English Jackpot 2 Teachers Notes:

A Teacher'S Grammer Of English K.R. Narayanaswamy,2004-06 It is a refresher a reference book and a workbook for teachers of English It is also for teachers handling subjects other than English in schools and colleges The book centres round the idea that grammar paves the way for smooth and accurate communication and aims to strike a balance between conventional concepts and latter day developments and between descriptive grammar and grammar in use Each chapter of the book begins by describing the forms of the grammatical class or category it deals with It then presents a variety of illustrative examples Finally it explains the communicative uses of the forms and the situations in which they are typically used A distinct feature of the book is that it deals with both spoken and written grammar with greater emphasis on the written mode

A Guide in the Study of the Usage of the American English Ernesto L. Lasafin, Communication in the English Language All creatures of God on earth need to communicate with one another Among human beings communication is made by means of utterance or written words The organized system of speech is language Words are the basic units of language When one speaks or writes he puts words together in a sentence Thus language is not just words it is words strung together in coherent sentences to be used for communication English is the universal medium of communication People who can communicate effectively in the English language are the ones likely to succeed in life To be one of these successful persons in the future one must have at his command a useful adaptable and highly powerful tool the English language
