Last Chance Motel, Gasping for Air, The Siren's Call, Hard Landing, The Mermaid's Carol. **The Silver Chanter** Stuart McHardy, 2020-10-15. All over the world people

associate the bagpipes with Scotland. In this informative and entertaining book, Stuart McHardy introduces Scotland's national instrument, its history, development, and repertoire, and examines the part that the piper himself has played in Highland and Lowland society over the centuries. The main bulk of the book is a series of thematically grouped tales from all periods and parts of the country in which we see aspects of traditional lore in stories of warriors, musicians, ghostly battles, the hand of friendship, exemplary heroism, and the cost of supernatural help. There are tales of the MacCrimmons, the most famous island pipers of all, as well as Habbie Simpson, who was possibly the most famous of all the Lowland pipers. Whether dealing with great bravery or contemptible jealousy, the supernatural or the mundane, these stories reflect the central role that the bagpipes have played and continue to play in Scottish traditional culture. *Piper's Promise* Frances

Everly, 2021-12-07. Piper Mackenzie loved being a photographer for a small town magazine. Until one day she fell victim to cutbacks and crashed into Mr. Blue Eyes on the way out the door. All the way home she couldn't stop thinking about his broad shoulders and teasing grin. When she runs into him again in a nightclub, she decides it must be fate and takes him for the ride of her life before moving home to her family farm. She never expected to see Mr. Blue Eyes again. She never expected to discover that he works for her family. She definitely didn't expect to find out that he's the father of her cousin's son. She vows to herself to have nothing more to do with him despite his irresistible charms. Being with him might tear her family apart if they ever found out. But not being with him might tear her apart. *Chief Contemporary Dramatists* Thomas H.

National and Local Montrose Jonas Moses, 1925. *Kafka's Last Pipes* John P. Anderson, 2017-01-22. Fresh from the twilight zone of Kafka's *The Metamorphosis*, this non-academic author treats on a line-by-line basis two of Kafka's last stories, stories written while he was wheezing with tuberculosis. Not surprisingly, these stories feature pipes just what Kafka was thinking about all the time while he was bed-ridden: his sore pipes. Kafka experienced the threat of death at the same time as he experienced the love of his life with Dora Diamant. In these two stories, Kafka spotlights fear and love, the most basic human

issues and those that had taken possession of Kafka's life. Fear and love in the lives of a mole-like creature alone in a burrow and mice in a crowded colony. In stories with no humans, Kafka teaches us what is most important in being human. The Burrow examines fear-based isolation of a mole-like creature living all alone in his underground burrow. The only connection with others is fear-based taking by claws and teeth. You are either the diner or dinner, never a guest or host. You are alone but not independent because fear eats your life possibilities; independence could give you your own worst enemy. Josephine the Singer features love-based giving through art. Kafka's last word on the purpose of art: Like a loving parent giving to her child, the artist mouse Josephine attempts to inspire independent individuality in other mice in the colony through the example of her unique and spontaneous singing. This she gives free of charge. Because of fear of survival stoked by the colony leadership, the rest of the mouse collective hears her singing as a mouse but not as an individual. They remain in fear-based group think with reduced life possibilities. In both stories, the issue is the effect of fear or love on independent individual identity and life possibilities. For Kafka, this was the uber-human issue as he prepared to meet his maker.

Wrestling's New Golden Age Ronald Snyder, 2017-08-08. Ever since the Monday Night Wars where WWE and WCW battled for wrestling supremacy with the WWE coming out on top, there was now only one game in town. If fans wanted to watch wrestling, it was WWE or bust. That is no longer the case. Wrestling's New Golden Age is both a historical look at the sport while showing how everything has finally come full circle. Going back to the past, the sport was originally territory-based with wrestlers traveling across the country from promotion to promotion. From the East coast Jim Crockett WWF down to Texas World Class and all the way up to Canada Stampede, wrestling was run on an individual level. But once Vince McMahon Jr. came into the picture, that all changed. While the territory system is long gone, indie wrestling is bigger than ever. Whether it's ROH, CZW, NXT, NJPW, or any of the other numerous promotions, wrestling has a new face. With information spreading online through social media and video streaming, fans are able to watch wrestling on a consistent basis as opposed to only when the WWE is on TV. They not only have more options but are able to watch wrestlers travel up the ranks to the big show. Now when a wrestler from the indie's makes his WWE appearance, he already has a gimmick, a storyline, and a faithful fanbase. As can be seen with CM Punk, Daniel Bryan, and many others, the independent promotions are the new face of professional wrestling. Featuring interviews with wrestling stars including Jake Roberts, Jim Ross, Rob Van Dam, Matt Hardy, Tommy Dreamer, and numerous others, Wrestling's New Golden Age shares how the wrestling world has finally come full circle to the joy of fans across the globe.
