

THE LAST GOVERNOR

CHRIS PATTEN

AND THE HANDOVER OF HONG KONG

JONATHAN DIMBLEBY

Last Governor Chris Patten And The Handover Of Hong Kong

Jonathan Dimbleby

Last Governor Chris Patten And The Handover Of Hong Kong:

The last governor Jonathan Dimbleby, The Last Governor Jonathan Dimbleby, 2017-08-30 Interesting conclusions about the conduct of British foreign policy on Hong Kong an extraordinary diplomatic political and personal drama Julian Stockwin author of *To the Eastern Seas* 1 July 1997 marked the end of British rule of Hong Kong whereby this territory was passed into the hands of the People's Republic of China In 1992 Chris Patten former chairman of the Conservative Party was appointed Hong Kong's last governor and was the man to oversee the handover ceremony of this former British colony Within the last five years of British rule acclaimed journalist Jonathan Dimbleby was given unique access to the governor which enabled him to document the twists and turns of this extraordinary historical moment As Governor Patten encouraged the necessary expansion of Hong Kong's social welfare system striving to reconcile the basic rights and freedom of over 6 million people with the unpredictable imperatives of Beijing With bracing narrative energy the author draws on the insights of a host of senior figures to place the crisis in both its human and historical contexts and presents some startling arguments about the conduct of British foreign policy on Hong Kong before and during Patten's tenure *The Globe and Mail* **The last governor** Jonathan Dimbleby, 1997-08-18 Using unrivalled access to Chris Patten Britain's last governor of Hong Kong Jonathan Dimbleby provides a compelling narrative of a great political and human drama the final chapter in Britain's colonial history the five years leading up to the handover of Hong Kong and its five million people to Communist China on July 1 1997 Since 1992 Dimbleby had privileged access to Patten and to key diplomats politicians and business leaders in Hong Kong as he developed both this book and a five part BBC TV series which was shown on TVOntario He sets the crisis with its many consequences for Canada and the rest of the world against 150 years of Anglo Chinese relationships since the Opium Wars and the seizure of Hong Kong He also provides a panoramic portrait of colonial rule and of the shining capitalist jewel itself using the voices of its people from the richest entrepreneur to the poorest refugee *The Last Governor* is one of those rare and exciting books that captures history in the making *The Politics of China-Hong Kong Relations* Peter W Preston, 2016-04-29 In 1997 the British state relinquished control of Hong Kong From that point an established prosperous community was faced with reordering its sense of itself and its links with the wider world around the authority of Beijing This book traces the political relationship between Hong Kong and China and sketches a number of possible future scenarios ranging from successful mutual understanding through to breakdown and the imposition of rule from Beijing Having lived and worked in East Asia Peter Preston brings a sympathetic outsider's eye to the problems of Hong Kong and Beijing relations He pursues four main issues the manner of embedding a new political settlement the business of governing the territory the issue of democracy and the likely future of the extant form of life Students and scholars specialising in comparative politics and international relations of East Asia will find this book to be of interest It will also be of use to those addressing political conflict in that part of the world East and West Chris Patten, 1998 From the last governor of Hong

Kong a controversial astute and thought provoking analysis of the Asian phenomenon and the future of economic and political liberty in China and East Asia in the next century For Chris Patten Hong Kong was an extraordinary vantage point from which to view the growing economic and political power of China and East Asia over the last five years As a free colony of the British Empire and the apex of an economic success story it benefited from the development of the Chinese economy as surely as it contributed to that economic miracle In a political move which marked the twilight years of the Empire Hong Kong was finally handed back to Communist China in June 1997 East and West is Chris Patten s account of the current Asian phenomenon and an astute analysis of China as a rapidly growing world power The handover of Hong Kong challenged Britain s liberal conscience With China looming in the background it was impossible to build a platform of independence and political democracy as had been constructed in other colonial territories East and West focuses on Chris Patten s key disputes with China over questions of democratic election civil liberties and Hong Kong s independence but more importantly it examines the larger picture of the Asian value system Can you have economic change without political change Can democratic rule guarantee fair play between economic competitors There can be no doubt that Asia is a potentially formidable competitor to Europe and the United States but Communist China lies at the heart of Asian development In his intelligent and thought provoking book Chris Patten examines the implications of China s economic reforms and sets out the key political agendas for the future not only for the East but also for the West

Hong Kong Reintegrating with China

Pui-tak Lee, 2001-01-01 This comprehensive book provides a multi dimensional analysis of Hong Kong s development and her political socio economic and cultural relations with China

The First Tung Chee-hwa Administration

Zhaojia Liu, Siu-kai Lau, 2002 This book is a study of the administration of Hong Kong s government under the leadership of Tung Chee hwa during a time when Hong Kong was changing politically and economically The contributors address the following questions To what extent are government policies consistent with those of colonial rule What does one country two systems mean and to what extent has the Tung regime been successful in safeguarding this principle How responsible are external economic forces for the apparent deterioration of the Hong Kong economy Who are affected most by the restructuring of the economy and what are some of the long term implications for Hong Kong as an important world financial center How do people in general perceive these changes What are some of the most effective economic and social policy measures that the Tung government has initiated Finally how successful has the Chief Executive been during his five years in office

The Hong Kong Diaries Chris Patten, 2022-10-25 The diaries of the last British Governor of Hong Kong published on the 25th anniversary of the handover In June 1992 Chris Patten went to Hong Kong as the last British governor to try to prepare it not as other British colonies over the decades for independence but for handing back in 1997 to the Chinese from whom most of its territory had been leased 99 years previously Over the next five years he kept this diary which describes in detail how Hong Kong was run as a British colony and what happened as the handover approached The book gives unprecedented

insights into negotiating with the Chinese about how the institutions of democracy in Hong Kong were belatedly strengthened and how Patten sought to ensure that a strong degree of self government would continue after 1997 Unexpectedly his opponents included not only the Chinese themselves but some British businessmen and civil service mandarins upset by Patten's efforts for whom political freedom and the rule of law in Hong Kong seemed less important than keeping on the right side of Beijing The book concludes with an account of what has happened in Hong Kong since the handover a powerful assessment of recent events and Patten's reflections on how to deal with China then and now

Introduction to the Hong Kong Basic Law Danny Gittings, 2013-07-01 Effective since China's resumption of sovereignty on 1 July 1997 the Hong Kong Basic Law lays down the general policies and system of government for Hong Kong under the one country two systems formula It guarantees Hong Kong a high degree of autonomy enshrines the rights and freedoms of residents and preserves a separate common law system with an independent judiciary This introduction traces the origins of the Hong Kong Basic Law and the concepts and legal issues that surround it Drawing on the experience of the first 15 years it then analyses the content of the Hong Kong Basic Law especially in relation to Hong Kong's political system the judiciary and human rights Intended especially for students at all levels in law politics and other disciplines this book the only introductory guide of its kind to the subject will also appeal to the general reader interested in Hong Kong's experience under one country two systems Danny Gittings's *Introduction to the Hong Kong Basic Law* makes a significant contribution to an important subject It is expressed in reader friendly terms The insights that it provides are of value not only to lawyers but also to the general public The Hon Mr Justice Kemal Bokhary Permanent Judge of the Hong Kong Court of Final Appeal 1997 2012 Non Permanent Judge 2012 This well researched and very readable introduction explains the history practices and future of the Basic Law Hong Kong's key constitutional document It also explores how far the Basic Law is able to address the many political and legal issues now facing Hong Kong The book is suitable for a wide range of readers Students of Hong Kong law at all levels will find it essential reading General readers with an interest in Hong Kong's governance will find in it a lucid and accurate guide and a timely one as the debate about implementing democracy intensifies Professor Fu Hualing Faculty of Law University of Hong Kong Many of us approach law books with trepidation But Gittings a legal academic used to be a journalist and this shows in his ability to make the book accessible to the general reader The Basic Law will continue to be central to issues facing the city for years to come This book enables the reader to quickly acquire a much better understanding of them South China Morning Post As Professor Gittings points out in his book which includes a chapter on what might happen after Hong Kong's 50 year autonomy ends readability was a key aim Acronyms are kept to a minimum and details set up neatly and comprehensively in footnotes so that the main text is kept as clean as possible Hong Kong Lawyer

Foreign Communities in Hong Kong, 1840s-1950s C. Chu, 2005-10-06 This collection of essays describes adaptations of minority ethnic groups to cross cultural situations in Hong Kong from the 1840s through the 1950s It aims to

portray Hong Kong history through the perspectives of foreign communities the British Germans Americans Indians and Japanese and to understand how they perceived the economic situation political administration and culture of the colony

The Political Future of Hong Kong Kit Poon, 2007-12-11 Focusing on the period since the handover of power to China this book examines the origins and evolution of Hong Kong's political system Considering the prospects and problems of achieving liberal democracy within the communist Chinese state system it provides useful insights into the meaning of central concepts in democratic political theory

Hong Kong's Transition to Chinese Rule Ralf Horlemann, 2003-09-02 Examining developments following Hong Kong's return to Chinese sovereignty this book argues that genuine autonomy from the central government in Beijing is impossible without a democratic system in Hong Kong

Hong Kong in the Shadow of China Richard C. Bush, 2016-10-11 A close up look at the struggle for democracy in Hong Kong Hong Kong in the Shadow of China is a reflection on the recent political turmoil in Hong Kong during which the Chinese government insisted on gradual movement toward electoral democracy and hundreds of thousands of protesters occupied major thoroughfares to push for full democracy now Fueling this struggle is deep public resentment over growing inequality and how the political system established by China and dominated by the local business community reinforces the divide between those who have profited immensely and those who struggle for basics such as housing Richard Bush director of the Brookings Institution's Center on East Asia Policy Studies takes us inside the demonstrations and the demands of the demonstrators and then pulls back to critically explore what Hong Kong and China must do to ensure both economic competitiveness and good governance and the implications of Hong Kong developments for United States policy

The Public Sector in Hong Kong, Second Edition Ian Scott, 2022-09-21 This book describes and analyses the role of the public sector in the often charged political atmosphere of post 1997 Hong Kong In this second edition Ian Scott explores public sector accountability in terms of Hong Kong's constitutional framework and the structure functions and personnel policies of its civil service system He examines critical issues facing the administration of the public sector and the formulation and implementation of public policy with particular attention to the political challenges confronting the Hong Kong government over the past decade A concluding chapter assesses how contested values in a changing political environment have affected the public sector in recent years This edition has been fully updated to incorporate the latest statistics and research including Scott's work in such areas as integrity management corruption prevention and policing This book is an essential resource for scholars and students of public administration and public policy in Hong Kong and more broadly for those who are interested in how a particular jurisdiction deals with common administrative problems such as centralisation the role of statutory bodies corruption prevention and the redress of citizens grievances Professor Ian Scott's book *The Public Sector in Hong Kong* now in a second much expanded and up to date edition offers a thorough and rigorous analysis of contemporary governance in Hong Kong focusing on all the key stakeholders The book is essential reading for government officials politicians journalists academics

students and the general public John P Burns The University of Hong Kong The second edition not only updates the development in the public sector of Hong Kong but also provides an important perspective to help readers understand the contexts that navigate its latest developments This edition along with Ian Scott's earlier work will be judged by many in the field to be among the best books on Hong Kong politics Hon S Chan City University of Hong Kong

Can Hong Kong Exceptionalism Last? Dilemmas of Governance and Public Administration over Five Decades, 1970s-2020 Anthony B. L. CHEUNG, 2021-11-01 Hong Kong under British rule was a prime example of exceptionalism in many aspects economic political and even social It was governed under a colonial structure and yet had enjoyed a large degree of social and economic freedom as well as fiscal self sufficiency and autonomy from London After returning to Chinese rule in 1997 Hong Kong has continued to thrive as a relatively resilient city state still known for efficiency and effectiveness despite tensions and scepticism about its political future This book carries decades of academic observations and the author's personal political experience It reviews and reflects on the past trajectory of governance and administration identifying strengths and capabilities as well as constraints and vulnerabilities of Hong Kong as a polity and society while charting its course of exceptionalism within a new context and under changing conditions As this book concludes the exceptionalism of Hong Kong not only hinges on institutional arrangements and historical inheritance but also on the statecraft of the administration of the day This is a text for deep reading reflection and deliberation Professor LUI Tai lok Chair Professor of Hong Kong Studies Director of the Academy of Hong Kong Studies Director of the Centre for Greater China Studies and Former Vice President Research Development at The Education University of Hong Kong a gem whatever your political stand is you have to admire Professor Cheung's thorough observations and profound ideas on what made this city tick Mr LAM Woon kwong Former Secretary for the Civil Service and Secretary for Home Affairs and Former Convenor of Non Official Members of the Executive Council 2012-2017 a compelling addition to the literature on Hong Kong Professor Darryl S L JARVIS Professor and former Head of the Department of Asian and Policy Studies at The Education University of Hong Kong

Hong Kong Michael Anthony Ingham, 2007 Explores the culture and history of Hong Kong **Hong Kong** Michael Ingham, 2007-06-18 Hong Kong has always been something of an anomaly and an outpost of empire whether British or Chinese Once described as a barren island the former fishing community has been transformed by its own economic miracle into one of Asia's World Cities taking in its stride the territory's 1997 return to Chinese sovereignty Beneath the surface of Hong Kong's clichéd self image as Pearl of the Orient and Shopping Paradise Michael Ingham reveals a city rich in history myth and cultural diversity

Hong Kong Public Housing Miles Glendinning, 2024-11-28 Hong Kong Public Housing provides the first comprehensive history of one of the most dramatic episodes in the global history of the modern built environment the vast public housing programme sponsored by successive Hong Kong governments from the 1950s in a quest to build up the territory into a lasting people's home And unlike many of its counterparts elsewhere this is a programme still ongoing today a case of history

in progress as Hong Kong now boasts one of the world's longest lasting public housing programmes. During that time it has been not just a mirror of the cultural and economic values of Hong Kong society but also a reflection of more nebulous fast changing perceptions of identity and a testament to the community building achievements of Hongkongers over these years. This authoritative study combines architectural history with the broader social, political and cultural aspects of housing production, particularly the geo-political issues of sovereignty and decolonisation that uniquely and fundamentally structured the trajectory of Hong Kong public housing and territory development. Exploring the relationship between built form, ideology and administrative governance, it shows how massive state intervention interacted at times uneasily with Hong Kong's dominant laissez faire ethos to help maintain the legitimacy of successive administrations during an era of auto decolonisation and support an interstitial society suspended between two sovereignties. Following more recent political changes, Hong Kong's public housing heritage has also become a focus of nostalgic community pride, a monumental achievement of home building which this book documents and celebrates for posterity.

The Memory of Colonialism in Britain and France Itay Lotem, 2021-03-12. This book explores national attitudes to remembering colonialism in Britain and France. By comparing these two former colonial powers, the author tells two distinct stories about coming to terms with the legacies of colonialism, the role of silence and the breaking thereof. Examining memory through the stories of people who incited public conversation on colonialism, activists, politicians, journalists and professional historians, this book argues that these actors mobilised the colonial past to make sense of national identity, race and belonging in the present. In focusing on memory as an ongoing politicised public debate, the book examines the afterlife of colonial history as an element of political and social discourse that depends on actors' goals and priorities. A thought provoking and powerful read that explores the divisive legacies of colonialism through oral history, this book will appeal to those researching imperialism, collective memory and cultural identity.

Pioneers of Modern China Khoo Choy Lee, 2005. Amongst the Chinese exists great cultural variety and diversity. The Cantonese care more for profit than face and are good businessmen, whereas Fujian R r n are frank, blunt and outspoken but daring and generous. Beijing R r n are more aristocratic and well-mannered, having stayed in a city ruled by emperors of different dynasties. Shanghai R r n are more enterprising, adventurous and materialistic but less aristocratic, having been at the center of pre-war gangsterism. Hainan R r n are straightforward, blunt and stubborn. Hunan R r n are more warlike and have produced more marshals and generals than any other province. *Pioneers of Modern China* is a fascinating book that paints a vivid picture of the unique cultural characteristics and behavior of the Chinese in the various provinces. Using leaders in the modern history of China such as Sun Yat Sen, Chiang Kai Shek, Mao Zedong, Zhou Enlai, Deng Xiaoping, Jiang Zemin, Hu Jintao and Wen Jiabao as representatives, it offers an in-depth look into the psyche of the Chinese people. It also pays tribute to writers, painters and kungfu experts who have helped to develop the country socially and artistically.

Reviewing **Last Governor Chris Patten And The Handover Of Hong Kong**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Last Governor Chris Patten And The Handover Of Hong Kong Introduction

In today's digital age, the availability of Last Governor Chris Patten And The Handover Of Hong Kong books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Last Governor Chris Patten And The Handover Of Hong Kong books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Last Governor Chris Patten And The Handover Of Hong Kong books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Last Governor Chris Patten And The Handover Of Hong Kong versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Last Governor Chris Patten And The Handover Of Hong Kong books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Last Governor Chris Patten And The Handover Of Hong Kong books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it

an excellent resource for literature enthusiasts. Another popular platform for Last Governor Chris Patten And The Handover Of Hong Kong books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Last Governor Chris Patten And The Handover Of Hong Kong books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Last Governor Chris Patten And The Handover Of Hong Kong books and manuals for download and embark on your journey of knowledge?

FAQs About Last Governor Chris Patten And The Handover Of Hong Kong Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Last Governor Chris Patten And The Handover Of Hong Kong is one of the best book in our library for free trial. We provide copy of Last Governor Chris Patten And The Handover Of Hong Kong in digital format, so the resources that you find are reliable. There are also many Ebooks of
