## English Conversation For Millions:

**Five Million Conversations** Iain Watson, 2015-09-20 On the eve of the general election Ed Miliband declared that Labour had won the ground war He proclaimed that his activists had been in touch with many more voters than his opponents We have had five million conversations This will go to the wire Yet the Conservatives went on to win a majority for the first time in more than two decades while Labour lost seats in England and were all but wiped out in Scotland How could they get it so wrong Iain Watson followed the Labour campaign around Britain and now he examines what its senior politicians are now calling the party's political and organisational failures He exposes the high level divisions over when to rule out a deal with the SNP the gulf between perception and reality over Labour's level of support and looks at the more successful campaigns of the Conservatives and Scottish Nationalists He sets out the challenges for the next Labour leader having had his own conversations with voters activists and senior party figures and discovers there is no easy solution to the party's problems

*A Million Years in a Day* Greg Jenner, 2016-06-21 Who invented beds When did we start cleaning our teeth How old are wine and beer Which came first the toilet seat or toilet paper What was the first clock Every day from the moment our alarm clock wakes us in the morning until our head hits our pillow at night we all take part in rituals that are millennia old Structured around one ordinary day *A Million Years in a Day* reveals the astonishing origins and development of the daily practices we take for granted In this gloriously entertaining romp through human history Greg Jenner explores the gradual and often unexpected evolution of our daily routines This is not a story of wars politics or great events Instead Jenner has scoured Roman rubbish bins Egyptian tombs and Victorian sewers to bring us the most intriguing surprising and sometimes downright silly historical nuggets from our past Drawn from across the world spanning a million years of humanity this book is a smorgasbord of historical delights It is a history of all those things you always wondered about and many you have never considered It is the story of your life one million years in the making
