The Last Romantic: A life of Eric Maria Remarque Hilton Tims, 2013-09-19 Few books have made so great an impact political or literary as Erich Maria Remarque's All Quiet on the Western Front the most famous of all anti war novels Startling in its realism intensely moving in its humanity banned and burned in Germany by the Nazis it was an international publishing sensation that has never been equalled and has remained a worldwide bestseller for more than seventy years But who was Remarque While the title of his masterpiece has entered the language as a catchphrase the name of the author is virtually unknown In this first British biography Hilton Tims peels away the veil of anonymity Remarque wove to protect his privacy to reveal a man whose life was one of the most romantic and anguished of the twentieth century Remarque was a self made man born into a poor family he moulded himself into a connoisseur of art whose collection became one of the finest in Europe and an author whose novels brought him wealth fame and vast readership He was also the lover of some of the world's most desirable women At the core of his life was a long lasting affair with Marlene Dietrich who helped him to flee from the Nazis as Europe went to war Arch of Triumph the bestseller he wrote while a stateless migr in Hollywood was inspired by the ecstasy and torment Dietrich caused him Other lovers included Greta Garbo Dolores del Rio Maureen O Sullivan the Jane of the Tarzan films the tragic Lupe Velez the double Oscar winner Luise Rainer and Paulette Goddard who became his second wife Behind the glamour he was a troubled man haunted by the political fall out from his famous book an embittered exile from the Germany he loved tortured by the infidelities of his first wife and by the fate of his favourite sister who paid a terrible price in his name at the hands of the Nazis In Germany the country that reviled him for most of his life Remarque is today acclaimed as a literary giant The rest of the world has forgotten him Hilton Tims has succeeded in creating a potent and fascinating reminder

The Last Romantic Mimi B. Martinoski, 2016-10-29 Belinda is healthy happy and has a successful career in advertising Yet she cannot seem to shake enormous feelings of discontent Something uncontrollable is happening that goes beyond the romantic notions of living the perfect life and meeting the perfect man As her soul calls out to fulfill its purpose of living a creative and passionate life Belinda decides she is willing to do whatever it takes to make it happen After Belinda takes a leap of faith and decides to embrace her dreams of writing a book and living in London she becomes engulfed by the glorious frenetic energy that

accompanies her intrepid journey As she fills her days writing and exploring the city Cupids arrow unexpectedly strikes her in the form of a handsome bearded English Renaissance man Suddenly her London life seems perfect Or is it As uncertainty and confusion transforms into treacherous over analysis and eventual disillusion Belindas writing suffers Now only time will tell if Belinda will be able to escape the shadow of looming madness or find the clarity she so desperately needs *The*

Wrong Pipe Steve M. Skupien ,2013-12-18 Love religion death Skupien has penned an intellectual thought provoking collection of poems around these issues managing to find words to express these deeply human themes Vladimir

Horowitz , **The New Abolition** Gary Dorrien,2015-09-29 The black social gospel emerged from the trauma of Reconstruction to ask what a new abolition would require in American society It became an important tradition of religious thought and resistance helping to create an alternative public sphere of excluded voices and providing the intellectual underpinnings of the civil rights movement This tradition has been seriously overlooked despite its immense legacy In this groundbreaking work Gary Dorrien describes the early history of the black social gospel from its nineteenth century founding to its close association in the twentieth century with W E B Du Bois He offers a new perspective on modern Christianity and the civil rights era by delineating the tradition of social justice theology and activism that led to Martin Luther King Jr

The Radical Faces of Godard and Bertolucci Yosefa Loshitzky,1995 From the radical 1960s through the neo conservative 1980s and into the early 1990s the provocative cinematic careers of French director Jean Luc Godard and Italian director Bernardo Bertolucci have captured the imagination of filmgoers and critics alike Although their films differ greatly Godard produces highly cerebral and theoretical works while Bertolucci creates films with more spectacle and emotionalism their careers have sparked lively discussion and debate mostly centred around the notion of an Oedipal struggle between them

Claude McKay, Rebel Sojourner in the Harlem Renaissance Wayne F. Cooper,1996-02 Cooper paints a meticulous and absorbing portrait of McKay s restless artistic intellectual and political odyssey The definitive biography on McKay Choice Although recognized today as one of the genuine pioneers of black literature in this century the author of *If We Must Die* *Home to Harlem* *Banana Bottom* and *A Long Way from Home* among other works Claude McKay 1890 1948 died penniless and almost forgotten in a Chicago hospital In this masterly study Wayne Cooper presents a fascinating detailed account of McKay s complex chaotic and frequently contradictory life In his poetry and fiction as well as in his political and social commentaries McKay searched for a solid foundation for a valid black identity among the working class cultures of the West Indies and the United States He was an undeniably important predecessor to such younger writers of the Harlem Renaissance as Langston Hughes and Countee Cullen and also to influential West Indian and African writers such as C L R James and Aim C saire Knowledge of his life adds important dimensions to our understanding of American radicalism the expatriates of the 1920s and American literature Mr Cooper s most original contribution is his careful and perceptive analysis of McKay s nonfiction writing especially his social and political commentary which often contained prophetic

statements on a range of important social political and historical issues New York Times Book Review *Romantic Legacies* Shun-Liang Chao, John Michael Corrigan, 2019-03-06 *Romantic Legacies Transnational and Transdisciplinary Contexts* presents the most wide ranging treatment of Romantic regenerations covering the cross pollination between the arts or between art and thought within or across the borders of Germany Britain France the US Russia India China and Japan Each chapter in the volume examines a legacy or afterlife in a comparative context to demonstrate ongoing Romantic legacies as fully as possible in their complexity and richness The volume provides readers a lens through which to understand Romanticism not merely as an artistic heritage but as a dynamic site of intellectual engagement that crosses nations and time periods and entails no less than the shaping of our global cultural currents **Electra after Freud** Jill Scott, 2018-07-05 Electra's story is essentially a tale of murder revenge and violence In the ancient myth of Atreus Agamemnon returns home from battle and receives no hero's welcome Instead he is greeted with an axe murdered in his bath by his wife Clytemnestra and her lover accomplice Aegisthus Electra chooses anger over sorrow and stops at nothing to ensure that her mother pays In revenge Electra with the help of her brother orchestrates a brutal and bloody matricide and her reward is the restitution of her father's good name Amid all this chaos Electra Agamemnon's princess daughter must bear the humiliation of being treated as a slave girl and labeled a madwoman from the Introduction Almost everyone knows about Oedipus and his mother and many readers would put the Oedipus myth at the forefront of Western collective mythology In *Electra after Freud* Jill Scott leaves that couple behind and argues convincingly for the primacy of the countermyth of Agamemnon and his daughter Through a lens of Freudian and feminist psychoanalysis this book views renderings of the Electra myth in twentieth century literature and culture Scott reads several pivotal texts featuring Electra to demonstrate what she calls a narrative revolt against the dominance of Oedipus as archetype Situating the Electra myth within a framework of psychoanalysis medicine opera and dance Scott investigates the heroine's role at the intersections of history and the feminine eros and thanatos hysteria and melancholia Scott analyzes Electra adaptations by H D Hofmannsthal and Strauss Musil and Plath and highlights key moments in the telling and reception of the Electra myth in the modern imagination

The Challenge of Keats, 2016-09-27 Two centuries after his birth in October 1795 John Keats occupies a secure place in the canon of great literature of the western world But for much of the nineteenth century and even during periods of the twentieth century his right to such a position was not so firmly established On the bicentenary of Keats's birth various Italian scholars along with specialists from English speaking countries decided to take advantage of the occasion not only to render homage to a poet whose greatness now seems unchallenged but also to accept his continuing challenge to his readers The contributors to this volume re examine some of the harshest criticisms of Keats from Byron onwards and some of the unconditional exaltations of the poet in order to discover possible sites between the two for new critical impulses and fertile re evaluations of his achievement Under five headings Romantic Truth Textual Readings History and Myth Keats and Other Poets and Painting and Music the essays in this book appraise the historical cultural contexts that nurtured Keats's creativity discuss the influences and interrelationships among Keats and other poets and consider Keats's artistry as revealed in the analyses of particular texts

Sentimental Education Gustave Flaubert, 2004-02-05 Sentimental Education begins with the hero Frederic Moreau leaving Paris and returning to the provinces and his mother Part love story part historical novel and satire it tells of how Moreau is driven by passion for an unattainable older woman His sentimental education turns out to be more of an anxious quest than a happy one echoing Flaubert's own life experience of unrequited love Packed with vivid detail and characterised by its historical authenticity the book was described by Flaubert as the moral history of the men of my generation

The Modern Poet Robert Crawford, 2001-08-09 Addressed to all readers of poetry this is a wide ranging book about the poet's role throughout the last three centuries It argues that a conception of the poets as both primitive and sophisticated emerged in the 1750s Encouraged by the classroom when English literary works began to be studied in universities this view continues to shape our own attitudes towards verse Whether considering Ossian and the Romantics Victorian scholar gipsies Modernist

poetries of knowledge or contemporary poetry in Britain Ireland and America The Modern Poet shows how many successive generations of poets have needed to collaborate and to battle with academia **Poetic Remaking** George

Bornstein,1990-10-01 This volume offers a coherent view of post romantic poetic development through selective examples both of individual poems and of poetic influence Bornstein focuses most centrally on Browning in the Victorian period and Yeats and Pound in the Modern but also looks more briefly at works by Wordsworth Coleridge Keats Shelley Arnold Tennyson and Eliot The introductory manifesto Four Gaps in Postromantic Influence Study posits four new orientations for such work taking the volume rather than the individual poem as a unit stressing more centrally the Victorian mediation between Romantic and Modern allowing for national differences among English Irish and American traditions and basing influence studies as much on manuscript materials as on finished products Each of the following chapters follows one or more of those orientations The initial four chapters Remaking Poetry focus on readings of specific poetic texts The first treats Browning's first major volume as a unit the second reads his dramatic monologue Pictor Ignotus against Romantic acts of mind the third maps distinctively Victorian variations in the major form known as Greater Romantic Lyric and the fourth explores Yeats's mature revision of that form The second group of four chapters Remaking Poets stresses the dynamics of literary influence by which poets turn their forerunners into figures helpful to their own development The first three examine Yeats's encounter with Dante Spenser Browning and Tennyson respectively the fourth treats Pound's remaking of the poet he called his poetic father Browning in a way that suggests the limits of anxiety models of poetic influence For this volume Professor Bornstein has revised and expanded a select group of his recent essays and added a new one on the Greater Victorian Lyric *The Devil Gets His Due* Leslie Fiedler,2009-12-22 Despite his often unacknowledged influence academics intellectuals and the general audience in America and abroad still read Leslie Fiedler's work and draw on its concepts He inspired both reverence Leonard Cohen penned leaning over the American moonlight like the shyest gargoyle who will not become angry or old and rage Saul Bellow called him the worst fucking thing that ever happened to American literature The essays in *The Devil Gets His Due* will reacquaint readers with the depth and breadth of Fiedler's achievements Tackling subjects ranging wildly from Dante Ezra Pound and Mary McCarthy to Rambo Iwo Jima and Jerry Lewis these writings showcase Fiedler's pioneering of an egalitarian canon that encompassed both high and popular literature cinema and history As such they show a powerful mind critiquing whole aspects of a culture and uncovering lessons therein that remain timely today A lengthy introduction by Professor Samuele F S Pardini offers both context and history with an in depth profile of Fiedler and his career as both a literary critic and a public intellectual **I Will Lie Down in Peace** Usha Jesudasan,2016-01-08 A young doctor who has devoted his life to serving those suffering from leprosy is struck by a terminal illness He is only 40 when this diagnosis threatens to crush everything he holds so dear his dreams his faith and even his own uniquely optimistic and joyous nature *I Will Lie Down in Peace* is a touching account of how Dr Kumar Jesudasan and his young family cope with the confusion anger

pain and loneliness brought on by this illness The manner in which Kumar converts his painful confrontation with death into a positive and healing experience is told in this warm and moving book by his wife Usha The proceeds from the sale of this book will go towards the work Dr Kumar dedicated his life to the care of those suffering from leprosy *Theodore Roosevelt*
