## **Last Of The Bedu:**

**The Last of the Bedu** Michael Asher, 1996 An account of the author's travels amongst the Bedu people of Arabia and North Africa which describes the Bedu's nomadic life in the Middle Eastern deserts with discussion of Asher's month long trek by camel to the tiny oasis of Selima in the Sudan and his 1 000 mile traverse of Egypt's Western Desert *The Arabian Desert in English Travel Writing Since 1950* Jenny Walker, 2022-12-30 Broadly this book is about the Arabian desert as the locus of exploration by a long tradition of British travellers that includes T E Lawrence and Wilfred Thesiger more specifically it is about those who since 1950 have followed in their literary footsteps In analysing modern works covering a land greater than the sum of its geographical parts the discussion identifies outmoded tropes that continue to impinge upon the perception of the Middle East today while recognising that the laboured binaries of East and West desert and sown noble and savage have outrun their course Where however only a barren legacy of latent Orientalism may have been expected the author finds instead a rich seam of writing that exhibits diversity of purpose and insight contributing to contemporary discussions on travel and tourism intercultural representation and environmental awareness By addressing a lack of scholarly attention towards recent additions to the genre this study illustrates for the benefit of students of travel literature or indeed anyone interested in Arabia how desert writing under the emerging configurations of globalisation postcolonialism and ecocriticism acts as a microcosm of the kinds of ethical and emotional dilemmas confronting today's travel writers in the world's most extreme regions *Makeda* Prue Sobers, 2011 A novel that gives life to two biblical figures Solomon and Makeda the Queen of Sheba and all of Ethiopia [The Literary Review](#), 1996 [The Zealot](#) Simon Scarrow, 2014-05-01 The thrilling adventures of two Roman centurions continue as they're called to stop a threat rising in the Empire's eastern provinces Trouble is brewing on the eastern frontier of the Roman Empire The troops are in a deplorable state while the corrupt behavior of their senior officers threatens to undermine the army's control of the region To restore competence of the men defending a vital fort two experienced centurions are dispatched to Judea On their arrival Cato and Macro discover that Bannus a local tribesman is fomenting rebellion among the followers of Jehoshua who was crucified in Jerusalem some seventeen years earlier As the local revolt grows Rome's longstanding enemy Parthia is poised to invade Cato and Macro must stamp out corruption in the cohort before the Eastern provinces are lost forever Simon Scarrow's Roman Legion series chronicling the adventures of centurions Cato and Macro has been met with near universal acclaim drawing comparisons to the best of his contemporaries including Bernard Cornwell Conn Iggulden and Harry Sidebottom A master of his craft Simon Scarrow combines stunning historical detail with riveting battles and rich characters to bring the Roman Empire to life as never before Originally published in the UK as *The Eagle in the Sand* Praise for Simon Scarrow's Roman Legion series I really don't need this kind of competition Bernard Cornwell Scarrow manages to summon up all the glory and the gore that characterized life in the Roman legions Outstanding a new master of the genre Booklist A combustible concoction of intrigue

treachery and violence Scarrow's combat is brutal and sanguinary his imperial politics are almost as sharp Publishers Weekly Scarrow again provides a vivid sense of history and believable scenes of maritime action His righteous but flawed protagonists are winning heroes Kirkus Reviews All the hallmarks of Bernard Cornwell at his best Oxford Times     **Under the Shadow** Gilbert Sorrentino,1991 Under the Shadow takes the form of fifty nine brief sketches with simple nouns as titles These exquisite vignettes take place on a plane at once surreal abstract and ominous describing a set of people and incidents derived largely from fragments of conversation and gossip gathered here and there They are reminiscent of Raymond Roussel's characters amid his inimitable ersatz pastorals with tableaux both innocent and grotesque There is something ambiguous about these passages something deliberately closed and dreamlike Many of them read like primal scenes of private pathologies others are memories that many years later retain their power to haunt     **Hearings, Reports and Prints of the House Committee on Foreign Affairs** United States. Congress. House. Committee on Foreign Affairs (1789-1975),1980     **The Arabian Peninsula** Derek Hopwood,2015-07-24 Although the Arabian Peninsula is the heartland of Islam and of the Arab world for decades it did not receive the attention it deserves from scholars and writers The School of Oriental and African Studies University of London and the Middle East Centre of St Antony's College Oxford jointly organized a series of seminars culminating in a conference at which the papers in this volume first published in 1972 were discussed Together they constitute an authoritative statement of our present knowledge of several areas of the Peninsula with particular emphasis on the Gulf States Three chapters trace the history of Oman from pre Islamic times to the recent past and in so doing emphasize the theme of continuing conflict between sultan and imam Other chapters examine the Gulf and the Peninsula from the standpoint of inter Arab and of international relations The third section of the book is devoted to a discussion of the increasing rate of social change in the area and the final section deals with problems of oil and state and of economic development     **Understanding Jordan Today** Laura Perdew,2020-05-11 Understanding Jordan Today is an accurate and contemporary presentation that explores the Middle Eastern nation of Jordan with a focus on the country as it is today current issues culture and lifestyle The book is written in an easy to read enjoyable narrative form for elementary readers grades 3-6 The Jordan title includes a native recipe and craft for students to create Elementary students are encouraged to consider evidence from informational texts to support analysis reflection and research Series titles have been developed to address many of the Common Core specific goals higher level thinking skills and progressive learning strategies for middle grade level students     **Rommel's Gold** Maggie Davis,2014-04-01 This historical Nazi mystery draws an intrepid woman to the Middle East where she's entangled in a web of intrigue and desire In Maggie Davis's exquisitely written novel international espionage forbidden love and greed surround the search for General Rommel's gold During World War II Rommel buried it in the North African desert then left to meet with Hitler Now Sharon Hoyt with her seductive Western ways finds herself attracted to an Arab police chief and mixed up in the ex Nazis search for Rommel's gold Will she be able to get
