English Literature:

1800 to 1900

Arthur H. Bell, Ph.D., and Bernard D.N. Grebanier, Ph.D.

CHRONOLOGY • WORKS AT A GLANCE • TOPIC SUMMARIES •
GLOSSARY • SUGGESTED READINGS • REVIEW QUESTIONS

A survey of nineteenth-century English literature, from the Romantics such as Byron and Keats through the late Victorian novelists and essayists, including Swinburne, Browning, Dickens, George Eliot, Ruskin, Carlyle, and many others.

English Literature 1800 1900

Carnegie Library of Pittsburgh

English Literature 1800 1900:

English Literature in Account with Religion, 1800-1900 Edward Mortimer Chapman, 1910 *The Cambridge Bibliography of English Literature: Volume 4, 1800-1900* Joanne Shattock, 2000-01-13 This is the standard primary bibliography of English literature The third edition of which Volume 4 1800 1900 is the first to be published presents a comprehensive revision and updating of the two previous editions It offers authoritative individual bibliographies compiled by specialists of international reputation of writers in all genres poetry fiction drama and the novel together with sections compiled by specialists on children s literature historical and travel writing philosophy and science political economy the literature of sports education journalism book production and literary relations with the continent *A Reference Guide for English Studies* Michael J. Marcuse, 2023-11-15 *A Guide to English Literature* F. W. Bateson, At first glance *A Guide to English Literature* may seem to be no more than a short bibliography of English literature with perhaps rather more extensive and certainly more outspoken comments on the principal editions commentaries biographies and critical works than bibliographies usually provide But it is something more this guide contains long inter chapters that provide reinterpretations of the principal periods of English literature in the light of modern research as well as two final sections summarizing in unusual detail the literary criticism that exists in English and recent scholarship in the field The purpose of this book then is to provide the reader with convenient access to a disciplined study of the texts themselves This guide proposes itself as a new kind of literary history The conventional history of literature has often tended to become a substitute for the reading of the literature it describes the better the history the greater the temptation to substitute it The present combination of reading lists and inter chapters cannot be a substitute for anything else Meaningless as literature in themselves they nevertheless provide the necessary preliminary information to meaningful reading Since oddities of arrangement derive from these assumptions the authors are not arranged alphabetically Instead there are chronological compartments with the divisions circa 1500 1650 and 1800 in which authors succeed each other in the order of their births This pioneering handbook is primarily a bibliographical laborsaving device It is meant mostly for students and the general reader in that it stops where original research by the reader is expected to begin However the last chapter on literary scholarship is devoted specifically to the research specialist and provides indispensable equipment for the reader There is also a general section on literary criticism which will be of use to all F W Bateson 1901 1978 was University Lecturer in English Literature at Oxford and a Fellow and Tutor of Corpus Christi College Founder and editor of the periodical *Essays in Criticism* he is also editor of the four volume *Cambridge Bibliography of English Literature* and the author of a number of critical studies of English poetry and drama *The New Cambridge Bibliography of English Literature* George Watson, Ian Roy Willison, 1974 *The Cambridge Companion to English Literature, 1830-1914* Joanne Shattock, 2010-01-28 The nineteenth century witnessed unprecedented expansion in the reading public and an explosive growth in the number of

books and newspapers produced to meet its demands These specially commissioned essays examine not only the full range and variety of texts that entertained and informed the Victorians but also the boundaries of Victorian literature the links and overlap with Romanticism in the 1830s and the roots of modernism in the years leading up to the First World War The Companion demonstrates how science medicine and theology influenced creative writing and emphasizes the importance of the visual in painting book illustration and in technological innovations from the kaleidoscope to the cinema Essays also chart the complex and fruitful interchanges with writers in America Europe and the Empire highlighting the geographical expansion of literature in English This Companion brings together the most important aspects of this prolific and popular period of English literature

English Literature in Account With Religion, 1800-1900 (Classic Reprint) Edward Mortimer Chapman, 2016-06-14 Excerpt from English Literature in Account With Religion 1800 1900 Since some of the later chapters were written Death has been urgent with many eminent and well beloved names in them and Meredith Swinburne Francis Thompson and John Davidson in England About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

English Literary History and Bibliography John Gerard O'Leary, 1928 *Literary Research and the Victorian and Edwardian Ages, 1830-1910* Melissa S. Van Vuuren, 2010-11-19 The diverse literatures of Victorian and Edwardian Britain have provided a wealth of research materials for novice and expert researchers alike Although the body of scholarship for the Edwardian Age is smaller than that of the Victorian researchers should have no shortage of resources for learning more about the literatures of either time period While many of the novels plays poetry and prose from the Victorian and Edwardian Ages are still readily available in print a vast amount of literature has long since fallen out of print Recent efforts in digitization the Victorian Women Writers Project English Literary Periodicals 1681 1914 Early British Periodicals 1681 1921 19th Century British Library Newspapers 19th Century U K Periodicals Times Digital Archives Victorian Popular Culture and even Google Books have helped to make many texts more widely accessible Literary Research and the Victorian and Edwardian Ages 1830 1910 discusses traditional and new resources for researching this period of British literature and the ways in which those resources can be used in conjunction with one another By helping readers navigate the resources and issues particular to these literatures this book will serve as an essential guide to researching the literatures of the Victorian and Edwardian Ages

The Publishers Weekly, 1911 **Department of the Army Pamphlet**, 1949 List of Courses Offered by Cooperating Colleges and Universities Through United States Armed Forces Institute United States. War Department, 1946 **Pamphlet - Dept. of the Army**

United States Department of the Army,194? **The Cambridge Bibliography of English Literature** Frederick Wilse Bateson,1940 **Annual Report** Saint Louis (Mo.). Board of Education,1927 *Correspondence Courses Offered by Colleges and Universities Through the United States Armed Forces Institute* United States Armed Forces Institute,1949
 English Literature in Account with Religion 1800-1900 ,1910 Classified Catalogue of the Carnegie Library of Pittsburgh Carnegie Library of Pittsburgh,1913 English Fiction of the Victorian Period Michael Wheeler,2014-01-14
Professor Wheeler s widely acclaimed survey of the nineteenth century fiction covers both the major writers and their works and encompasses the genres and minor fiction of the period This excellent introduction and reference source has been revised for this second edition to include new material on lesser known writers and a comprehensively updated bibliography
 The English Bible Wilbur Owen Sypherd,1923
