English Matters Vol 7:

Correct English, 1899 *Extreme Britain* Elizabeth Pearson, 2024 Drawing on interviews with extremists this timely study explores the relationship between gendered culture and political radicalism using Britain as a case study **Soul of the Age** Paul Hemenway Altrocchi, MD, 2014-08-21 The greatest cultural mystery in the Western World is Who wrote the plays and sonnets published under the pen name of William Shakespeare For reasons of monarchical succession greed and power Robert Cecil Queen Elizabeth's chief counselor forced Edward de Vere 17th Earl of Oxford to use a pseudonym for his great works De Vere chose the pen name William Shakespeare Because of his similar name Cecil selected Will Shakspeare of Stratford on Avon as the fraudulent front man Poor choice Shakspeare was uneducated never owned a book never traveled abroad knew no foreign languages and could not read or write Because of the tenacious grip of Conventional Wisdom professors of English still believe Cecil's hoax 400 years later clinging futilely to their Stratford Man despite abundant evidence against their illogical theory *Soul of the Age* contains 28 high quality articles by a remarkable new generation of authorship experts who clearly establish de Vere as Shakespeare and annihilate the illiterate Will Shakspeare's candidacy Hugh Trevor Roper Professor of History Oxford University 1962 Armies of scholars formidably equipped have examined all the documents which could possibly contain at least a mention of his Shakespeare's name One hundredth part of this labour applied to one of his insignificant contemporaries would be sufficient to produce a substantial biography And yet the greatest of all Englishmen after this tremendous inquisition still remains so close a mystery that even his identity can still be doubted During his lifetime nobody claimed to know him Not a single tribute was paid to him at his death As far as the records go he was uneducated had no literary friends possessed at his death no books and could not write It is true six of his signatures have been found all spelt differently but they are so ill formed that some graphologists suppose the hand to have been guided Except for these signatures no syllable of writing by Shakespeare Shakspeare has been identified Such is the best the historians can do Clearly it is not enough It may be the shell it is not the man *Public Documents of Massachusetts* Massachusetts, 1906 **Subject Matter** Aron Vinegar, 2023-11-28 A theorization of habit that emphasizes its excessive and unsettling qualities rather than its mediating adaptive and stabilizing functions Subject Matter offers a bold counterpoint to prevalent conceptions of habit characterized by bodily fluidity and ease as the stabilizing foundation of an emerging subjectivity or more negatively as a numbing and deadening force Instead of facilitating the coordination of action with goal and self with environment habit appears here as a disruptively recursive operation with extreme ontological implications that are often more quotidian than exceptional Vinegar theorizes habit's more perturbing aspects from repetition compulsion to kenosis to breakdown through an encounter between Hegel's philosophy of habit psychoanalytic dimensions of repetition Tom McCarthy's novel *Remainder* and Omer Fast's feature length film interpretation of the novel Vinegar starts with the premise that habit is an unhappy mediator a disturbance of the very medium and milieu that is constitutive of the subject

Subject Matter pays close attention to those aspects of habit that are usually considered deviations from or potential threats to habit proper and that generate a logic of breakdown automaticity mechanization thingness inertia and fixity By plotting a topology of habit s unbearability through detailed accounts of its manifestation in writing art aesthetics and viscosity and through an attentiveness to the unbalanced nonrelations between mediation and immediacy being and having fixity and fluidity vanishing and overflowing abbreviation and excess beginning and ending Vinegar exposes habit s failure to mediate and inhabit In doing so he offers new and counterintuitive insights into how habit generates the unruly grounds it is supposed to settle thus allowing us to ask how we might break down differently
