**Turnaround** Arnold S. Goldstein, 2006-12 This book is aimed to the small business owner whose problems resources and options are very different from their larger corporate counterparts In fact most small business people flounder around when things go wrong and that's why too many small businesses ultimately fail This book presents clear and practical information for these beleaguered small business owners and it fortifies this advice with numerous case examples of how other business owners have overcome their own difficulties Turnaround also does more than cover the financial legal and managerial aspects of the subject There is also the human dimension How can the small business owner objectively define and achieve their own personal objectives which may or may not coincide with revitalizing the business Whoever you are and whatever your situation this book will alter the way you think about your business and it may even change your life *The Turn Around Religion in America* Michael P. Kramer, 2016-02-24 Playing on the frequently used metaphors of the turn toward or turn back in scholarship on religion The Turn Around Religion in America offers a model of religion that moves in a reciprocal relationship between these two poles In particular this volume dedicates itself to a reading of religion and of religious meaning that cannot be reduced to history or ideology on the one hand or to truth or spirit on the other but is rather the product of the constant play between the historical particulars that manifest beliefs and the beliefs that take shape through them Taking as their point of departure the foundational scholarship of Sacvan Bercovitch the contributors locate the universal in the ongoing and particularized attempts of American authors from the seventeenth century forward to get it whatever that it might be right Examining authors as diverse as Pietro di Donato Herman Melville Miguel Algarin Edward Taylor Mark Twain Robert Keayne Nathaniel Hawthorne Paule Marshall Stephen Crane Ralph Waldo Emerson and Joseph B Soloveitchik among many others and a host of genres from novels and poetry to sermons philosophy history journalism photography theater and cinema the essays call for a discussion of religion's powers that does not seek to explain them as much as put them into conversation with each other Central to this project is Bercovitch's emphasis on the rhetoric ritual typology and symbology of religion and his recognition that with each aesthetic enactment of religion's power we learn something new Funeral Rites Jean Genet, 1969 A fictionalized account of the author's lover Jean Decarin who was killed in the Resistance during the liberation of Paris in World War II **Living With Dementia** Bud Brewer, 2021-09-21 Living with Dementia By Bud Brewer Dementia is becoming more common in today's world of advancing life expectancy and many more people are familiar with the experience of watching a loved one slowly be consumed by the condition Yet when one faces the first sign or symptom of dementia they suddenly realize that they are not prepared for what is to come This was how Bud Brewer felt as he watched his wife and lifelong best friend start exhibiting the signs that something was terribly wrong In this memoir Brewer recalls his experience loving observing coping with and caring for his wife during her life changing and life ending experience of dementia while also highlighting those joyful and tender moments they shared in their 67 years

**Spirit Matters** Philip Gabriel, 2006-01-01 Spirit Matters is a ground-breaking work the first to explore a broad range of writings on spirituality in contemporary Japanese literature It draws on a variety of literary works from enormously popular fiction Miura Ayako's HyEten and Shirokari Pass and the novels of Murakami Haruki to more problematic serious fiction Ee KenzaburE's Somersault to nonfiction meditations on martyrdom and miracles Sono Ayako's Kiseki and the dynamics of religious cults Murakami's interviews with members of Aum ShinrikyE in Underground The first half of the volume focuses on the work of two women Christian writers Miura Ayako and Sono Ayako Combining a decidedly evangelistic bent with the formulas of the popular novel Miura's 1964 novel HyEten Freezing Point and its sequel are entertaining perennial bestsellers but also treat spiritual issues like original sin that are largely unexplored in modern Japanese literature Sono's Kiseki Miracles and Miura's Shirokari Pass focus on the meaning of self-sacrifice and the miraculous and survey both the paths by which people come to faith and the spiritual doubts that assail them Perhaps most striking for Western readers Gabriel reveals how Miura's novel shows the lingering resistance to Christianity and its oppositional nature in Japan and how in Kiseki Sono considers the kind of spiritual struggles many Japanese Christians experience as they try to reconcile their belief in a minority faith
