## **Last Flight Out:**

Last Flight Amelia Earhart, 2009-12-22 Amelia Earhart's account of her ill-fated last flight around the world begun in 1937 remains one of the most moving and absorbing adventure stories of all time. Last Flight compiles the letters, diary entries, and charts that she sent to her husband G. P. Putnam at each stage of her trip. In her own words, these dispatches offer a window into her experience on this ground-breaking journey and illustrate her cheerful, charming nature. Her story continues to intrigue and inspire people to this day. The Last Flight of the Phoenix Matt Duncan, 2016-05-15 The war was over except for the crew of the T. S. S. Phoenix. Lost deep in enemy space, crippled but not dead, the odds of survival were stacked against them, but they were still determined to fight their way back towards allied space. On New Terra, Roy O'Hara had discovered peace for his spirit and joy in a simple life. Yet he had only fulfilled a portion of the Commander's Prophecy. It told of a darkness that would fall on his new home from the stars, and he would be called upon once again to save them all. The Alliance turned a blind eye to the sudden growth of the Salarie Empire just beyond their borders, but some in the intelligence community could see the clues of a new threat. A covert team is sent to discover the truth of the alien's goals, and they discover much more than they could have ever imagined. Different paths of unlikely allies and new foes will intersect in the skies and on the ground of New Terra, once again where everything will change and destinies will collide.

**Brownwater** Samuel C. Crawford, 2002-10-04 Two teenage boys are heading to Vietnam in this sometimes humorous account of their ordeal traveling throughout South Vietnam in their challenge to locate their unit. Charles, fresh out of boot camp and having no idea what to do or how to get around, teamed up with Petty Officer Dan, who was returning for his third tour and having all the right answers and shortcuts required to survive in 1969 Vietnam. For Vietnam veterans, this story will bring back precious memories that will make them say, "Yeah, I remember doing stuff like that. That part of the war was fun." For those who never served in the military, this is an enjoyable eye opener to military life from the eyes of an 18-year-old city boy from Baltimore. **Shangri-La 730's Last Flight** Skot Keller, 2020-11-25 Shangri-La 730's Last Flight. By Skot Keller. Shangri-La 730's Last Flight is inspired by Malaysia Flight 370, which went missing on March 8th, 2014. It has never been found and remains a mystery as to what happened to it. The people on the Malaysia plane are assumed to be dead, and the people on Shangri-La 730 do not come away mortally alive either. Rest assured that there is a happy ending for everyone. When an Australian engineer has an idea that he sends out in a mass email about a theory that will lead to a scientific breakthrough, it makes an alien race called the Sigla nervous, and they try to squash the idea by commandeering Shangri-La flight 730 in flight. There are humans, extraterrestrials, as well as angels, all involved with what happens aboard the plane. This is importantly a Christian piece of fiction, not factual or scripturally based. Some questions that are explored are: If there are intelligent extraterrestrials, do they have a relation with GOD like humans have a relation with GOD, and how are their spiritual beliefs related to mankind's? Their GOD and the Christian GOD must be the same because the Creator created

everything Other questions are considered e g What is the purpose of life What is eternal life without perfection and what is perfection What happens to good people who have not accepted Jesus Yeshua as their Savior Lord and Master Do animals have souls Hopefully those who read Shangri La 730's Last Flight will come away with an uplifting feeling that there is a perfect plan working its way out in its perfection and a hopeful belief that they can be reunited with all they love in GOD

**Welcome to the 'Nam** Rod Jordan, 2014-03-27 When I was young like so many other young men of my generation I gave our country what we thought was our obligation to our country Like the generation of our fathers and the generation that came after us I never minded a person's belief in being against the war in Vietnam But they forgot that the ones that served were good people too They found us in contempt But they were wrong We did what this generation is doing in Iraq and Afghanistan There is no difference Things have changed over the years and people now thank us for our service as they do the new generation That is nice and should be said The misnomer that we lost the war is not accurate We won every major battle in Vietnam we fought Often times outnumbered The Communists only fought major battles when they had the advantage The Tet offensive of 1968 hurt them severely completely wiping out the VC Army and making the NVA Army rebuild If North Vietnam would have honored the peace treaty it would have been like the Korean War with the south and the north America did not though support South Vietnam after our troops moved out Congress did not appropriate funds to the South Vietnamese government But I think our country could no longer fund in money and lives It always would come down to that Stats of Marines in Vietnam 26% casualty rate Highest of any combat group in South Vietnam

Dyer, 2015-02-24 For many years Dr Wayne W Dyer's fans have wondered when he would write a memoir Well after four decades as a teacher of self empowerment and the best selling author of more than 40 books Wayne has finally done just that However he has written it in a way that only he can with a remarkable take home message for his longtime followers and new readers alike and the result is an exciting new twist on the old format Rather than a plain old memoir Wayne has gathered together quantum moment recollections In this revealing and engaging book Wayne shares dozens of events from his life from the time he was a little boy in Detroit up to present day In unflinching detail he relates his vivid impressions of encountering many forks in the road taking readers with him into these formative experiences Yet then he views the events from his current perspective noting what lessons he ultimately learned as well as how he has made the resulting wisdom available to millions via his lifelong dedication to service As a reader you will feel as if you are right there with Wayne perusing his personal photo album and hearing about his family his time in the service how he writes his best selling books and so much more In the process you'll be inspired to look back at your own life to see how everything you have experienced has led you

to where you are right now Wayne has discovered that there are no accidents Although we may not be aware of who or what is moving the checkers life has a purpose and each step of our journey has something to teach us As he says I wasn't aware of all of the future implications that these early experiences were to offer me Now from a position of being able to see much more clearly I know that every single encounter every challenge and every situation are all spectacular threads in the tapestry that represents and defines my life and I am deeply grateful for all of it I Can See Clearly Now is an intimate look at an amazing teacher but it also holds the key for seekers on a personal path of enlightenment Wayne offers up his own life as an example of how we can all recognize the hand of the Divine steering our individual courses helping us accomplish the mission we came here to fulfill
