Writing has taken over my life in a good way My thoughts continually are geared towards my next song Sometimes I get a few lines in my head when I am driving and I have to pull over the car and write them down No matter where I am I get the urge to write I could be talking to a neighbor or be in the middle of mass at church and a word or phrase will pop into my head and whoa a new song is born More than anything I love love love the peace of mind songwriting allows me to have Most of my lyrics take me 15 to 30 minutes to write There was a time when I was writing 6 8 lyrics in a day Sometimes I would sit there and stare at my pencil asking why did you stop I swear at times the pencil kept moving like I

wasnt even thinking of what to write This is my first edition I hope to continue with future editions as I am still writing new songs everyday Someday I hope to put my lyrics to my own music and I recently started taking piano lessons Hey we all know life is a learning process a learning curve we need to experience the turns with the ride I wish you all success with this book and look forward to seeing some of you with me when it comes to award times **Trailblazers** David Bret,2014-02-21

Parsons Drake and Buckley were three young musicians who died before they had made their mark on the musical world yet left behind them a legacy that was as rich as it was beautiful Ex preacher Parsons was outrageous outspoken but impeccably polite He recorded with various bands including The Flying Burrito Brothers The Byrds and very nearly the Rolling Stones His light shone brightly but briefly before his mysterious death and more bizarre cremation at the age of 26 Almost a polar opposite Nick Drake was intensely shy with crippling stage fright who made less than 40 public appearances Handsome yet fragile he composed beautiful melodies He sank into depression in the family home before overdosing on medication whether deliberate or not nobody knows at the age of 26 Jeff Buckley s vocal range spanned an astonishing four octaves He could sing any style from Piaf to Gershwin from scat and jazz to Oum Kalthoum alongside his own superb realist compositions In 1997 on the brink of stardom he never returned from a fully clothed swim in the Mississippi River Only in death was the true potential of these talented young men appreciated their songs still appearing in ads and Buckley had his first number 1 in 2008 With every passing year their legends grow And posthumously they have influenced a whole host of singers who now crowd the charts on both sides of the Atlantic This is their remarkable story David Bret was born in Paris His acclaimed books include biographies of Marlene Dietrich Morrissey Freddie Mercury and Edith Piaf among many others *The Anointed Man* Phil Johnson,2022-11-03 The Anointed Man is a story about the fall before the grace It is not your typical pastor falls from grace and regains favor from the Lord story The Anointed Man is the first book in The Anointed Man series that tells of an inner city pastor s fall before there was grace It is a story about life love trials by fire trials by man and temptation It is said that the devil has no new tricks just new faces In this book you will see that old faces hide new tricks and new faces try old tricks We all have a testimony even The Anointed Man About the Author Romans 8 28 says And we know that God works all things together for the good of those who love Him who are called Phillip Johnson answered that call by using the gifts given by Him to deliver a message for all the people Phil has fused the harsh realities of life with biblical lessons and delivered a message that touches the soul and pulls on your heartstrings Phillip writes with the intent of sending an impactful inspirational and motivating message of love faith hope grace mercy and forgiveness Having been blessed to over come obstacles setbacks trials and triumphs Phil breaks through with a tome that has blurred the lines between reality and fiction and created a story that takes you back home back to a time that was and a time that isa story of The Anointed Man Holocaust Testimonies Thomas Pegelow Kaplan,Wolf Gruner,Miriam Offer,Boaz Cohen,2025-05-15 Close to a time when there will be no more survivors to speak about their suffering this innovative study takes much needed stock of the past

present and future of Holocaust testimony Drawing from a vast range of witness accounts including a never before published survivor interview and carefully situating analysis within broader historical and political discourses this international team of scholars address many pertinent issues of testimony in the post witness age These include questions of representation and testimony form memory politics and the role of the witness the legacy of the Holocaust and impact on future generations the digital turn and issues of access and gender and testimony in the wake of MeToo Stressing the importance of re assessing re contextualizing and re presenting testimonies these essays make a powerful case for the ongoing centrality of witnesses and witnessing in Holocaust research education and memory In doing so Holocaust Testimonies skillfully paves the way for future research with survivor testimonies **Focus On: 100 Most Popular American Tenors** Wikipedia contributors,
