenberg, 2008-07 Heaven and earth will pass away but my words will by no means pass away To determine God's Word is omnipotent and true one only has to examine the God given prophecies of historical times which are now today's reality God's prophetic words for the future reveal many events that will significantly affect mankind This book is the culmination of years of studying and cross referencing God's words as they pertain to the end times Designed to help the reader follow from Old Testament to New Testament the map God has laid out for the earth's future discussions include 1 Christ's removal of the Church prior to the tribulation period 2 The seven year plus seventy five day tribulation period ruled by Satan the antichrist and the false prophet culminating in the battle at Armageddon 3 God's responding wrath and judgements 4 God's promised Millennial kingdom 5 The great white throne judgement Lorence Falkenberg is a retired geological engineer who enjoyed fifty plus years in the oil and gas industry Geology demands scrutinizing data and information down to the smallest of details using an engineer's capacity for analysis For Lorence this attention to the facts and details carried over in his search for the truth about prophesied end times In his younger Christian life he readily accepted what many authors had written and what speakers expressed on the subject It was not until he consecrated his personal search of God's own words that he realized there was only one omniscient source that could provide truth and reality and that God's words needed to be rightly divided as according to II Timothy He has been teaching end times for more than a decade and was persuaded to write this book as a culmination of his years of study and teaching on these events

Kaethler,2022-07-12 Both Alexander Schmemmann and Joseph Ratzinger insist that the human person remains shrouded in mystery without God s self disclosure in the person of Jesus Christ Like us Jesus lived in a particular time and location and therefore time and temporality must be part of the ontological question of what it means to be a human person Yet Jesus the one who has time for us ascended to the Father and the bride of Christ awaits his return and therefore time and temporality are conditioned by the eschatological With this in mind the ontological question of personhood and temporality is a question that concerns eschatology how does eschatology shape personhood Bringing together Schmemmann and Ratzinger in a theological dialogue for the first time this book explores their respective approaches and answers to the aforementioned question While the two theologians share much in common it is only Ratzinger s relational ontological approach that by being consistently relational from top to bottom consistently preserves the meaningfulness of temporal existence **Living under the Evil Pope** Martina Mampieri,2019-11-26 In *Living under the Evil Pope* Martina Mampieri presents the Hebrew Chronicle of Pope Paul IV written in the second half of the sixteenth century by the Italian Jewish moneylender Benjamin Ne emiah ben Elnathan alias Guglielmo di Diodato from Civitanova Marche The text remained in manuscript for about four centuries until the Galician scholar Isaiah Sonne 1887 1960 published a Hebrew annotated edition of the chronicle in the 1930s This remarkable source offers an account of the events of the Papal States during Paul IV s pontificate 1555 59 Making use of broad archival materials Martina Mampieri reflects on the nature of this work its historical background and contents providing a revised edition of the Hebrew text as well as the first unabridged English translation and commentary Martina Mampieri has been granted a special mention of excellence in the Alberigo Award 2021 by the European Academy of Religion and Fondazione per le Scienze Religiose <https://www.europeanacademyofreligion.org/alberigo-award> and a special mention of excellence in the Pirovano Award 2022 by the Istituto Luigi Sturzo in Rome <http://sturzo.it/blog/2023/06/12/la-segnazione-del-premio-desiderio-pirovano-2022> Martina Mampieri provides scholars with a source of great interest which helps better understand the complex period following the election of Pope Paul IV Carafa from a Jewish perspective This is undoubtedly an important book that contributes to the advancement of our knowledge regarding that historical moment Alessandra Veronese AJS Review 45 1 2021 This valuable source is now available to the many the many including and this is no small
