Last Look Mariah Stewart, 2007-05-29 From New York Times bestselling author Mariah Stewart comes a novel of sexy romantic suspense for fans of Nora Roberts Catherine Coulter and Karen Robards THE TRUTH WON T STAY BURIED News that the body of a recently murdered prostitute stabbed repeatedly and dumped on Georgia s Shelter Island has been identified as Shannon Randall stuns the FBI particularly special agent Dorsey Collins Twenty four years ago nineteen year old Eric Louis Beale was convicted and later executed for Shannon s murder and the agent in charge of the case was Dorsey s father Now Dorsey is determined to find out where her father s investigation went wrong what part he played in the death of an innocent man and where Shannon has been all this time The heat is on FBI special agent Andrew Shields to discover what happened to Shannon on that night decades ago to find out who killed her and why Dorsey shadows Andrew s every investigative move hoping to redeem her father s reputation and capture a cunning killer Together Dorsey and Andrew unravel a shocking mystery that will shatter one family and rock an entire town **BONUS** This edition includes an excerpt from Mariah Stewart s Last Words *One Last Look* Linda Lael Miller, 2006-11-28 Preparing for the birth of their first child attorney Clare Westbrook and homicide detective Tony Sonterra start a new life in a small Arizona town only to find themselves drawn into a dangerous mystery *Last Look at the Old Met* Judith S. Clancy, 1969 **One Last Look** Susanna Moore, 2012-07-04 Calcutta in 1836 an uneasy mix of two worlds the patient implacably unchangeable India and the tableau vivant of English life created of imperialism s desperation This is where Lady Eleanor her sister Harriet and her brother Henry the newly appointed Governor General of the colony arrive after a harrowing sea journey from Heaven across the world to Hell But none of them will find India hellish in anticipated ways and some including Harriet and against her better judgment Eleanor will find an irresistible and endlessly confounding heaven In Lady Eleanor whose story is based on actual diaries we have a keenly intelligent and observant narrator Her descriptions of her profoundly unfamiliar world are vivid and sensual The stultifying heat the sensuous relief of the monsoon rains the aromas and colors of the gardens and marketplaces the mystifying grace and silence of the Indians themselves all come to rich life on the page When she Harriet Henry and ten thousand soldiers and servants make a three year trek to the Punjab from Calcutta under Henry s failing leadership Eleanor s impressions of the people and landscape are deepened charged by her own revulsion and exaltation My life she says once a fastidious nibble has turned into an endless disorderly feast Harriet whose passivity conceals a dazed openness to the true India and Henry with his frightened adherence to the crumbling ideals of empire become foils to Eleanor s slow but inexorable seduction Historically precise gorgeously evocative banked with the heat of unbidden desires *One Last Look* is a mesmerizing tale of the complex lure of the exotic and the brazen failure of imperialism both political and personal It is a powerful confirmation of Susanna Moore s remarkable gifts *Transatlantic Wanderings: Or, A Last Look at the United States* John W. Oldmixon, 1855 *Human Body (eBook)* Edward P. Ortleb, Richard Cadice, 1986-09-01 This book presents a

program of basic studies dealing with the anatomy and physiology of the human body Each body system is detailed and major organs and their functions are described Each of the twelve teaching units in this book is introduced by a color transparency print books or PowerPoint slide eBooks that emphasizes the basic concept of the unit and presents questions for discussion Reproducible student pages provide reinforcement and follow up activities The teaching guide offers descriptions of the basic concepts to be presented background information suggestions for enrichment activities and a complete answer key

Trading at the Speed of Light Donald MacKenzie, 2021-05-25 A remarkable look at how the growth technology and politics of high frequency trading have altered global financial markets In today s financial markets trading floors on which brokers buy and sell shares face to face have increasingly been replaced by lightning fast electronic systems that use algorithms to execute astounding volumes of transactions *Trading at the Speed of Light* tells the story of this epic transformation Donald MacKenzie shows how in the 1990s in what were then the disreputable margins of the US financial system a new approach to trading automated high frequency trading or HFT began and then spread throughout the world HFT has brought new efficiency to global trading but has also created an unrelenting race for speed leading to a systematic subterranean battle among HFT algorithms In HFT time is measured in nanoseconds billionths of a second and in a nanosecond the fastest possible signal light in a vacuum can travel only thirty centimeters or roughly a foot That makes HFT exquisitely sensitive to the length and transmission capacity of the cables connecting computer servers to the exchanges systems and to the location of the microwave towers that carry signals between computer datacenters Drawing from more than 300 interviews with high frequency traders the people who supply them with technological and communication capabilities exchange staff regulators and many others MacKenzie reveals the extraordinary efforts expended to speed up every aspect of trading He looks at how in some markets big banks have fought off the challenge from HFT firms and how exchanges sometimes engineer technical systems to favor certain types of algorithms over others Focusing on the material political and economic characteristics of high frequency trading *Trading at the Speed of Light* offers a unique glimpse into its influence on global finance and where it could lead us in the future **Look** Andrew L. Yarrow, 2021-11 Andrew L Yarrow tells the story of *Look* magazine one of the greatest mass circulation publications in American history and the very different United States in which it existed The all but forgotten magazine had an extraordinary influence on mid twentieth century America not only by telling powerful thoughtful stories and printing outstanding photographs but also by helping to create a national conversation around a common set of ideas and ideals Yarrow describes how the magazine covered the United States and the world telling stories of people and trends injustices and triumphs and included essays by prominent Americans such as Martin Luther King Jr and Margaret Mead It did not shy away from exposing the country s problems but it always believed that those problems could be solved *Look* which was published from 1937 to 1971 and had about 35 million readers at its peak was an astute observer with a distinctive take on one of the greatest eras in U S history from winning World War

II and building immense increasingly inclusive prosperity to celebrating grand achievements and advancing the rights of Black and female citizens Because the magazine shaped Americans beliefs while guiding the country through a period of profound social and cultural change this is also a story about how a long gone form of journalism helped make America better and assured readers it could be better still Disease & Health Edward P. Ortleb, Richard Cadice, 1993-09-01 Color

Overheads Included This book represents a program of basic studies dealing with disease and health The nature of disease and types of diseases including both non communicable and communicable diseases are detailed Information is provided on substance abuse and its effects on the human body Each of the twelve teaching units in this book is introduced by a color transparency which emphasizes the basic concept of the unit and presents questions for discussion Reproducible student pages provide reinforcement and follow up activities The teaching guide offers descriptions of the basic concepts to be presented background information suggestions for enrichment activities and a complete answer key C.

Rowe-Myers, 2003-10 FBI agent Andrea Weston was fascinated by the enigmatic Nicholas St Claire and grateful when he rescued her from certain death but what was his real agenda To find out she would be swept up in a world of terrorism white slavery seduction and betrayal that would lead her from the Palace of Racheed Singh and the confines of his Turkish harem to the clandestine world of Black Ice Nicholas St Claire was a highly skilled highly trained operative cast in the role of a double agent His cold calculating mind and objective ruthlessness had allowed him success a defender of right in a world corrupt and perverse But Andrea Weston s betrayal changed all that Now he lived for revenge Through the Shadows is the third book by C Rowe Myers and the second in the Black Ice series prequel to Black Ice Shadowed Road In her characteristic fast paced style C Rowe Myers writes exciting and unexpected plot twists that entice readers through a labyrinth of mystery and intrigue keeping them spellbound and on the edge of their seats **Dark Obsessions** Delphine McClelland, 2022-01-05

Dark Obsessions By Delphine McClelland Skylar was a Montgomery and with that came power and prestige among the wealthy in Charlotte North Carolina From the outside looking in she had it all the perfect life For Skylar being a Montgomery a socialite was not who she wanted to be Skylar was different she was weird and a bit of a dreamer For as long as she could remember she had an obsession with the supernatural world Vampires were her favorite of all the supernatural creatures and she could not get enough of them She read almost every book watched every movie and even wished they were real because she had dreams of becoming one On the annual Montgomery Family Vacation Skylar s world was turned upside down Her life was further changed the moment she laid eyes on him He was the most intriguing and striking man that she had ever seen In one night he would change Skylar s world forever Kairo was in need of a change After living for over 300 years and always staying one step ahead of the Council of Truth Seekers a vigilante group whose sole mission in life was to kill all supernaturals Kairo needed a new scene away from it all Along his travels he heard that Charlotte was becoming an epicenter of fun It was a city full of life and the perfect place for a vampire to hunt without the watchful eye of the Council

From the moment that Kairo stepped foot in Charlotte things were very different for him The city made every fiber of his being come alive with an energy unlike anything that he had ever known Kairo would find the source of that energy no matter what it cost him and when he did his world would change forever Winner in the Romance Paranormal Supernatural category of The 2022 American Fiction Awards New Monthly Magazine, and Universal Register ,1866 *In the Year After Mom Died* Tom Slattery,2008-03-30 The author deals with grief and reflects on life and change following the death of his mother in 2006 Her treasure old house and the unintended influence of Arthur Miller are followed through this book

The Discovery of Dynamics Julian B. Barbour,2001-09-06 Ever since Newton created dynamics there has been controversy about its foundations Are space and time absolute Do they form a rigid but invisible framework and container of the universe Or are space time and motion relative If so does Newton s framework arise through the influence of the universe at large as Ernst Mach suggested Einstein s aim when creating his general theory of relativity was to demonstrate this and thereby implement Mach s Principle However it is widely believed that he achieved only partial success This question of whether motion is absolute or relative has been a central issues in philosophy the nature of time has perennial interest Current attempts to create a quantum description of the whole universe keep these issues at the cutting edge of modern research Written by the world s leading expert on Mach s Principle The Discovery of Dynamics is a highly original account of the development of notions about space time and motion Widely praised in its hardback version it is one of the fullest and most readable accounts of the astronomical studies that culminated in Kepler s laws of planetary motion and of the creation of dynamics by Galileo Descartes Huygens and Newton Originally published as Absolute or Relative Motion Vol 1 The Discovery of Dynamics Cambridge The Discovery of Dynamics provides the technical background to Barbour s recently published The End of Time in which he argues that time disappears from the description of the quantum universe That Certain Something J. Jean Elliott,2007-11-09 Everybody kept telling Jory Unger that she needed a man her sister Missy Lucas the maintenance man her friend Toni when they met at the movies Yet Jory wondered how she was supposed to find a man when her luck with men was so lousy Besides she had more important things to worry about like how to stop her younger sister Missy from hanging out every night to all hours of the night with her new boyfriend Joseph So when Jory went to Joseph s apartment to have a talk with him and ended up telling her concerns to his older brother Caleb instead she never considered him as man material because he had a girlfriend Yet as circumstances repeatedly bring them together in the furtive act of collusion to control their younger siblings hanging out to all hours of the night Jory finds herself thinking of Caleb more than she could have anticipated The question is will Caleb think of her in the same way The Depth of My Darkness, the Radiance of My Essence Regina Rosier,2002-03-27 Do you think that you are invincible No one is What would you do if you had it all then suddenly it s all taken away from you Would you sink or swim Reena was faced with that at a young age and managed to survive the odds despite not having help from her mom If placed in this same dilemma would you

be strong enough to survive Warner Bros. Steven Bingen,2014-09-16 Movie studios are the wondrous almost magical locales where not just films but legends are created Unfortunately these celebrity playgrounds are and always have been largely hidden from public view Although some movie studios offer tours few guests from outside the Hollywood community have ever been witness to the artistry politics and scandals that routinely go on behind the soundstage walls and away from the carefully orchestrated scenes visible to them from their tram carts In this book studio staff historian and Hollywood insider Steven Bingen throws open Hollywood's iron gates and takes you inside the greatest and yet most mysterious movie studio of them all Warner Bros Long home to the world's biggest stars and most memorable films and television shows the Warner Bros Studio lot functions as a small city and is even more fascinating glamorous and outrageous than any of the stars or movies that it has been routinely minting for more than ninety years Accompanied by stunning behind the scenes photos and maps and including a revealing backstory this book is your ticket to a previously veiled Hollywood paradise □□□□2

dong benxigu,2024-08-13 A super soldier with a bright red road ran away for a ridiculous reason and unexpectedly came to another plane where a romantic legend began **Scripture Characters; Forming Second Series of the Family**

Preacher ... Francis Storr (the Elder.),1851 **September Woods** Linda Florke,2012-10 An extremely dangerous prisoner stumbles across a secret that could leave him financially set for life He escapes from a maximum security prison and flees across state lines leaving a trail of destruction in his path He seeks obscurity in the Northern wooded area of Wisconsin and while shrouded in the deep forested area stumbles across 15 year old Stella Compton whom he abducts and holds prisoner Stella finds herself in the midst of an incomprehensible nightmare and one she fears there is no escape from She vows if she survives her nightmarish ordeal and is reunited with her loved ones she will commit her life to righting the wrongs the only way she knows how Surprisingly her journey leads her to the one man who restores faith in her future and who will ultimately become the center of her world This is a story that speaks volumes about the importance of our human relationships and the animals we bond with and how one girl achieves triumph over tragedy
