English Grammar Simplified J.C. Fernald,2021-02-08 It is believed that in addition to its utility as a textbook for direct instruction this work will be found of great value as a supplementary text book where some other system is used in the regular course For individual study outside the schoolroom there is inestimable value in a book clear enough to be studied on own and short enough to get through with while yet as accurate as the most extensive works The book is also designed to meet the constant demand in the office the study the home or for preparing the competitive examinations The book is divided into two parts 1 Parts of Speech The Noun The Pronoun The Adjective The Verb The Preposition The Conjunction The Interjection and 2 The Sentence

English Grammar Simplified James C. Fernald,2018-01-18 Excerpt from English Grammar Simplified Its Study Made Easy Predicate as The Noun in the Complete Subject etc After the treatment of the Simple Sentence Compound and Complex Sentences are explained as combinations of Simple Sentences That is all There is nothing left to do The simplest words that the subject will bear have been used in the statements of facts and principles the rule being to use wherever possible a common in preference to a technical word English grammar is here taught distinctly and definitely as English with no attempt to make it resemble the Latin Greek French German etc The English has become a real and grand world language with a vast literature and a special genius of its own and is not to be shaped to the model of any other Throughout the work the controlling idea has been not that the grammar is to make the language but that the language has made the grammar Fortunately English can do what many other languages can not do and in treating English grammar the English language is our sole concern The illustrative selections in the various Exercises chosen both for simplicity and beauty are all from the best literature every quotation thus carrying authority Each quotation is located both by the name of the author and of his work that the grammatical study may help also to lead the student out to a good range of reading Many a sentence if learned will come back with more than the power of a rule to settle some disputed point for these extracts represent grammar in action in the hands of those who know how to use it About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

English Grammar Simplified James C. Fernald,2017-06-11 From the PREFACE This book is designed as a complete summary of English grammar It is not of the class of small grammars that are made brief by leaving out bodily numerous important matters Brevity is here secured by eliminating discussions and extended explanations while retaining every

important fact The aim is to include everything in correct English usage that is a legitimate subject of rational inquiry for practical purposes The method of Direct Statement has been followed throughout Interesting as the philosophy of language is school children clerks stenographers business men have not time nor ability to work out by induction the facts of English usage established during the five centuries since the death of Chaucer The attempt to do so is but playing with the impossible The result of that system is to give the student the feeling that grammar is guesswork sometimes you can guess it and sometimes not So he goes on guessing through his life and half the time guessing wrong The facts of correct English usage are for the most part as sure as the facts of the working of a watch or of a locomotive We can do no better service for any student young or old than to tell him definitely what those facts are and let him learn them once for all These definitely settled facts are sometimes given as rules but since many persons have the feeling that a grammatical rule is something arbitrarily inflicted upon the language by grammarians the author has here deemed it preferable in most cases to state the accepted facts of English usage simply as facts rather than in the form of rules The facts so stated will be found to be such They have been verified by extensive study of the best authorities including the New English Dictionary of Dr Murray with its unrivalled store of quotations from standard English authors from the thirteenth century to the present time Maetzner s English Grammar a work of wonderful philosophical acumen also rich in quotations from standard English authors Gould Brown s remarkable compilation in his Grammar of English Grammars and the most prominent text books on grammar now in accredited use in the public schools Statements which are given seemingly off hand in some few lines are always the result of careful and often of protracted study The aim has been to make every statement in the highest degree dependable safe to rely upon and to act upon So constructed it is believed that this brief work is not excelled in accuracy by the most pretentious volumes now before the public To have such results massed in a compact and handy volume is a distinct desideratum

English Grammar Simplified Introduction

In the digital age, access to information has become easier than ever before. The ability to download English Grammar Simplified has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download English Grammar Simplified has opened up a world of possibilities. Downloading English Grammar Simplified provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading English Grammar Simplified has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download English Grammar Simplified. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading English Grammar Simplified. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading English Grammar Simplified, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download English Grammar Simplified has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
