of Prose Fiction Published
in the British Isles

Volume I. 1770–1799

[English Novel 1770 1829](#)

James Raven

English Novel 1770 1829:

The English Novel, 1770-1829: 1770-1799 Peter Garside,James Raven,2000 *The English Novel, 1770-1829: 1800-1829* Peter Garside,James Raven,Rainer Schöwerling,2000 This bibliography provides the first complete and copy based record of the production of new English fiction in the period 1800 1829 The main listings include 2 256 entries all but forty of which where no surviving copy could be found are based on examination of a first edition of the actual novel described As a result of ten years of Anglo German co operation the bibliography makes especial use of the recently discovered collection of English novels of Schloss Corvey in Germany whose holdings in English fiction 1796 1834 almost certainly exceed those held by any other library including the British Library In particular the bibliography is able to record over 100 titles which investigations have suggested are entirely unique to Corvey Numerous libraries have also been visited in Britain and North America leading to further novels which have fallen from the record In offering a full transcription of title page details the bibliography offers a much sharper view than has been previously available of the ways in which novels were projected to their audience when originally published A variety of new attributions are made while at the same time existing attributions are challenged An extensive historical introduction by Peter Garside offers a comprehensive overview of the main aspects of production marketing and reception of fiction in the Romantic era The English Novel 1770-1829: 1800-1829 James Raven,2000 The English Novel 1770-1829: A Bibliographical Survey of Prose Fiction Published in the British Isles James Raven,Rainer Schöwerling,2000 **The English Novel 1770-1829** James Raven,Antonia Forster,Stephen Bending,2023 Examining copies of all known surviving novels and reconstructing those lost this volume provides full details and a new introductory account of the authorship publication and review of new prose novels in English 1770 1799 **The Oxford Handbook of the Eighteenth-Century Novel** J. A. Downie,2016-09-01 Although the emergence of the English novel is generally regarded as an eighteenth century phenomenon this is the first book to be published professing to cover the eighteenth century English novel in its entirety This Handbook surveys the development of the English novel during the long eighteenth century in other words from the later seventeenth century right through to the first three decades of the nineteenth century when with the publication of the novels of Jane Austen and Walter Scott the novel finally gained critical acceptance and assumed the position of cultural hegemony it enjoyed for over a century By situating the novels of the period which are still read today against the background of the hundreds published between 1660 and 1830 this Handbook not only covers those masters and mistresses of early prose fiction such as Defoe Richardson Fielding Sterne Burney Scott and Austen who are still acknowledged to be seminal figures in the emergence and development of the English novel but also the significant number of recently rediscovered novelists who were popular in their own day At the same time its comprehensive coverage of cultural contexts not considered by any existing study but which are central to the emergence of the novel such as the book trade and the mechanics of book production copyright and censorship the growth of the reading public the

economics of culture both in London and in the provinces and the re printing of popular fiction after 1774 offers unique insight into the making of the English novel **The English Novel** James Raven, **The English Novel, 1770-1829** Peter Garside,Christopher Skelton-Foord,Karin Wünsche,Rainer Schöwerling,2023 Almost 2500 separate entries provide accurate researched details of authors bibliographical composition of books and the whereabouts of surviving copies for English fiction of the Romantic era Conversion and Reform in the British Novel in the 1790s A. Markley,2008-12-22 Conversion and Reform analyzes the work of those British reformists writing in the 1790s who reshaped the conventions of fiction to reposition the novel as a progressive political tool Includes new readings of key figures such as Mary Wollstonecraft and Thomas Holcroft **Literature in a Time of Migration** Josephine McDonagh,2021-05-13 Literature in a Time of Migration offers a profound rethinking of British fiction in light of the new practices of human mobility that reshaped the nineteenth century world Building on the growing critical engagement with globalization in literary studies it confronts the paradox that at a time when transnational human movement occurred globally on an unprecedented scale British fiction appeared to turn inward to tell stories of local places that valorized stability and rootedness In contrast this book reveals how literary works from the end of the Napoleonic Wars to the advent of the New Imperialism were active components of a culture of colonization and emigration Fictional texts as print commodities were enmeshed in technologies of transport and communication and innovations in literary form were spurred by the conditions and consequences of human movement Examining works by Scott Charlotte Bront Dickens and George Eliot as well as popular contemporaries Mary Russell Mitford John Galt and Thomas Martin Wheeler this volume demonstrates how literary texts overlap with an agenda set in public discussions of colonial emigration that they also helped to shape Debates about assisted emigration forced and free migration colonization settlement and the removal of native peoples figure in fictions in complex ways Read alongside writings by emigration theorists practitioners and enthusiasts for colonization fictional texts reveal a powerful and sustained engagement with British migratory practices and their worldwide consequences Literature in a Time of Migration is a timely reminder of the place and importance of migration within British cultural heritage *The Cambridge Companion to Women's Writing in the Romantic Period* Devoney Looser,2015-03-12 A wide ranging and accessible account of the pioneering professional women writers who flourished during the Romantic period The Cambridge Companion to British Romanticism Stuart Curran,2010-07-22 This new edition of The Cambridge Companion to British Romanticism has been fully revised and updated and includes two wholly new essays one on recent developments in the field and one on the rapidly expanding publishing industry of this period It also features a comprehensive chronology and a fully up to date guide to further reading For the past decade and more the Companion has been a much admired and widely used account of the phenomenon of British Romanticism that has inspired students to look at Romantic literature from a variety of critical angles and approaches In this new incarnation the volume will continue to be a standard guide for students of Romantic literature and its contexts **The**

Gothic World Glennis Byron,Dale Townshend,2013-10-08 The Gothic World offers an overview of this popular field whilst also extending critical debate in exciting new directions such as film politics fashion architecture fine art and cyberculture Structured around the principles of time space and practice and including a detailed general introduction the five sections look at Gothic Histories Gothic Spaces Gothic Readers and Writers Gothic Spectacle Contemporary Impulses The Gothic World seeks to account for the Gothic as a multi faceted multi dimensional force as a style an aesthetic experience and a mode of cultural expression that traverses genres forms media disciplines and national boundaries and creates indeed its own World *The History of British Women's Writing, 1750-1830* J. Labbe,2010-08-20 This period witnessed the first full flowering of women s writing in Britain This illuminating volume features leading scholars who draw upon the last 25 years of scholarship and textual recovery to demonstrate the literary and cultural significance of women in the period discussing writers such as Austen Wollstonecraft and Mary Shelley <u>Americomania and the French Revolution Debate in Britain, 1789-1802</u> Wil Verhoeven,2013-11-12 This book explores the evolution of British identity and participatory politics in the 1790s Wil Verhoeven argues that in the course of the French Revolution debate in Britain the idea of America came to represent for the British people the choice between two diametrically opposed models of social justice and political participation Yet the American Revolution controversy in the 1790s was by no means an isolated phenomenon The controversy began with the American crisis debate of the 1760s and 1770s which overlapped with a wider Enlightenment debate about transatlantic utopianism All of these debates were based in the material world on the availability of vast quantities of cheap American land Verhoeven investigates the relation that existed throughout the eighteenth century between American soil and the discourse of transatlantic utopianism between America as a physical geographical space and America as a utopian dystopian idea image **Selling Ancestry** Stéphane Jettot,2023-08-08 Often cited but rarely studied in their own right family directories allow a reconsideration of how ancestry and genealogy became an object of widespread commercialization across the eighteenth century These directories replaced the expensive locally produced early modern artefacts tombs windowpanes illuminated pedigrees and began to reach a wide audience of readers in the British Isles and the colonies From the first Peerage in 1709 to the guidebooks of Debrett s and Burke s in the 1830s St phane Jettot offers an insight into the cumulative process leading to the creation of these hybrid products a combination of court almanacs county histories and town directories Employed by contemporaries as reference tools to navigate through a dynamic and changing society they could be used as a means to probe contemporary attitudes towards social status and political events Published by the most prominent London booksellers who shared their copyrights among themselves they relied on the considerable involvement of thousands of families in the counties In their correspondence with publishers many new and old elites desired to insert their own narrative into a general history of Britain by dispatching documents quotations and anecdotes Based on a unique source base this book provides a systematic review of these directories their production and sale but also their

potential role in shaping the character of social change Jettot demonstrates the wider ramifications of genealogy and its structural ability to reinvent itself associate amateurs and antiquarians alike and thrive on the wavering lines between facts and fiction offering an exciting and unique insight into the social history of eighteenth century Britain **The Broadview Reader in Book History** Michelle Levy,Tom Mole,2014-10-23 Book History has emerged as one of the most exciting new interdisciplinary fields of study in the humanities By focusing on the production circulation and reception of the book in all its forms it has transformed the study of history literature and culture The Broadview Book History Reader is the most complete and up to date introduction available to this area of study The reader reprints 33 key essays in the field grouped conceptually and provided with headnotes explanatory footnotes an introduction a chronology and a glossary of terms *British Short Fiction in the Early Nineteenth Century* Tim Killick,2016-05-23 In spite of the importance of the idea of the tale within Romantic era literature short fiction of the period has received little attention from critics Contextualizing British short fiction within the broader framework of early nineteenth century print culture Tim Killick argues that authors and publishers sought to present short fiction in book length volumes as a way of competing with the novel as a legitimate and prestigious genre Beginning with an overview of the development of short fiction through the late eighteenth century and analysis of the publishing conditions for the genre including its appearance in magazines and annuals Killick shows how Washington Irving s hugely popular collections set the stage for British writers Subsequent chapters consider the stories and sketches of writers as diverse as Mary Russell Mitford and James Hogg as well as didactic short fiction by authors such as Hannah More Maria Edgeworth and Amelia Opie His book makes a convincing case for the evolution of short fiction into a self conscious intentionally modern form with its own techniques and imperatives separate from those of the novel **A Companion to Scottish Literature** Gerard Carruthers,2023-12-26 A Companion to Scottish Literature offers fresh readings of major authors and periods of Scottish literary production from the first millennium to the present Bringing together contributions by many of the world s leading experts in the field this comprehensive resource provides the historical background of Scottish literature highlights new critical approaches and explores wider cultural and institutional contexts Dealing with texts in the languages of Scots English and Gaelic the Companion offers modern perspectives on the historical milieux thematic contexts and canonical writers of Scottish literature Original essays apply the most up to date critical and scholarly analyses to a uniquely wide range of topics such as Gaelic literature national and diasporic writing children s literature Scottish drama and theatre gender and sexuality and women s writing Critical readings examine William Dunbar Robert Burns Walter Scott Robert Louis Stevenson Muriel Spark and Carol Ann Duffy amongst others With full references and guidance for further reading as well as numerous links to online resources A Companion to Scottish Literature is essential reading for advanced students and scholars of Scottish literature as well as academic and non academic readers with an interest in the subject **Novel Definitions** Cheryl L. Nixon,2008-12-30 Novel Definitions captures the lively critical debate

surrounding the invention of the English novel showing how the rise of the novel is accompanied by a rise in popular literary criticism The over 135 pieces here many newly discovered include essays prefaces reviews and sermons written by authors ranging from Aphra Behn to Walter Scott Novel Definitions brings together authors commentary on their work debates concerning the novel s formal qualities and cultural position including who should read novels reviewers definitions of the qualities that make a novel successful and literary historians first attempts to write the history of the novel

English Novel 1770 1829 Introduction

In the digital age, access to information has become easier than ever before. The ability to download English Novel 1770 1829 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download English Novel 1770 1829 has opened up a world of possibilities. Downloading English Novel 1770 1829 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading English Novel 1770 1829 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download English Novel 1770 1829. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading English Novel 1770 1829. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading English Novel 1770 1829, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download English Novel 1770 1829 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a

popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About English Novel 1770 1829 Books

1. Where can I buy English Novel 1770 1829 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
